AN Whitehead

Unqualified Anna Faris,2018-10-02 A hilarious, honest memoir—combined with just the right amount of relationship advice—from the popular actress and host of the hit podcast Anna Faris is Unqualified. Anna Faris has advice for you. And it's great advice, because she's been through it all, and she wants to tell you what she's learned. After surviving an awkward childhood (when she bribed the fastest boy in the third grade with ice cream), navigating dating and marriage in Hollywood, and building a podcast around romantic advice, Anna has plenty of lessons to share: Advocate for yourself. Know that there are wonderful people out there and that a great relationship is possible. And, finally, don't date magicians. Her comic memoir, Unqualified, shares Anna's candid, sympathetic, and entertaining stories of love lost and won. Part memoir—including stories about being “the short girl” in elementary school, finding and keeping female friends, and dealing with the pressures of the entertainment industry and parenthood—part humorous, unflinching advice from her hit podcast, Anna Faris Is Unqualified, the book will reveal Anna's unique take on how to master the bizarre, chaotic, and ultimately rewarding world of love. Hilarious, honest, and useful, Unqualified is the book Anna's fans have been waiting for.

Ski Films Bryan Senn,2022-05-02 Skiing in movies, like the sport itself, grew more prevalent beginning in the 1930s, when it was a pastime of the elite, with depictions reflecting changes in technique, fashion and social climate. World War II saw skiing featured in a dozen films dealing with that conflict. Fueled by postwar prosperity, the sport exploded in the 1950s--filmmakers followed suit, using scenes on snow-covered slopes for panoramic beauty and the thrill of the chase. Through the free-spirited 1960s and 1970s, the downhill lifestyle shussed into everything from spy thrillers to beach party romps. The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen. This first ever critical history of skiing in film chronicles a century of alpine cinema, with production information and stories and quotes from directors, actors and stuntmen.

Victim and Victimizer Yiu-Wing Fung,2000-06-01 This book attempts an interesting exercise in character analysis. It scrutinizes the speeches of Joseph in such a way as to expose the problematic nature of his claims to know God's intentions. While Judah is forced by Joseph's test to choose slavery for the sake of his father's survival, the ironic reversal of Judah's role from victimizer to victim is undercut by the rationale by which he had Joseph sold in order to save him. Unwittingly, Joseph mistakes this rationale as a divine principle that undergirds his suffering and he dreams of domination for the same purpose of survival. He is unaware of Judah's real predicament and this double blindness calls into doubt the coalescence of perspectives of Joseph and the narrator.

The Pipil Language of El Salvador Lyle Campbell,2011-07-22 The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality. To discuss your book idea or submit a proposal, please contact Birgit Sievert.

A Educação Sexual de BB Bb Easton,2020-02-26 Ao escrever sobre os seus sentimentos e desejos mais íntimos num diário secreto, uma mulher vê a sua vida mudar radicalmente. “Após anos a tentar apimentar a minha vida sexual, desisti e comecei a escrever sobre as minhas fantasias e desejos num diário. Estava preparada para aceitar que o meu marido (o meu marido lindo de morrer pura e simplesmente não era o tipo intenso e arrebatado que eu tinha imaginado. E o que pensei foi: se eu não podia ter o tipo de paixão avassaladora que queria na vida real, então porque não canalizar a minha energia para a escrita? Era uma boa ideia, não era? Ninguém tinha de saber. Afinal, é para isso que existem os diários. Para guardar segredos.Agora, adivinhem só o que aconteceu...O meu marido encontrou o diário.E leu-o.E isto ainda fica melhor...Ele não só mostrou estar à altura da situação, como... subiu a parada!Foi mais forte do que eu, comecei imediatamente a testar os limites dele. E cada entrada do diário passou a ser pensada de forma a influenciar o seu comportamento. Correu tudo maravilhosamente bem... ou quase tudo. Como é que eu ia adivinhar que a maior surpresa da minha vida estava ainda por acontecer?”

4 homens em 44 capítulos BB Easton,2020-08-14 4 homens em 44 capítulos é um irreverente e espirituoso livro de memórias que resultou de experiências malucas, recheado de episódios divertidos e cenas muito, muito quentes. Inspiração para a série original da Netflix Sex/Life. Depois de anos tentando apimentar minha vida sexual, resolvi me contentar com um diário sobre aventuras do passado. Talvez meu marido, um nerd lindo e frio, só não fosse capaz de sentir a paixão que eu esperava, já que era totalmente diferente dos meus ex-namorados supertatuados e tarados. Bom, se eu não podia ter o amor que desejava na vida real, pelo menos podia escrever sobre ele no diário. Seria meu segredinho. Mas adivinha? Meu marido leu tudo. E sabe o que mais? Depois disso, ele foi tomado pela paixão, se é que você me entende. A partir daí, resolvi seguir o conselho da minha melhor amiga e usar o diário para manipular o comportamento dele. Eu só queria convencê-lo a: me dar um apelido fofo; me elogiar mais; fazer sexo selvagem e apaixonado; e fazer uma tatuagem completamente amadora do meu nome e/ou rosto em uma parte do corpo bem visível! Não é pedir demais, é? O que poderia dar errado? CONTEÚDO ADULTO

Making Place through Ritual Lea Schulte-Droesch,2018-09-10 Indian indigenous societies are especially known for their elaborate rituals, which offer an excellent chance for studying religion as practice. However, few detailed ethnographic works exist on the ritual practices of these societies. Based on long-term ethnographic fieldwork in Jharkhand, India this book offers insights into contemporary, previously not described rituals of the Santal, one of the largest indigenous societies of Central India. Its focus lies on culturally specific notions of place as articulated and created during these rituals. In three chapters the book discusses how the Santal make place on different local, regional and global levels through their rituals: They reaffirm their ancestral roots in their land during large sacrificial rituals. They offer sacrifices to the dangerous deities of the forest in exchange for rain. And they claim their region to be a Santal region through large festivals celebrated in sacred groves, which they link to national and global discourses of indigeneity and environmentalism. Through an analysis of the rituals of a specific society, this book addresses broader issues. It presents an example of how to study religion as a practical activity. It portrays culture-specific perceptions of the environment. And last, the book underlines the potential that lies in choosing place as a lens to study social phenomena in context.

The Winner's Curse... Dee Walker,2014-12-10 Power does not corrupt. Fear corrupts... perhaps the fear of a loss of power. -John Steinbeck Orphan Harsh makes it to the billionaire club with a burning vision, sheer intellect and the blessings of his political Godfather. The favours must now be paid back, through a huge Guru Dakshina. To honour his Master's wish, Harsh, with the help of his fellow IITians, sets out to create a never-seen-before governance technology that will change the face of democratic India. Everything is at stake: money, reputations, egos and morals. Even lives. Will they succumb to insatiable greed in the murky games of politics, backstabbing and subterfuge, or will they be redeemed by the “Ten Commandments” that once forged their ideals at college? If you thought that supreme technology and unalloyed power can bring lasting public good, or that e-governance and transparency can address the ills of our system, The Winner's Curse will force you to think again. For, ultimately, what's at stake is: YOU. The Winner's Curse: the turbulent voyage of talent and intellect in the morass of turpitude.

Exploring Exodus Nahum M. Sarna,1996-04-02 The book of Exodus records the pivotal events in the formation of biblical Israel—the deliverance from slavery, the leadership of Moses, the wilderness wanderings, and the giving of the Law at Mount Sinai. Bible scholar Nahum Sarna, whose widely praised Understanding Genesis has become a standard text, examines and illuminates the distinctiveness of the Exodus narrative in light of ancient Near Eastern history and contemporaneous cultures—Egyptian, Assyrian, Canaanite, and Babylonian. In a new foreword to this edition, Sarna takes up the debate over whether the exodus from Egypt really happened, clarifying the arguments on both sides and drawing us back to the uniqueness and enduring significance of biblical text.
