Sidney Poitier Aram Goudsouzian,2011-01-20 In the first full biography of actor Sidney Poitier, Aram Goudsouzian analyzes the life and career of a Hollywood legend, from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement. Poitier is a gifted actor, a great American success story, an intriguing personality, and a political symbol; his life and career illuminate America's racial history. In such films as Lilies of the Field, In the Heat of the Night, and Guess Who's Coming to Dinner, Poitier's middle-class, mannered, virtuous screen persona contradicted prevailing film stereotypes of blacks as half-wits, comic servants, or oversexed threats. His screen image and public support of nonviolent integration assuaged the fears of a broad political center, and by 1968, Poitier was voted America's favorite movie star. Through careful readings of every Poitier film, Goudsouzian shows that Poitier's characters often made sacrifices for the good of whites and rarely displayed sexuality. As the only black leading man during the civil rights era, Poitier chose roles and public positions that negotiated the struggle for dignity. By 1970, times had changed and Poitier was the target of a backlash from film critics and black radicals, as the new heroes of blaxploitation movies reversed the Poitier model. In the 1970s, Poitier shifted his considerable talents toward directing, starring in, and producing popular movies that employed many African Americans, both on and off screen. After a long hiatus, he returned to starring roles in the late 1980s. More recently, the film industry has reappraised his career, and Poitier has received numerous honors recognizing his multi-faceted work for black equality in Hollywood. As this biography affirms, Poitier remains one of American popular culture's foremost symbols of the possibilities for and limits of racial equality.

*Happy as a Big Sunflower* Rolf Johnson,2000-01-01 In 1876 Rolf Johnson and his family left Illinois for Phelps County, Nebraska. There they faced the challenges of pioneering on the Great Plains: digging wells, building sod houses, plowing and planting crops, and fighting prairie fires. Johnson's diary goes beyond individual conquest, however, and provides insight into the great cooperative endeavor of plains settlement. Rolf's Swedish family and neighbors worked and socialized with other Swedes just as nearby Danish settlers remained in close physical and cultural contact with other Danish immigrants. A very eligible nineteen-year-old bachelor, Rolf also offers touching vignettes on the rituals of courting. Abruptly, with no explanation in his diary, and with no itinerary or prospects, Rolf left home in 1879 with the intention of going west for a season. His departure may have been sparked by the marital fervor exhibited by a female suitor. Rolf felt he was not quite prepared to leave the state of single blessedness for that of double misery. In Sidney, Nebraska, he ran with the sporting element, who showed him photographs of fast women of the town stark naked. He found employment with a wagon freighter headed for the Black Hills, where he saw Calamity Jane in action. Rolf's education continued until the diaries end in Cubero, New Mexico, in 1880. He returned to Phelps County in 1882 and remained there for most of his life. Rolf's lively diaries offer an entertaining eyewitness account of pioneer life and an unmatched resource for historians.

Sidney Poitier Black and White Philip Powers,2020-12-27 When you mention the name Sidney Poitier many Hollywood fans will remember fondly To Sir, with Love or Guess Who's Coming to Dinner. These were ground-breaking films for many reasons, not least for the way in which they solidified Poitier's place as a black icon.In these times, the world has seen afresh the challenges faced by people of colour in the United States and other western nations. There is nothing new in this struggle. Poitier's acting roles of the 1960s created a particular dilemma for him. Except for one or two decisions, he carefully selected characters which would reflect his own life experience, struggles and desire for radical change.Over the decades, he has become a somewhat reluctant icon, put on a pedestal by a generation of black celebrities and film stars for choosing roles that gave both black and white Americans an alternative picture of society. Too perfect for some, too imperfect for others, his work attracted critical opinion that was as differentiated as black is to white.This book takes a look at Poitier's early life and work in the 1960s and early 70s, the people who influenced his career and a fascinating sample of the contemporary critical views.In the beginning Poitier was a supporting actor in films with Hollywood stars such as Clark Gable and Tony Curtis. In 1964 he won an Oscar as Best Actor in Lilies of the Field. A few years later he was in the box office hit Guess Who's Coming to Dinner, co-starring with the legendary Spencer Tracy and Katharine Hepburn. Five years after that he was the first-time film director of a ground-breaking Western, Buck and the Preacher.The transition from popular black actor to acceptance as a director was challenging.As an actor-director he had multiple hits in the 1970s with Uptown Saturday Night, Let's Do It Again and A Piece of the Action. His biggest hit was Stir Crazy in 1981 starring Gene Wilder and Richard Pryor. The Sidney Poitier-directed film eventually grossed almost a \$100 million in American theaters alone.Philip Powers' book Sidney Poitier: Black and White explores the events in the sixties in the United States where Poitier was occasionally a minor player, where Poitier was a teenage bystander for many years as his life was swept up in black-white confrontations. It looks at the people in Hollywood - like Stanley Kramer - who were responsible for addressing the big issues of the period. It explores the lives of people Poitier knew well and worked with in the volatile environment of that period in America. It describes the racism Poitier endured when he couldn't eat in certain restaurants or stay in particular hotels. When a policeman put the muzzle of a gun to Poitier's forehead and threatened to shoot him.As part of Poitier's journey he became involved in the civil rights movement in the 1960s lending his supporting to Dr. Martin Luther King, Jr. He worked with his friend Harry Belafonte, a pop superstar, who marched with Dr. King on many occasions, to demand societal change for African Americans.Black and White explores these events using the words of the media to illustrate Poitier's journey from a poor black boy to a black icon, an inspiration to millions of black people who didn't know it could be done.
