Sunset in Silvana Paul Sims,Robert Warr,2016-01-10 Talia is a Hero of Pregeor. Or is she? Why are they trying to kill her? Who are her friends? Who are her enemies? Sunset in Silvana is the first book in a Science Fiction saga of intrigue, horror and adventure. Ruine is a devastated planet. Millennia ago, during the war between the Forerunners and the Ancients, its moons were pulverised to form rings, and most of its atmosphere was burnt off. With a thin sulfurous atmosphere, it was not an attractive prospect for colonisation, but eventually a hardy group of pioneers managed to make its single remaining fertile continent habitable. Now, tensions between the two major territories on this continent, Zelyna and Telphania, are high. War seems inevitable. Talia Milanova and her friends had, they had been told, helped to evacuate refugees from Pregeor – not that they recalled it, the trauma of the disaster having wiped their memories. Now, people were trying to kill them, and strange memories were beginning to surface. Who were they really?

The Turning Belinda Mellor,2015 The seasons turn; Turning and Greening and one more Turning and Lesandor will reach manhood. Though I would keep him at home forever, I must not. He has hardly any friends his own age; he is forever in the woods. Lesandor of Deepvale, human son of a Silvanan mother, wants nothing less than the life his father, Fabiom, enjoys: to be loved by one of the beautiful and powerful Tree Ladies and to spend as much time in the Wildwood of Deepvale as possible. First he must discharge the debt incurred when the heir of Windwood lost his mind attempting the very same quest. But Lesandor is very much his mother's son, and while his grace and talents win him friends, they also bring trouble his way. Enamoured with his 'guest', the new holder of Windwood is very reluctant to let Lesandor return home at all. As Lesandor's life begins to unravel, he makes one, final, desperate attempt to reclaim control of his destiny. It is a decision that will face his father with an impossible dilemma: must Fabiom sacrifice his only child, or commit the ultimate atrocity?

Angelica Silvana La Spina,2022-11-22T00:00:00+01:00 Sono molti i romanzi che approfondiscono un personaggio letterario, raccontando una parte rimasta segreta che l'autore aveva deciso di tralasciare. Così Silvana La Spina torna a visitare Il Gattopardo, romanzo iconico e intoccabile della tradizione letteraria italiana, e va alla ricerca di Angelica: narrandone la vita, le passioni, i fallimenti. La figlia di don Calogero Sedara, amministratore dei feudi del principe di Salina, è una ragazzina come tante. Ma il padre, arrivista senza scrupoli, che fa affari loschi anche con i banditi locali pur di arricchirsi, la avvia a conoscere la buona società. Angelica diviene amica di Concetta, la primogenita del principe di Salina, va a studiare in un collegio raffinato di Firenze, incontra il giovane Tancredi, al momento garibaldino. Angelica è bella, Tancredi ha bisogno di soldi per fare carriera, così deciderà di sposarla, abbandonando la cugina Concetta con cui era vagamente fidanzato. A quel punto Angelica cambierà posizione nel mondo, divenendo principessa, una dama alla moda, bellissima, che legge, suona, si intende di arte. La sua vita si svolgerà a Palermo, a Roma, dove il marito fa di tutto per diventare deputato, anche con l'aiuto mafioso del suocero. Fino a Vienna, dove Angelica finirà per infiltrarsi nelle maglie della politica, aiutando l'imperatrice Sissi a risolvere un grave problema del figlio Rodolfo. Angelica è un romanzo moderno. Per Silvana La Spina, la Sicilia non è mai un pretesto, una maniera, una moda: è un cantiere aperto, un laboratorio di passioni scritte in una mappa letteraria originale e spiazzante. «Bisogna avere pazienza con la vita, mi sono sempre detta. E io di pazienza ne ho avuta tanta. È da qui che arriva quella che Tancredi chiama la mia forza?»

Carried by the Beat of Grace Silvana Torres,2020-03-31 My mother in law Hannah and I, were two people who God carried through difficult times in our lives but had different perspective. Hannah was thankful for her Godparents who gave her a place to stay while her mother was in care of relatives. As for me I was full of anger and hatred for my father leaving me with a strange relative who I never met before. Since my mother had passed this would be my new home. Hannah saw everything in God's eyes as for I saw everything in man's eyes. Through her, I became a better person. She taught about giving of yourself freely with nothing in return but love from Jesus.

My Colombian War Silvana Paternostro,2013-11-05 A timely, evocative account of a reporter's reckoning with her homeland's volatile past Growing up in the coastal city of Barranquilla, Colombia, Silvana Paternostro indulged in the typical concerns of a privileged young girl: friendships and parties, school and family. But soon it became apparent that life in Colombia would not go on as usual. Strange planes appeared overhead, the harbingers of the marijuana drug trade that would explode into cocaine wars over the next decade, and soon after, a disputed election would lead to demonstrations and kidnappings targeting the affluent landed elite—including Paternostro's family. A revolution was brewing, and the social inequalities reflected in her life would boil over into the most violent, most protracted, and most misunderstood civil war of our time. In My Colombian War, Paternostro journeys back to the place where her family and her closest friends still live, weaving authentic experience into a history of this ongoing conflict. Through interviews she allows us to witness the treacherous war zone that Colombia has become, projected on the daily lives of its citizens. Paternostro's book is a stunning, comprehensive narrative of Colombia's past and present.

Fruit of the Golden Vine Sophia French, 2016-02-01 Middle sister Adelina has remained aloof and amused by the string of suitors for her elder sister's hand—and dowry. Aware from the first that she has caught the lovely Adelina's interest, Silvana yearns to court her openly, but she and her brother are not what they seem. Moonlit nights in the summer gardens may lead to kisses and whispers of love, but she knows that the lady's heart will be lost forever if the truth is discovered. From Property to Person Silvana R. Siddali, 2005-03-01 Most historians accept the proposition that in the first two years of the Civil War the North's primary aim was to reestablish the Union and the Constitution, not to emancipate slaves. But when northerners began clamoring for the confiscation of southern land and slaves as a punitive, military, and revenue-raising tactic, the constitutional right to personal property, particularly human property, came into question. In *From Property to Person*, Silvana R. Siddali traces the resulting discourse among northern voters, politicians, military leaders, and President Lincoln, elucidating how emancipation ultimately became an essential political cause in the North. After the outbreak of civil war, many northern citizens demanded that slaves be seized as contraband without necessarily endorsing their emancipation. Siddali examines the public and political debates in the North over southerners' private property rights and explains how these deliberations set in motion the first major reconsideration of the Constitution since the Bill of Rights. Fundamental questions arose: Who had the right to control the war effort? What were the rights of rebellious citizens in a democratic Republic? How did one define human bondage that is implicitly protected in the nation's founding documents? Would the destruction of slavery irreparably damage the Constitution? Through the two Confiscation Acts of 1861 and 1862, the author argues, Americans worked out a conundrum between property rights and constitutionally protected civil liberties. The right of all human beings to freedom now trumped white southerners' right to human property. In a rich analysis of editorials, pamphlets, letters, and congressional speeches, *From Property to Person* reveals the swift transformation in rhetoric concerning the Constitution and its protection of private property rights. The Confiscation Acts paved the way for the Reconstruction Amendments by fostering support for a broader reach by the federal government into private property rights and envisioning a new interpretation of an individual citizen's rights and obligations.

Race in Post-Fascist Italy Silvana Patriarca, 2022-02-03 Through the untold stories of the biracial children born from the encounter between Italian women and Black Allied soldiers in the immediate aftermath of WWII, this original and engaging study sheds lights on the persistence of anti-Black prejudice and ideas of race in democratic Italy, stressing the legacies of colonialist and fascist racism.

Frontier Democracy Silvana R. Siddali, 2016 *Frontier Democracy* examines the debates over state constitutions in the antebellum Northwest (Indiana, Illinois, Iowa, Michigan, Minnesota, Ohio, and Wisconsin) from the 1820s through the 1850s. This is a book about conversations: in particular, the fights and negotiations over the core ideals in the constitutions that brought these frontier communities to life. Silvana R. Siddali argues that the Northwestern debates over representation and citizenship reveal two profound commitments: the first to fair deliberation, and the second to ethical principles based on republicanism, Christianity, and science. Some of these ideas succeeded brilliantly: within forty years, the region became an economic and demographic success story. However, some failed tragically: racial hatred prevailed everywhere in the region, in spite of reformers' passionate arguments for justice, and resulted in disfranchisement and even exclusion for non-white Northwesterners that lasted for generations.

Pink Society – The Northport Case Silvana Dionísio,2023-07-31 After the unforeseen disruption in his daily bread distribution, the Kildare Hall baker swiftly hopped into his van. While doing it, a nasty shiver went up his body as he spotted from the corner of his eye someone peering from the attic’s window. He rubbed his eyes and glanced at the window again, but the vision had disappeared. When he left the Thirteen that morning, he could not have imagined what had happened the night before at the typically quiet house nor suspected that the society of young activists that had gathered there fled in an undesired hurry to the most daring adventure of their lives. With a group of international criminals on their trail, will the group reach its final destination? Or is this trip destined for total failure?
