The Long Journey Maria Pia Di Bella,Brian Yothers,2020-11-01 Travel writing has, for centuries, composed an essential historical record and wide-ranging literary form, reflecting the rich diversity of travel as a social and cultural practice, metaphorical process, and driver of globalization. This interdisciplinary volume brings together anthropologists, literary scholars, social historians, and other scholars to illuminate travel writing in all its forms. With studies ranging from colonial adventurism to the legacies of the Holocaust, *The Long Journey* offers a unique dual focus on experience and genre as it applies to three key realms: memory and trauma, confrontations with the Other, and the cultivation of cultural perspective.

In a Different Place Jill Dubisch,2016-09-29 *In a Different Place* offers a richly textured account of a modern pilgrimage, combining ethnographic detail, theory, and personal reflection. Visited by thousands of pilgrims yearly, the Church of the Madonna of the Annunciation on the Aegean island of Tinos is a site where different interests--sacred and secular, local and national, personal and official--all come together. Exploring the shrine and its surrounding town, Jill Dubisch shares her insights into the intersection of social, religious, and political life in Greece. Along the way she develops the idea of pilgrimage-journeying away from home in search of the miraculous--as a metaphor for anthropological fieldwork. This highly readable work offers us the opportunity to share one anthropologist's personal and professional journey and to see in a different place the inadequacy of such conventional anthropological categories as theory versus data, rationality versus emotion, and the observer versus the observed. Dubisch examines in detail the process of pilgrimage itself, its relationship to Orthodox belief and practice, the motivations and behavior of pilgrims, the relationship between religion and Greek national identity, and the gendered nature of religious roles. Seeking to evoke rather than simply describe, her book presents readers with a sense of the

emotion, color, and power of pilgrimage at this Greek island shrine.

Guardian of the Light Paddy Kearney, 2009-06-15 Denis Hurley was not born in a lighthouse as some people imagine. His father was the keeper of the lighthouse at Cape Point, the guardian of the light that warns the sailors of dangers and guides them away from destruction. Now the son did not follow in his father's footsteps. But he became a lighthouse keeper too; the guardian of the light that warns of dangers and saves us from destruction. The lighthouse has become a symbol of light and hope and our Archbishop has been doing this work of warning and guiding for the greater part of his [life]. And he has done it with great faithfulness for which today we give thanks. - Alan Paton, author of *Cry the Beloved Country* (Vintage, 2002) Born in Cape Town in 1915 of Irish parents, Dennis Hurley became the youngest Catholic bishop in the world in 1947 at 31 and would later come to be regarded, along with Desmond Tutu, as one of the South African state's most wanted political opponents. His inspiring life as a courageous opponent of South Africa's apartheid regime for over 50 years and as a champion of the reforms and spirit of Vatican II is chronicled in this indispensable work.

The Social Production of Indifference Michael Herzfeld, 2021-01-07 In this fascinating book, Michael Herzfeld argues that 'modern' bureaucratically regulated societies are no more 'rational' or less 'symbolic' than the societies traditionally studied by anthropologists. Drawing primarily on the example of modern Greece and utilizing other European materials, he suggests that we cannot understand national bureaucracies divorced from local-level ideas about chance, personal character, social relationships and responsibility. He points out that both formal regulations and day-to-day bureaucratic practices rely heavily on the symbols and language of the moral boundaries between insiders and outsiders; a ready means of expressing prejudice and of justifying neglect. It therefore happens that societies with proud traditions of generous hospitality may paradoxically produce at the official level some of the most calculated indifference one can find anywhere.

Juan Soldado Paul J Vanderwood, 2004-11-01 Paul J. Vanderwood offers a fascinating look at the events, beliefs, and circumstances that have motivated popular devotion to Juan Soldado, a Mexican folk saint. In his mortal incarnation, Juan Soldado was Juan Castillo Morales, a twenty-four-year-old soldier convicted of and quickly executed for the rape and murder of eight-year-old Olga Camacho in Tijuana in 1938. Immediately after Morales's death, many people began to doubt the evidence of his guilt, or at least the justice of his brutal execution. People reported seeing blood seeping from his grave and hearing his soul cry out protesting his innocence. Soon the "martyred" Morales was known as Juan Soldado, or John the Soldier. Believing that those who have died unjustly sit closest to God, people began visiting Morales's grave asking for favors. Within months of his death, the young soldier had become a popular saint. He is not recognized by the Catholic Church, yet thousands of people have made pilgrimages to his gravesite. While Juan Soldado is well known in Tijuana, southern California's Mexican American community, and beyond, this book is the first to situate his story within a broader exploration of how and why popular canonizations such as his take root and flourish. In addition to conducting extensive archival research, Vanderwood interviewed central

actors in the events of 1938, including Olga Camacho's mother, citizens who rioted to demand Morales's release to a lynch mob, those who witnessed his execution, and some of the earliest believers in his miraculous powers. Vanderwood also interviewed many present-day visitors to the shrine at Morales's grave. He describes them, their petitions—for favors such as health, a good marriage, or safe passage into the United States—and how they reconcile their belief in Juan Soldado with their Catholicism. Vanderwood puts the events of 1938 within the context of Depression-era Tijuana and he locates people's devotion, then and now, within the history of extra-institutional religious activity. In *Juan Soldado*, a gripping true-crime mystery opens up into a much larger and more elusive mystery of faith and belief.

Twice-told Tales Julia Bolton Holloway, 1993 *Twice-Told Tales* presents the life and writings of Dante Alighieri's maestro, the Florentine notary and diplomat, Brunetto Latino. The book first discusses archival documents found in Florence, the Vatican Secret Archives, Genoa, England and elsewhere, which were written by or which name Brunetto Latino. The documents concern, among other topics, the Vallombrosan Abbot Tesauro, the Sicilian Vespers' plotting, and the death by starvation of Ugolino. The book then discusses Brunetto's translations of Aristotle's *Ethics* and Cicero's *De inventione*, as texts presented to Charles of Anjou and others, as well as the influence of these texts on Dante. Appendices present the archival documents discussed in the book and list manuscripts containing Latino's writings.

Lord of Souls: An Elder Scrolls Novel Greg Keyes, 2011-09-27 Forty years after the Oblivion crisis, the empire of Tamriel is threatened by a mysterious floating city, Umbriel, whose shadow spawns a terrifying undead army. Reeling from a devastating discovery, Prince Attrebus continues on his seemingly doomed quest to obtain a magic sword that holds the key to destroying the deadly invaders. Meanwhile, in the Imperial City, the spy Colin finds evidence of betrayal at the heart of the empire—if his own heart doesn't betray him first. Based on the award-winning Elder Scrolls® series, *Lord of Souls* is the second of two exhilarating novels that continue the story from *The Elder Scrolls IV: Oblivion*, named 2006 Game of the Year by numerous outlets, including Spike TV, the Golden Joystick Awards, and the Associated Press.
