Sleeves Skills Institute Press,2011-06-01 Roll up your sleeves and get ready to learn the best methods to construct and attach common sleeve designs, so they're balanced, straight, and attractive. Thinking about making a new dress or restyling an old coat to give it a contemporary look, but don't know which style of sleeve to use? The choices are seemingly endless and every good seamstress knows the design is in the details. Select-n-Stitch Fashion Elements: Sleeves will help you decide. Whether long, short or none at all, sleeves give shape, comfort, and style to your garments. The detailed instructions inside this handy guide will show readers how to sew both classic and trendy sleeves for shirts, dresses, and coats. Among the techniques included are making a sleeve for a tailored shirt, adjusting or restyling the pattern for a sleeve, and making a sleeve placket. By selecting the sleeve of your choice, you'll add the perfect detail to your own designs while defining your individual style.

Two Short Sleeved Ones And a Sweatshirt Pamela Devereueawax,2023-10-12 You are about to embark on a journey that will stimulate each and every one of your emotions and move your soul. This is one

victim's story of her ability to survive through years of relentless childhood, physical and sexual abuse, the affect it had on her, and how she has finally found the courage to share her life experiences in her quest to help others. Born and raised in a Midwestern town just an hour west of Chicago, Illinois, is a little girl with a big secret. A secret so enormous that the effect of it sends her on a roller coaster of a life. You are invited to jump aboard and take this ride with her as she recounts this story of her life. She will take you through the abuse, uncover the tools she used in her fight for survival, and reveal the catastrophic effects it has had on her life. Not to worry, it's not all doom and gloom. Not only does she share her lowest lows, but her highest highs as well. If there is one word to be chosen to describe this story, that word would be hope. This is one of the purposes of this book, to give hope to victims, to let them know they are not alone, and help them become survivors. With that being said, strap yourself in because you are in for one heck of a ride.
