Karol Ladd

*The Unbelievable Bubble Book* John Cassidy, David Stein, 1989

Explains how soap bubbles are formed and what can be done with them.

**The Bubble Boy** Stewart Foster, 2016-05-19 Winner of the 9+ category of the Sainsbury's Children's Book Award and shortlisted for the Branford Boase Award. What would you do if you could never leave your bubble? A poignant, heartwarming tale from inside the hospital walls that teaches children the importance of treating people with kindness and empathy. Perfect for fans of *Wonder* and *The Boy At The Back of the Class*. Amir is mad. He's crazy. But the hospital wouldn't let a crazy person in. They must have interviewed him and checked his qualifications. But maybe he didn't even meet them? Maybe he hasn't even come from India. He might have arrived on an alien spaceship and snuck in here in the middle of the night. Eleven-year-old Joe can't remember a life outside of his hospital room, with its beeping machines and view of London's rooftops. His condition means he's not allowed outside, not even for a moment, and his few visitors risk bringing life-threatening germs inside his 'bubble'. But then someone new enters his world and changes it for ever. **THE BUBBLE BOY** is the

story of how Joe spends his days, copes with his loneliness and frustrations, and looks - with superhero-style bravery, curiosity and hope - to a future without limits. Expect superheroes, super nurses and a few tears from this truly unique story. 'Poignant, hopeful and heartbreaking' Fiona Noble – Children's Editor, The Bookseller 'Deeply moving and utterly gripping . . . Stewart Foster carries off an astonishing feat of storytelling in this exceptional book' Julia Eccleshare, [lovereading.co.uk](http://lovereading.co.uk) 'A gripping and deeply moving book' Jamila Gavin, author of *Coram Boy* 'One thing we know about good books is their amazing ability to inspire empathy in the reader; to explore ideas and viewpoints that arise from experiences that are out of our own realm. The Bubble Boy does this with warmth, quirkiness and a light-hearted touch' The Guardian

**Bobbin Bubble** Kerrie Jane McCarthy, 2021-10-29 Welcome to Bobbin Bubble... my Bubble. A Bubble filled with pink, magic and a town full of wonderful characters. This has been my defense

mechanism, a shield from the Big Bad World and all the negativity it comes with. Throughout my continued battle with my Mental Health, the Bobbin Bubble has been my second home- a place that I created in my mind to keep me safe from the badness .With that... here comes the first rule of this book... No Negativity allowed. Everything you read within this books is a treasured piece of my imagination that exists purely to make me (and now hopefully, you) smile. Once you criticize, frown or mock, the bubble pops. The aim of this book is to put you back in touch with the imagination you had as a child and to help you relax back into the magic of what if where nothing is impossible. I believe if everyone had a bubble like this, the world would be a much happier place. So perhaps, hopefully, after reading this book you will create your own bubble and fill it with all of the things that make you giggle, or, if you prefer, you can just continue to share mine with me. I don't mind, you are more than welcome here. If you would like to see some more more of my insanity, please follow me @bobbincottage on instagram

**Smile** Sarah Ruhl, 2021-10-05 \* A People Best Book of the Year \* Time and The Washington Post's Most Anticipated List \* Longlisted for the Andrew Carnegie Medal for Excellence \* From the MacArthur genius, two-time Pulitzer Prize finalist, and playwright, this "captivating, insightful memoir" (Kirkus Reviews, starred review) is "a beautiful meditation on identity and how we see ourselves" (Real Simple). With a play opening on Broadway, and every reason to smile, Sarah Ruhl has just survived a high-risk pregnancy when she discovers the left side of her face is

completely paralyzed. She is assured that 90 percent of Bell's palsy patients experience a full recovery—like Ruhl's own mother. But Sarah is in the unlucky ten percent. And for a woman, wife, mother, and artist working in theater, the paralysis and the disconnect between the interior and exterior brings significant and specific challenges. So Ruhl begins an intense decade-long search for a cure while simultaneously grappling with the reality of her new face—one that, while recognizably her own—is incapable of accurately communicating feelings or intentions. In a series of piercing, profound, and lucid meditations, Ruhl chronicles her journey as a patient, wife, mother, and artist. She explores the struggle of a body yearning to match its inner landscape, the pain of postpartum depression, the story of a marriage, being a playwright and working mom to three small children, and the desire for a resilient spiritual life in the face of illness. An intimate and “stunning” (Publishers Weekly, starred review) examination of loss and reconciliation, “Ruhl reminds us that a smile is not just a smile but a vital form of communication, of bonding, of what makes us human” (The Washington Post). Brimming with insight, humility, and levity, *Smile* is a triumph by one of America's leading playwrights.

**Pop Goes the Bubble Trouble** Holly Anna,2018-09-04 When bubble creatures start disappearing from the World of Make-Believe, Daisy and Posey are on the case in this eighth Daisy Dreamer chapter book! When Posey spots the quarter vending machines with plastic bubbles filled with tiny toys at Daisy's local store, he tries to talk to them. But when they don't answer, Daisy explains that the bubbles are just toys in the real world. So Posey invites Daisy to the World of Make-Believe, where, of course, there's an entire world inside of those machines! Bubble creatures happily live in their plastic capsules, but it turns out there's a tiny problem. A giant has been "borrowing" those bubble friends! Can Daisy and Posey save those bubbles before they go pop? With easy-to-read language and illustrations on almost every page, the Daisy Dreamer chapter books are perfect for emerging readers.

*Bubble Kisses* Vanessa Williams,2020-05-05 From singer, actress, and dancer Vanessa Williams comes a sweet, sparkling story about a young girl whose beloved pet fish has wonderful, magical powers. She gives me bubble kisses, bubble kisses as she swims by in the water. She never misses with her bubble kisses. And I'm so glad I got her. A young girl adores her goldfish, Sal. But Sal is no ordinary pet: while she can't fetch a ball or curl up on a

lap, she can give bubble kisses that transform the girl into a mermaid and transport her to a world of underwater adventures. There, beneath the sea, they play, sing, and dance with other mermaids. The catchy, breezy, rhymed tale is perfect for bedtime, and the book includes a CD plus a link to a digital download.

*Smile for the Camera* Kelle James,2010-11-02 Kelle James ran away from an abusive home at the age of fifteen to the best place she could think of. New York City. She was going to be a model, rich, famous, and she was going to find people who treated her right. She had no idea what was in store for her and within three days she was homeless and broke. What follows is her exceptional story of trying to make it on her own with nothing to her name and no one to trust. She endures a string of people, mostly men, who take advantage of her youth and beauty, many disappointments and rejections, and the most famous murder trial of the 1970s. This is the story of a girl losing herself before finding her way in the city that never sleeps.

Heaven's Magic Bubble Machine T.L. Yuki, 2016-02-02

Heaven's Magic Bubble Machine introduces Tommy and Milo, his dog. They miss his Grandma Betty, who has gone to heaven. Tommy misses her loving hugs. Milo misses when she would go to the park to watch him play with Tommy. Miss Ellie, a kind neighbor, tells them a secret about grandmas--a magical secret. T.L. Yuki, known affectionately as Granny T, takes children into the lives of Tommy and Milo. She tells her story with words and pictures. As Tommy and Milo become better acquainted with Miss Ellie, they draw closer to that secret. One day she explains to Tommy, "Grandmas in Heaven have a special love and can magically send hugs and kisses down to their grandchildren. Do

you ever wake up in the morning with rosy colored cheeks?’ asked Miss Ellie. “‘Yes I do!’ Tommy told her. “‘That is because of the magic love of Grandmas,’ said Miss Ellie. ‘The reason your cheeks are rosy is because your Grandma floats down magic bubbles with hugs and kisses in them while you are sleeping.’” As you turn the pages of Heaven’s Magic Bubble Machine, you will discover the truth about magic and bubbles with hugs and kisses and grandmas with love for their grandchildren.

Smile! Denise Duhamel, 1993

Fireborn Katie MacAlister, 2023-07-19 What if a war was taking place under your nose? Two ancient races locked in a battle for survival. Which side would you take? Allegría appears to all to be nothing more than a simple priestess devoted to worship of the sun goddess. Hallow is a masterless apprentice. Deo was meant to save the world and bring the Fireborn and Starborn together in peace. But then invaders besieged the land of the Starborn, breaking the prophecy. Now Allegría has fled the priesthood, and wields the power of the sun. Hallow accepts the mantle of leadership he so long avoided. And Deo is tormented and tortured by the power of the invaders, using chaos itself to create an army that will drive the interlopers from the land, and bring about the

peace of the Fourth Age. The three unlikely heroes must learn to trust where there is suspicion, to believe where there is only doubt, and to fight when all hope is lost.
