Si-cology 1 Si Robertson, 2014-12-16 A star of the hit A&E show Duck Dynasty brings together his best tall tales, crazy exploits and quirky one-liners in a single raucous collection.

Happy, Happy, Happy Phil Robertson, 2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, "Faith, family, ducks—in that order." It isn't often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil's is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the "good life" he always wanted. If you ever wind up sitting face-to-face with Phil, you'll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you've watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a

responsible work ethic and an active faith. But what you don't know is his life before the show. In the pages of this book, you'll learn of Phil's colorful past and his wild road to the "happy, happy, happy" life he leads today. Before the "happy," Phil's passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of "romping, stomping, and ripping" for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a "called" man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you'll find stories that will shock you, as well as those that will inspire you. You'll get to know the man behind the legend, and you'll come away better for it.

The Duck Commander Family Willie Robertson, Korie Robertson, 2014-08-12 Presents a behind-the-scenes look at the Robertson family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television.

Young and Beardless John Luke Robertson, 2016-05-17 John Luke Robertson may be young and beardless, but he has a lot to say about growing up and discovering your purpose. John Luke Robertson, the oldest son of Willie and Korie Robertson and brother of Dancing with the Stars sensation Sadie Robertson, shares his story of what it's like to grow up as a Robertson and all the fun and craziness that entails, as well as what he has learned as he has stepped out into his own unique experiences. He also shares what it's like to navigate the walk from boyhood to becoming a man. Topics in this book include friendship, kindness, dreaming big, embracing your God-given uniqueness, taking chances, and choosing mentors. John Luke speaks frequently on dreams (how to build a dream for your life), schemes (how to plan for your dream to come true), and building teams (choosing the people around you who will become a team that helps make your dream come true through their support, honesty, and care). He will incorporate these important guidelines into the

book, ultimately helping young people learn how to find and pursue a clear-cut purpose in their lives. Teens and young adults will enjoy reading his story, and they will benefit by reading Robertson's wisdom and perspective on how to grow up and live out your purpose. And, with the Robertsons, this book is sure to be fun!

The Women of Duck Commander Kay Robertson, Korie Robertson, Missy Robertson, Jessica Robertson, Lisa Robertson, 2014-04-01 The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.

Chancellorsville Staff Ride: Briefing Book [Illustrated Edition] Ted Ballard, Billy Arthur, 2014-08-15 Contains more than 20 maps, diagrams and illustrations Although Fighting Joe Hooker skillfully executes a well-conceived plan and out-flanks his adversary, months of offensive planning are shelved as he suddenly orders his

army on the defensive. Lee seizes the initiative and achieves what has often been called his most brilliant victory. How could this happen when Hooker's army outnumbered that of Lee 2 to 1 and is far superior in artillery and logistics? Answers to these and other questions concerning leadership, communications, use of terrain, and the psychology of men in battle, are often found by personal reconnaissance of the battlefield. This book offers a staff ride briefing of Chancellorsville. Since 1906 staff rides have been used to in the education of U.S. Army officers to narrow the gap between peacetime training and war.
