Siren Song Stephen Schwandt,2004-06-30 JP Griffin buys a small cabin cruiser and plans a carefree summer of boating on the waters surrounding Wisconsin's Door County peninsula, to escape the pain of a failed marriage. He learns the boat he purchased previously was owned by a respected Green Bay cop who had just been killed in a car crash, and learns the boat is full of dark secrets.

Siren's Song Michelle Manus,2021-01-05 He's her best chance of surviving the nightmares that hunt her...if her unpredictable magic doesn't kill him. Siren Savage doesn't stay in one place for longer than six months. Nightmare creatures stalk her footsteps, and the man who controls them is hellbent on taking her magic for his own. Given the givens, a normal life isn't in the cards. But when she meets Jace Winters, she finds herself wanting everything she knows she can't have. Old wounds have Jace staying as far away from Aspect—the power that runs in his family's bloodline—as possible. But when he meets Siren, he knows he's the only person alive well-versed enough in Aspect Theory to help her control her strange magic. He's incapable of turning her away, even if it means diving back into the very society he once swore he'd have nothing more to do with. Neither of them planned on falling in love, but you know what they say about the best laid plans...

Siren Tricia Rayburn,2010 After her sister's sudden death, seventeen-year-old Vanessa investigates a series of inexplicable drownings off the coast of Winter Harbor, Maine, and uncovers an unimaginable secret that changes everything.

Dark Water: A Siren Novel Tricia Rayburn,2012-07-10 The sea is calling, but the reluctant siren will do anything not to answer. . . . A year after the events that killed her sister and turned her into a siren, Vanessa is desperately trying to put her family back together and reclaim a “normal” life. But no matter how many times she swims, or how much salt water she drinks, she can feel herself getting weaker and weaker. She has no idea how to survive as a siren and she doesn't want to know the truth about her newly discovered identity. It's just too horrifying. Then her biological mother shows up at her summer house in Maine—she is one of the Nenuphars, the most powerful of all sirens. She promises that she wants to help the daughter from whom she's been separated for far too long. But is she to be trusted? Now Vanessa must face the harshest reality of all—to survive she must endanger and injure others—but is that any sort of life? Chilling and romantic, *Dark Water* explores questions of identity as old as the sea, and brings the Siren trilogy to a startling conclusion.

A Surplus of Sirens Amanda Creiglow,2021-08-18 Whoever takes the blame, humanity will pay the price. Elizabeth is adjusting to her new role as designated human arbiter for the supernatural community. Petty magical arguments? Now officially her jam. But when the Nymph of the North Wind is murdered and Elizabeth is tasked with deciding which siren tribe should pay for the crime, she's out of her depth—by a few thousand feet or so. Either way Elizabeth rules will devastate the planet. But it's hard to focus on finding a solution when her mother has been kidnapped and her boyfriend has decided that he won't let her keep secrets from him anymore. Elizabeth will need all her allies to get her through this one. But every ally comes with a cost—and the cause of this murder halfway around the world may be closer to home than she'd like to admit.

Siren's Song Mary Weber,2016-03-01 “The realization hits: We're not going to win. It's why I couldn't defeat Draewulf in Bron—because this power was never mine anyway. I drop my arms and let the energy die off. And turn around to Face Eogan. After a fierce battle with Draewulf, Nym barely escaped with her life. Now, fleeing the scorched landscape of Tulla, her storm-summoning abilities are returning; only . . . the dark power is still inside her. Broken and bloodied, Nym needs time to recover, but when the full scope of the shapeshifter's horrific plot is revealed, the strong-willed Elemental must race across the Hidden Lands and warn the other kingdoms before Draewulf's final attack. From the crystalline palaces of Cashlin to the legendary Valley of Origin, Nym scrambles to gather an army. But even if she can, will she be able to uncover the secret to defeating Draewulf that has eluded her people for generations? With a legion of monsters approaching, and the Hidden Lands standing on the brink of destruction, the stage is set for a battle that will decide the fate of the world. This time, will the Siren's Song have the power to save it?

The Siren Kiera Cass,2017-05-02 For use in schools and libraries only. Forced to work as a Siren and lure strangers to their deaths after being rescued from drowning by the Ocean, Kahlen falls in love with a human and defies the rules of her service in order to follow her heart.

Siren Song Leah Alvord,2011-09-12 Beauty. Grace. Song. The three core traits that make up the Sirens. Traits that create chaos and tragedy wherever they go, with every move that they make. To lose the effect, they are forced to give up its cause: their song. A pact was forged centuries ago in an agreement to stop singing. A pact that continues to be broken. Crevan is the name the three Sirens take when they move to Florence, Oregon as they once more try to escape what they are. Ariana is the eldest and most beautiful Siren sister. Her entire purpose in life is to care for her sisters. A purpose that continuously washes away who she really is. Shae is

the middle Siren and flaunts her differences in any way possible with little to no restraint. It is she that possesses the most grace and charm of the three. Both of which she uses to have a good time as often as possible. Kalina is the youngest sister with a tendency to screw up. Of the three traits cursed upon the Sirens, hers is the most potent and the most dangerous, for she has the greatest song. A song that pulses through her very blood and tests her control with each and every breath. Florence was another stop in their world. Another place to call home for no longer than eight years - if they were lucky. It was never meant to be more than a place to recover from the last fall. But Florence has more in store for the Sirens than they could have possibly foreseen. Once more, Kalina finds herself flirting with disaster when she befriends William James. A human male intent on gaining some form of satisfaction from the enigmatic creature he has found. Inevitably, Kalina finds herself falling for William, and her entire nature changes because of it. But her love is a betrayal in itself. Furious, her sisters are determined to do whatever they must in order to protect themselves. Now Kalina must fight the entire world in order to keep the one man who has become absolutely vital to her own survival.
