*Shura* Nermin Bezmen, 2000-01-01

**Kurt Seyt and Shura** Nermin Bezmen, 2017-12-18 An instant best seller since its debut in 1992, Nermin Bezmen's *Kurt Seyt & Shura* is a classic of contemporary Turkish literature, a sweeping romantic drama set around the time as the splendor of Imperial Russia is obliterated in the wake of the Great War. Bezmen tells the story of two star-crossed lovers fleeing the wave of devastation wreaked by the Bolshevik Revolution-- and does so with great sensitivity: one half of this couple who sought refuge in the capital of the dying Ottoman Empire was her grandfather. Translated into 12 languages, *Kurt Seyt & Shura* inspired a sumptuous T.V. series that continues to enchant millions of viewers across the world. With the publication of this novel in the United States, English-speaking fans will now be able to read the true story of this great love affair, which triumphed over so much adversity yet failed to overcome human fallibility. *Kurt Seyt*: The son of a wealthy Crimean nobleman, is a dashing first lieutenant in the Imperial Life Guard. Injured on the Carpathian front and later sought by the Bolsheviks, he makes a daring escape across the Black Sea. Too proud to accept payment for the boatful of arms he hands over to the Nationalists, he faces years of struggle to make a new life in the Turkish Republic rising from the embers of the dying Ottoman Empire. All he has is his dignity and love. *Shura*: An innocent sixteen-year-old beauty enchanted by Tchaikovsky's music and Moscow's glittering lights, falls in love with Seyt. A potential victim of the Bolsheviks due to her family's wealth and social standing, she is determined to follow her heart and accompanies Seyt on his perilous flight over the Black Sea. Their love is the only solace to their crushing homesickness for a land and family they will never

see again, two lovers among hundreds of thousands of White Russian émigrés trying to eke out a living in occupied Istanbul.

*The Shura Spell* Lai

HaMaJiuChiTianERou, 2020-01-01 Introduction to Divine Spell: What! He actually transmigrated? So what if he transmigrated? He actually possessed the body of a Good-for-nothing? God, do you want to play me to death! Apprentice Yuan, a super abnormal person who was born with divine power and was only 23 years old, yet had already reached the legendary Innate Stage. Yet, he died because he was young and easily trifled with other people's tricks, while he transmigrated to the Heavenly Calamity Continent and went through an unimaginable journey. What exactly was in front of him? Was it endless death? Or was it the A Peerless Expert that ruled the continent? All of this is just a mystery, let's enter the Deicide to find the real answer.

**Shura** Richard L. Rose, Susan Irene Rose, 2009 This story about a little girl who is sent to live with her aunt after her father disappears, was told by Susan Irene Rose to her husband Richard L. Rose. He prepared the story from the recollections of his wife after she had fallen ill with Alzheimer's Disease. -- Shushmita Mazumdar (posted at studiopause.com on May 15, 2014 under title 'The need to share our stories').

Shura Cherkassky Elizabeth Carr, 2006-01-12 This biography documents the unique artistry and highly unusual life of the internationally acclaimed pianist Shura Cherkassky, who, at the time of his death in 1995, was universally recognized to be among the greatest pianists in music history, and the last link to the romantic piano tradition of Chopin, Liszt and Anton Rubinstein.

Al-Shura Ahmad Al-Raysuni, 2011 Muslims remain largely unaware of the importance and value of the Qur'anic principle of al-Shura (mutual

consultation) and the significant role it can play in the advancement and reform of Muslim society. In this work, the author attempts to introduce and examine key meanings and practices of al-Shura, trace its historical evolution, and explore ways in which the principle can be introduced, institutionalized and applied in Muslim societies. There is no doubt that al-Shura has been sidelined throughout the Muslim world and the reasons for this are both historically and politically complex. According to the author, although much has been written on the subject, in reality it has been at best ineffectively applied and at worst heedlessly ignored. Even today it is a hotly contested issue. As al-Shura is increasingly associated with democratic participation in a decision-making process, debate has ignited with critics challenging the notion of equating the principle with western notions of democracy, with others claiming that the principle allows for a meaning that breaks the grip of centralized power. These and other issues are investigated with careful scholarship. Al-Raysuni concludes that al-Shura should be adopted as a way of life for all Muslims to protect their interests and as a vital tool for reconstruction and reform. In doing so he addresses the subject from some intriguing new angles, giving insight into areas hitherto little, if at all, examined.

**The West and Islam** Mishal Fahm al-Sulami, 2004-06  
This book analyzes the relationship between Western and Islamic political ideas. The focus is on the similarities and differences between Western liberal democracy and shura - often seen as the Islamic counterpart to Western democracy. This is the first work to provide a direct and detailed comparison between the two systems of ideas, as given expression in the concrete political systems which have emerged.
