Crown of Betrayal Marie F. Crow, 2014-04-26 Award-winning, Bestselling author of The Risen series and Abigail and Her Pet Zombie, Marie F Crow, presents: Crown of Betrayal: The Sirens (Book 1). This is the first book of the mermaid fantasy series, The Sirens. A young adult, mythical adventure into a magical realm under the seas. Synopsis: Verona has lived in the safety and bliss of the palace and the luxury of what being a Siren means. Content to live her life in the shadows of her beautiful mother, Ostila, and the enchanting, dark beauty of her aunt, Morlena, Verona never thought about what life would be like should they be taken from her. At her mother's coronation, these once impossible thoughts become shockingly real. Corander has lived his life in the shadows of his father, Kurt. As the head of the Empradar bloodline, Kurt holds no mercy for those who fail him and even less for those he distrusts. When the palace falls to madness, it will be Corander who is tested by his father's desires and torn by his own. Together, Corander and Verona must discover who they really are, and who they are truly meant to become, before all is lost to hidden plots and Crowns of Betrayal.

Siren Queen Nghi Vo, 2022-05-10 Lyrical, mesmerizing, and otherworldly. . . stunning proof that Nghi Vo is one of the most original writers we have today. In every world, it was a kind of magic. “No maids, no funny talking, no fainting flowers.” Luli Wei is beautiful, talented, and desperate to be a star. Coming of age in pre-Code Hollywood, she knows how dangerous the movie business is and how limited the roles are for a Chinese American girl from Hungarian Hill—but she doesn't care. She’d rather play a monster than a maid. But in Luli's world, the worst monsters in Hollywood are not the ones on screen. The studios want to own everything from her face to her name to the women she loves, and they run on a system of bargains made in blood and ancient magic, powered by the endless sacrifice of unlucky starlets like her. For those who do survive to earn their fame, success comes with a steep price. Luli is willing to do whatever it takes—even if that means becoming the monster herself. Siren Queen offers up an enthralling exploration of an outsider achieving stardom on her own terms, in a fantastical Hollywood where the monsters are real and the magic of the silver screen illuminates every page. The Last Siren Lizzie Lynn Lee,2017-07-12 Garth They say I'm a disposable hero, bitter and well on my way to a path of self-destruction. But when my mentor, an eccentric admiral, sends me on a fool's errand, I remain pessimistic, unable to believe that a mystical winged-nymph, a siren, has crashed into a navy ship. That just fucking impossible. Until I see her with my own eyes. She's a ravishing beauty that bewitches me within moments of our meeting. When the news about the siren leaks to the media, the situation escalates into a full-blown manhunt, the Cerci government sending their finest headhunters to terminate the magical creature. By then I've found my purpose in life again and refuse to let anyone get between me and the woman I've fallen in love with. Maybe I don't know that she carries a dangerous secret as well, one that could threaten the existence of one and all. The secret that has made her the last of her kind. Well, do I care? I don't f*cking think so...

Given the givens, a normal life isn't in the cards. But when she meets Jace Winters, she finds herself wanting everything she knows she can't have. Old wounds have Jace staying as far away from Aspect—the power that runs in his family's bloodline—as possible. But when he meets Siren, he knows he's the only person alive well-versed enough in Aspect Theory to help her control her strange magic. He's incapable of turning her away, even if it means diving back into the very society he once swore he'd have nothing more to do with. Neither of them planned on falling in love, but you know what they say about the best laid plans...
