The Absolute Book Elizabeth Knox, 2022-02-03

DISCOVER THE ENCHANTING EPIC THAT WILL TRANSPORT
YOU TO OTHER WORLDS . . . 'AN INSTANT CLASSIC'
GUARDIAN 'BEWITCHING' THE TIMES 'MIND-BLOWING'
LAINI TAYLOR 'ASTOUNDING' FRANCIS SPUFFORD
'GORGEOUSLY WRITTEN' DEBORAH HARKNESS _____

Taryn Cornick barely remembers the family library. Since her sister was murdered, she's forgotten so much. Now it's all coming back. The fire. The thief. The scroll box. People are asking questions about the library. Questions that might relate to her sister's murder. And something called The Absolute Book. A book in which secrets are written - and which everyone believes only she can find. They insist Taryn be the hunter. But she knows the truth. She is the hunted . . . The Absolute Book is a tale of sisters, ancient blood, a forgotten library, murder, revenge and a book that might just have the answer to everything. _____ 'An instant classic . . . A work to rank alongside other modern masterpieces of fantasy such as Philip Pullman's His Dark Materials series or Susanna Clarke's Jonathan Strange and Mr Norrell. Everything fantasy should be: original, magical, well read, compelling' GUARDIAN 'Astonishing. Gripping. Hugely ambitious. An extraordinary conclusion. Admire the sheer scope and grandeur' DAILY MAIL 'A marvellous argument for stories. There are Norse gods, references to Merlin, a tour through purgatory and a strange parallel world where magic is real and humans are bit players in the clash of supernatural realms. Bewitching' THE TIMES 'Contains multitudes, spanning the

geographies of Canada, Britain and New Zealand; the cosmologies of fairies, demons and angels; and the genres of thriller, domestic realism and epic fantasy . . . I'm in awe of it' NEW YORK TIMES
Review of Books 'Intricately plotted and gorgeously written, THE ABSOLUTE BOOK has something for everyone . . . Here is a cinematic tale that is by turns dark and dreamlike, yet ultimately hopeful' DEBORAH HARKNESS, author of A DISCOVERY OF WITCHES 'Fantastical' THE TIMES
'Savour and absorb the world Knox conjures' SUNDAY TIMES
'Gorgeous. The payoffs and reveals are mind-blowing' LAINI TAYLOR, author of DAUGHTER OF SMOKE AND BONE
'An angelic book, an apocalyptic book, an astounding book' FRANCIS SPUFFORD

Nightbitch Rachel Yoder, 2021-07-20 In this blazingly smart and voracious debut novel, an artist turned stay-at-home mom becomes convinced she's turning into a dog. • A must-read for anyone who can't get enough of the ever-blurring line between the psychological and supernatural that Yellowjackets exemplifies. –Vulture One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her

temptation to give in to her new dog impulses peak, she struggles to keep her alter-canine-identity secret. Seeking a cure at the library, she discovers the mysterious academic tome which becomes her bible, *A Field Guide to Magical Women: A Mythical Ethnography*, and meets a group of mummies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, *Nightbitch* will make you want to howl in laughter and recognition. And you should. You should howl as much as you want.

The Blank Slate Steven Pinker, 2003-08-26 A brilliant inquiry into the origins of human nature from the author of *Rationality*, *The Better Angels of Our Nature*, and *Enlightenment Now*. Sweeping, erudite, sharply argued, and fun to read..also highly persuasive. --Time Updated with a new afterword One of the world's leading experts on language and the mind explores the idea of human nature and its moral, emotional, and political colorings. With characteristic wit, lucidity, and insight, Pinker argues that the dogma that the mind has no innate traits-a doctrine held by many intellectuals during the past century-denies our common humanity and our individual preferences, replaces objective analyses of social problems with feel-good slogans, and distorts our understanding of politics, violence, parenting, and the arts. Injecting calm and rationality into debates that are notorious for ax-grinding and mud-slinging, Pinker shows the importance of an honest acknowledgment of human nature based on

science and common sense.

Slate Nathan Aldyne, 2014-11-15 Boston's hottest new gay bar is making a killing in this mystery first published in 1984 that's "screamingly funny in the gayest way!" (The New York Times). Daniel Valentine is a gay bartender. Clarisse Lovelace is his straight pal. From Boston's gay underground to the fabulous beaches of Provincetown, they do everything together (well, okay, not everything). And between it all, they still find time to solve a few murders. When Clarissa is gifted a run-down building by her gay uncle Noah, she and Daniel decide to make a dream come true: opening their own gay bar. While Clarissa heads off to law school, Daniel gets busy turning their new bar into Boston's grooviest gay boite. In this exuberantly pre-AIDS world, everything seems perfectly peachy—until Daniel discovers a dead body at the disco.

Slate Deposits and Slate Industry of the United States Thomas Nelson Dale, 1906

The Point of Vanishing Howard Axelrod, 2015-09-22 Named one of the best books of the year by *Slate*, *Chicago Tribune*, *Entropy Magazine*, and named one of the top 10 memoirs by *Library Journal* Into the Wild meets Portrait of the Artist as a Young Man—a lyrical memoir of a life changed in an instant and of the perilous beauty of searching for identity in solitude On a clear May afternoon at the end of his junior year at Harvard, Howard Axelrod played a pick-up game of basketball. In a skirmish for a loose ball, a boy's finger hooked behind Axelrod's eyeball and left him permanently blinded in his right eye. A week later, he returned to the same

dorm room, but to a different world. A world where nothing looked solid, where the distance between how people saw him and how he saw had widened into a gulf. Desperate for a sense of orientation he could trust, he retreated to a jerry-rigged house in the Vermont woods, where he lived without a computer or television, and largely without human contact, for two years. He needed to find, away from society's pressures and rush, a sense of meaning that couldn't be changed in an instant.

Slate (Breaking the Declan Brothers, #2) Kelly Gendron, 2015-07-16 First loves, we've all got them. Mine is Slate Declan. He was kind, gentle and caring. Still, he managed to break my heart. So I put miles between us and eventually my heart healed. I haven't seen Slate in years but a couple of friends and I are going back to the bayou for the summer. While I'm visiting my hometown, I'm going to look up Slate. And I plan to break his heart just as he did mine.

Slate Run Annual James Slattery, 2016-09-05 Slate Run Annual Vol. 2 Slate Run Publishing presents their second collection of unique voices drawn exclusively from the upstate region of New York. An eclectic collection spanning multiple genres from: Daniel P. Bear, Kevin Buchan, Christine Ford, Richard Hartshorn, Michael Joseph Kuehn, Coleen Maloney, J. S. McInroy, Maria Palmara, Laura Pierson, Edward K. Ryan, Ryan Smithson, Eric Staudt, and Sam Wickstrom.

The House on Sprucewood Lane Caroline Slate, 2002-03-26 From the outside, some families appear to be untouchable. No conflicts within could cause ugliness or bitterness; no external

force could shatter their assured, confident aura. The world saw the McQuade family through such a prism -- a slice of suburban perfection, a page-from-a-magazine existence for Melanie and Tom McQuade and their two gifted children. But Melanie's sister, documentary filmmaker Lex Cavanaugh, knows that nothing is as it appears; the truth of any picture lies in the eye of the beholder. And soon an unthinkable crime will shake Lex to the core, challenging everything she has known about her estranged family -- and herself. Lex receives the wrenching news in an urgent e-mail from her nephew, Jared: his ten-year-old sister Calista, a talented gymnast with Olympic potential, has been found murdered. Rushing from her home in London to Melanie's house in exclusive Westport, Connecticut, Lex re-enters a family living out its worst nightmare -- with each of the members cast in the light of suspicion, even among themselves. As the homicide investigation unfolds, a startling, unexpected group portrait reveals itself: Lex's obsessive, controlling sister, her TV-personality brother-in-law, and the intensely unhappy young Jared, in whom Lex sees her childhood self. Sifting through a decade of hidden indiscretions, raw resentments, and buried truths, Lex knows she must unlock the secrets of the past if there is any hope at all for their future. With a fresh voice and an unsparing eye, Caroline Slate has crafted a literary gem that is at the same time a tense, disarming psychological thriller in the tradition of Jacquelyn Mitchard and Ruth Rendell -- a page-turner that exposes the chilling, entangled secrets which may tear one

family apart.

Antkind Charlie Kaufman, 2021-07-06 The bold and boundlessly original debut novel from the Oscar®-winning screenwriter of *Being John Malkovich*, *Adaptation*, *Eternal Sunshine of the Spotless Mind*, and *Synecdoche, New York*. **LOONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** • “A dyspeptic satire that owes much to Kurt Vonnegut and Thomas Pynchon . . . propelled by Kaufman’s deep imagination, considerable writing ability and bull’s-eye wit.—The Washington Post “An astonishing creation . . . riotously funny . . . an exceptionally good [book].”—The New York Times Book Review • “Kaufman is a master of language . . . a sight to behold.”—NPR **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND MEN’S HEALTH** B. Rosenberger Rosenberg, neurotic and underappreciated film critic (failed academic, filmmaker, paramour, shoe salesman who sleeps in a sock drawer), stumbles upon a hitherto unseen film made by an enigmatic outsider—a film he’s convinced will change his career trajectory and rock the world of cinema to its core. His hands on what is possibly the greatest movie ever made—a three-month-long stop-motion masterpiece that took its reclusive auteur ninety years to complete—B. knows that it is his mission to show it to the rest of humanity. The only problem: The film is destroyed, leaving him the sole witness to its inadvertently ephemeral genius. All that’s left of this work of art is a single frame from which B. must somehow attempt to recall the film that just might be the last great hope of civilization. Thus begins a mind-boggling journey through the

hilarious nightmarescape of a psyche as lushly Kafkaesque as it is atrophied by the relentless spew of Twitter. Desperate to impose order on an increasingly nonsensical existence, trapped in a self-imposed prison of aspirational victimhood and degeneratively inclusive language, B. scrambles to re-create the lost masterwork while attempting to keep pace with an ever-fracturing culture of “likes” and arbitrary denunciations that are simultaneously his *bête noire* and his *raison d’être*. A searing indictment of the modern world, *Antkind* is a richly layered meditation on art, time, memory, identity, comedy, and the very nature of existence itself—the grain of truth at the heart of every joke.

Laura Lamont's Life in Pictures Emma

Straub, 2012-09-04 A Bookpage Best Books of 2012 pick The enchanting story of a midwestern girl who escapes a family tragedy and is remade as a movie star during Hollywood’s golden age. In 1920, Elsa Emerson, the youngest and blondest of three sisters, is born in idyllic Door County, Wisconsin. Her family owns the Cherry County Playhouse, and more than anything, Elsa relishes appearing onstage, where she soaks up the approval of her father and the embrace of the audience. But when tragedy strikes her family, her acting becomes more than a child’s game of pretend. While still in her teens, Elsa marries and flees to Los Angeles. There she is discovered by Irving Green, one of the most powerful executives in Hollywood, who refashions her as a serious, exotic brunette and renames her Laura Lamont. Irving becomes Laura’s great love; she becomes an Academy Award-

winning actress—and a genuine movie star. Laura experiences all the glamour and extravagance of the heady pinnacle of stardom in the studio-system era, but ultimately her story is a timeless one of a woman trying to balance career, family, and personal happiness, all while remaining true to herself. Ambitious and richly imagined, *Laura Lamont's Life in Pictures* is as intimate—and as bigger-than-life—as the great films of the golden age of Hollywood. Written with warmth and verve, it confirms Emma Straub's reputation as one of the most exciting new talents in fiction.

Slate as Dimension Stone Jörn Wichert, 2020-02-20
This book offers a comprehensive review devoted exclusively to slate as dimension stone. Beginning with a description of the slate as dimension stone, the book describes the origin of slate and related geological phenomena. It thoroughly explains key data acquisition methods and techniques, which are accompanied by extensive data. In turn, slate standards are introduced and compared with regard to their importance for product quality. The book covers in detail the specific petrographical, fabric, strength, physical properties and weathering behaviour of slates. The chapter on mining and production provides an overview of the different forms of exploitation and related geotechnical aspects, together with production and workflow design, from the beginning to the final product. The second part comprises a thorough description of worldwide slate deposits and their geology, properties and appearance as well as a brief introduction of the history. Given its scope and accessible format,

the book represents an essential guide for scientists, engineers, and professionals in geology, conservation science, architecture, and mining, as well as readers who are active in the slate industry.

Slate Andrea Smith,2020-10-14 My name is Samantha. I'm thirty-five, and just sent my only child off to college. Now what? I married Jack in a shotgun wedding when I was just sixteen. My husband has been emotionally absent and abusive from the beginning. I think that was my excuse. Excuse for what? For what I did. If you want to judge me go ahead, but keep in mind that none of it was planned. It's just how things unfolded once I decided it was time I took control of my life, focused on myself, and took inventory of my marriage. I wasn't happy with what I found, and I could no longer ignore what my husband was doing to me and to our life. I gave it one last try to no avail. And then I became somebody else. I liked the way I felt as Diamond, a sexy pole-dancer at a Gentleman's Club. But Slate was no gentleman, let me tell you! Come take my journey. Adult Content.

Slate and Other Metamorphic Rocks Nancy Kelly Allen,2009-01-15 Presents an introduction to metamorphic rocks, discussing different types and their uses.

Devil House John Darnielle,2022-01-25 INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book you think it is. It's better." —Dwight Garner, The New York Times From John Darnielle, the New York Times bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the

dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. *Devil House* is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

The Best of Slate David Plotz, 2006

George W. Bushisms Jacob Weisberg, 2012-12-11 *
An hilarious collection of monumental gaffs and verbal faux pas from America's new President *
Jacob Weisberg is a regular guest on BBC Radio and a highly regarded political correspondent *
The new book is a natural follow-up to his previous book *BUSHISMS* (1992) a collection of misstatements by George Bush Snr.

Little Weirds Jenny Slate, 2019-11-05 One of
Vanity Fair's Great Quarantine Reads: Step into

Jenny Slate's wild imagination in this magical (Mindy Kaling), delicious (Amy Sedaris), and poignant (John Mulaney) New York Times bestseller about love, heartbreak, and being alive -- this book is something new and wonderful (George Saunders). You may know Jenny Slate from her Netflix special, Stage Fright, as the creator of Marcel the Shell, or as the star of Obvious Child. But you don't really know Jenny Slate until you get bonked on the head by her absolutely singular writing style. To see the world through Jenny's eyes is to see it as though for the first time, shimmering with strangeness and possibility. As she will remind you, we live on an ancient ball that rotates around a bigger ball made up of lights and gasses that are science gasses, not farts (don't be immature). Heartbreak, confusion, and misogyny stalk this blue-green sphere, yes, but it is also a place of wild delight and unconstrained vitality, a place where we can start living as soon as we are born, and we can be born at any time. In her dazzling, impossible-to-categorize debut, Jenny channels the pain and beauty of life in writing so fresh, so new, and so burstingly alive, we catch her vision like a fever and bring it back out into the bright day with us, where everything has changed.

Slate VI Utm Scribes,2021-04-22 An Undergraduate Collection of Creativity: Discover the limitless possibilities in storytelling Prose and poetry written, illustrated and photographed by UTM students, collected by UTM Scribes.

Lifeform Jenny Slate,2024-10-22 From actor, comedian, co-creator of Marcel the Shell, and New

York Times bestselling author of *Little Weirds*, Jenny Slate, a wild, soulful, hilarious collection of genre-bending essays depicting the journey into motherhood as you've never seen it before. What happened was this: Jenny Slate was a human mammal who sniffed the air every morning hoping to find another person to love who would love her, and in that period there was a deep dark loneliness that she had to face and befriend, and then we are pleased to report that she did fall in love, and in that period she was like chimes, or a flock of clean breaths, and her spine lying flat was the many-colored planks on the xylophone, but also she was rabid with fear of losing this love, because of past injury. And then what happened was that she became a wild-pregnant-mammal-thing and then she exploded herself by having a whole baby blast through her vagina during a global plague and then she was expected to carry on like everything was normal—but was this normal, and had she or anything ever been normal? Herein lies an account of this journey, told in five phases—Single, True Love, Pregnancy, Baby, and Ongoing—through luminous, laugh-out-loud funny, unclassifiable essays that take the form of letters to a doctor, dreams of a stork, fantasy therapy sessions, gossip between raccoons, excerpts from an imaginary olden timey play, obituaries, theories about post-partum hair loss, graduation speeches, and more. No one writes like Jenny Slate.
