

Slipknot

Corey Taylor

Slipknot Jason Arnopp,2011-05-31 The only plan right now is to kill everybody Joey Jordison, drummerIgnoring every rule in the book and more besides, Slipknot are a notoriously controversial band who combine a talent for outrage with their music. Reminiscent of the outlandishness of punk, 'nu metal' has become the fastest growing area in rock, with Slipknot selling over 2 million copies of their debut album. And yet Slipknot spit, swear and risk injury night after night in their extraordinary live performances. Incredibly, their apparel of masks and boiler suits, which they refuse to remove, means that their fans still do not know what they look like. Jason Arnopp, the first British journalist to interview Slipknot face to mask, describes the transformation of the Des Moines crew into unorthodox mega stars. Featuring an introduction by the legendary Gene Simmons of Kiss, this biography will be the first published on the band either in the UK or America and will include exclusive interviews and in-depth information on the mysterious nine masked men.

Slipknot: Dysfunctional Family Portraits Paul Harries,2015-05-11 Slipknot, the instantly-recognisable heavy metal band from Des Moines, Iowa, shot to fame after the release of their first album in 1999, grabbing the attention of millions of adoring fans, and some not-so-adoring conservative commentators. From the first, Paul Harries photographed them on stage, backstage and through artistic eyes, and Dysfunctional Family Portraits is a fascinatingly creative look at this distinctive band. The name Dysfunctional Family Portraits perfectly sums up the band, a dysfunctional melee of chaos and aggressive music, while the humans behind the monstrous masks remained truly close, and their camaraderie comes across in these intimate photographic portraits. The energy and chaos of their live shows is particularly well-captured by Harries' brilliant shots, showing them in their natural habitat: that of loud, sweaty, energetic and adrenaline-fuelled music. Throughout Dysfunctional Family Portraits, Paul Harries guides the reader on a journey from Slipknot's beginnings with their truly terrifying masks and red boiler suits, through their changing looks and their artistic developments. As Paul Harries says, being a rock photographer is not an easy task. You have to be able to capture personality and the essence of a musical style in a visual medium. But photographing Slipknot is a whole new endeavour, capturing masked madmen straight out of a horror film while maintaining order among the chaos must have been difficult, but the brilliance of this book is testament to his ability as a photographer. Featuring full colour photographs of Slipknot throughout their journey as a band, you will get to see exclusive backstage antics, dynamic shots of their legendary live shows, as well as hundreds of other behind-the-scenes pictures and words from Harries and members of the band. Perfect for a Slipknot fan, but also ideal for anyone interested in modern heavy metal music or even darkly comic theatrics. A ridiculously entertaining band, the vibrant photographs in Dysfunctional Family Portraits are full of life and full of the energy that Slipknot, as a band, have transmitted through their music.

SlipKnoT: ALL HOPE IS GONE Joel McIver,2012-03-07 With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits, Slipknot retained a mystique that was unprecedented in the metal world, never allowing their faces to become known - so that the focus would remain on their music. The first edition of this book published in 2001 followed the band from their inception in Des Moines, Iowa in the mid-1990s through to the release of their second album: an updated edition followed in 2003. It's now a decade since the first volume appeared, and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999. Everyone knows their faces now. The band's music is darker, deeper and more adult after four studio albums, three DVDs and a live release. Most strikingly, the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group, although their commercial profile is, if anything, greater than it was before. Slipknot: All Hope Is Gone explores this unlikely and tragic evolution, with new chapters covering the band's career to date - and it also asks what their future will be.

A Funny Thing Happened on the Way to Heaven Corey Taylor,2013-07-16 Slipknot and Stone Sour singer Corey Taylor's New York Times bestselling journey into the world of ghosts and the supernatural Corey Taylor has seen a lot of unbelievable things. However, many of his most incredible experiences might just shock you. For much of his life, the Grammy Award-winning singer of Slipknot and Stone Sour and New York Times bestselling author of Seven Deadly Sins has brushed up against the supernatural world. Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100,000 people at Download Festival or debuting at #1 on the Billboard Top 200. Since growing up in Iowa, his own curiosity drew him into situations that would've sent most people screaming scared and running for the hills. He's ballsy enough to go into the darkness and deal with the consequences, though. As a result, he's seen ghosts up close and personal, whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he was never one for Sunday Service. Simply put, he's seen ghosts, but he hasn't seen Jesus. Taylor especially can't find a reason why people do the insane things they do in HIS name. That's where everything gets really interesting. His second book, A Funny Thing Happened on the Way to Heaven, compiles Taylor's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always, his rapid-fire writing, razor sharp sense of humor, unbridled honesty, and cozy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.

Slipknot (Songbook) Slipknot,2000-09-01 (Guitar Recorded Versions). Our matching folio to Slipknot's eponymous major label debut features these Des Moines masked marauders at their mega-aggro best! Includes photos and note-for-note transcriptions with tab for 14 songs: Diluted * Eeyore * Eyeless * Liberate * Me Inside * No Life * Only One * Prosthetics * Scissors * (Sic) * Spit It Out * Surfacing * Tattered and Torn * Wait and Bleed.

You're Making Me Hate You Corey Taylor,2015-07-07 New York Times bestselling lead singer of Slipknot and Stone Sour's hilarious trawl through the endless backwaters of human stupidity Corey Taylor has had it. Had it with the vagaries of human behavior and life in this postmodern digital blanked-out waiting room that passes for a world. Reality TV, awful music, terrible drivers, megamalls, airports, family reunions, bad fashion choices, other people's monstrous children, and badly-behaved adult human beings are warping life in the twenty-first century into an often-unbearable endurance test of one's patience, fortitude, and faith. Funny, profane, blasphemous, and above all right on target, You're Making Me Hate You is pure Corey Taylor unleashed, exposing the underbelly of human depravity in all its ragged glory.

America 51 Corey Taylor,2018-09-04 A skewering of the American underbelly by the New York Times bestselling author of Seven Deadly Sins, A Funny Thing Happened on the Way to Heaven, and You're Making Me Hate You The always-outspoken hard rock vocalist Corey Taylor begins America 51 with a reflection on what his itinerant youth and frequent worldwide travels with his multiplatinum bands Slipknot and Stone Sour have taught him about what it means to be an American in an increasingly unstable world. He examines the way America sees itself, and likewise takes a look at how the world views us, and his findings should come as a surprise to no one. But behind Taylor's ranting and raving is a thoughtful and intelligent consideration, and even a sadness, of what America is compared to what it could and should be. Expertly balancing humor, outrage, and disbelief, America 51 proves that no element of what constitutes America is safe from Taylor's adept and scathing eye as he flawlessly skewers the greatest country in the world in his own signature style.

Slipknot Unmasked (Again) Joel McIver,2003 Slipknot Unmasked was the first major biography of the band, who had risen to chart prominence in 1999. The new updated edition covers various personnel changes that have occurred over the years, their unique image, frenzied stage antics, and the release of their platinum album Iowa .

Slipknot (Songbook) Slipknot,2012-10-01 (Bass Play-Along). The Bass Play-Along series will help you play your favorite songs quickly and easily! Just follow the tab, listen to the audio to hear how the bass should sound, and then play along using the separate backing tracks. The melody and lyrics are included in case you want to sing, or to simply help you follow along. Includes 8 songs: Before I Forget * Duality * The Heretic Anthem * Left Behind * My Plague * Spit It Out * Vermilion * Wait and Bleed.

It's All Clown's Fault Shawn Crahan,2014-05-22 9781476731995:A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Alabaster Kid/Slipknot David Noe,2017-04-08 TWO STORIES IN ONE BOOK! The Alabaster Kid: Beneath the Veil There is ugliness beneath the veil. It churns men's stomachs and turns their hearts to stone. Still they look. Still they search. Still they uncover the layers so purposely laid and fastened and tied. Why...? Because the wounds beneath the wraps need the air and the light in order to heal; the beasts cannot be tamed in the dark. We often hear the west was wild...Now find out why. Slipknot and the Golden Claw What happens when a man steps down, when gravity takes it course and the only thing stopping him from the stained wooden floor is a length of hemp tied to a ceiling beam? What happens when a man gives in to the final call and welcomes the embrace? What becomes of that man when even that fate is denied, when the beam breaks before the neck? When he rises, half crazed and half dead after his mind has already checked out, what stands in his place? What becomes of Mann when the surrender fails? We let the Slipknot take his place.

It's All Clown's Fault Shawn Crahan,2030-12-31 With seven Grammy nominations (and one win), four platinum albums, and headlining top metal music festivals like Download, Knebworth, Reading & Leeds, Rock Am Ring & Rock Im Park, to name a few, Slipknot is one of the most popular heavy metal bands of all time. Now the co-founder and driving force behind the music, percussionist M. Shawn Crahan, shares his story of being in the band-beginning with their early days on the Iowa local music scene and their journey to fame-as only someone on the inside can. Well-known for their aggressive music and energetic live shows, Slipknot has captivated their fervent fans since their first album released in 1999. Witnessing M. Shawn Crahan in his trademark clown mask, with his surreal onstage performances, and his passion for aggressive music, you'd think he was born a star, but he started as just a Des Moines drummer with a dream. In this memoir, Crahan recounts Slipknot's unpredictable ride to the top-a page-turning thrillride that is as wild and chaotic as the music itself.

Slipknot Linda Greenlaw,2007-06-19 The exciting debut of a snappy, spirited, and irresistible mystery series from beloved and bestselling author Linda Greenlaw In her bestselling nonfiction book All Fishermen Are Liars, Linda Greenlaw confessed a desire to write fiction -- and readers responded with an enthusiastic Please do! At last, she satisfies their hunger with this sharp-witted, compulsively readable mystery, the first in a series featuring marine investigator Jane Bunker. When Jane moves back to the sleepy Maine fishing community where she was born, it's to escape the seamy crime scenes and unsavory characters that crossed her path in Miami. Surely whatever crimes are committed in touristy, idyllic Green Haven wont involve anything as nasty as what she saw in Florida. It's a bit of a shock, then, when Nick Dow, the town drunk, turns up dead, and it's not the simple accident that everyone assumes it to be. Jane soon discovers that Dow wasnt even a drunk -- it was all an act. But why? And what does it have to do with a heated town hall meeting about fishing rights and paternity suits? The more Jane digs, the more confused she gets. Only two things are certain: Nothing is what it seems; and the whole town is in each other's business. But it's not until Jane impulsively hops on a boat with the killer -- a boat that suddenly heads out to sea -- that things become downright dangerous . . . As she proved in The Hungry Ocean, no one knows the sea like Linda Greenlaw. And as she proved in The Lobster Chronicles, no one has a better way with the telling details of Maine village life. This new mystery series features everything readers want: a great setting, wonderful characters, an authentic and original detective -- and a story that will keep them on the edge of their seats.

Slipknot Gary McKinney,2007-01-01 Slipknot is a mystery with an ecological twist, featuring Gavin Pruitt, Willapa County Sheriff and Deadhead. Black Bear Ridge, the last 1,000 acres of old-growth forest in Southwest Washington State, is up for sale. But when world-famous ecologist John Carpenter is murdered and his Environmental Impact Statement goes missing, the mystery is set in motion. Pruitts small town ways come under national scrutiny: How could a Deadhead get elected county sheriff in the first place? How could he possibly solve this crime? The suspects mount: a radical environmental group ANGER (A Noble and Green Earth will Remain); multi-national logging companies; an Asian timber cartel; and locals who see the old-growth as their economic salvation. Yet besides a ripping good mystery, Slipknot reveals the inner and outer character of Sheriff Gavin Pruitt. A Deadhead from the sixties, Pruitt may now be a cop, but he has not forgotten his roots. Daily, Pruitts dilemma is how to continue changing the establishment even as he has become the establishment. Pruitt loves the Grateful Dead, but he especially loves the lyrics to their songs, using them to help him makes sense out of what can often seem a chaotic and brutal world. Pruitt also deals with the loves in his life: his daughter, his girlfriend, and the mysterious and alluring Olwen Friday, a recluse living in a magical home on the edge of Black Bear Ridge. Plot twists begin to reveal a parallel to how people treat one another and how they treat the environment. Pruitt may or may not solve the crime nor save the forest, but his voice will resonate with readers as strong, soothing, and sane.

Seven Deadly Sins Corey Taylor,2012-07-03 For the first time, Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner. And Taylor knows how to sin. As a small-town hero in the early '90s, he threw himself into a fierce-drinking, drug-abusing, hard-loving, live-for-the moment life. Soon Taylor's music exploded, and he found himself rich, wanted, and on the road. His new and ever-more extreme lifestyle had an unexpected effect, however; for the first time, he began to actively think about what it meant to sin and whether sinning could--or should--be recast in a different light. Seven Deadly Sins is Taylor's personal story, but it's also a larger discussion of what it means to be seen as either a good person or a bad one. Yes, Corey Taylor has broken the law and hurt people, but, if sin is what makes us human, how wrong can it be?

Slipknot - Iowa Slipknot,2001-11 These numbered masked marauders are sicker, faster and heavier than ever on their 2001 release, named in honor of their home state. This songbook includes note-for-note tab transcriptions for 13 tunes: Disasterpiece * Everything Ends * Gently * The Heretic Anthem * I Am Hated * Iowa * Left Behind * Metabolic * My Plague * New Abortion * People = Shit * The Shape * Skin Ticket. PARENTAL ADVISORY: EXPLICIT LYRICS

Slipknot Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Slipknot PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home.

Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Slipknot PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Slipknot free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Slipknot Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
