Snow Angel Jamie Carie,2008-12-01 When Noah Wesley hears the faint sound outside his remote Alaskan cabin during a violent nighttime blizzard, it is no less than the voice of God that urges him to take a closer look, and discover there his snow angel. Unconscious and almost frozen to death, she is Elizabeth, a beautiful young woman, fragile yet fierce, intent on discovering gold like so many others rushing headlong toward the Yukon. But why would she chase it even through a pounding storm?

The Snow Angel Glenn Beck,Chris Schoebinger,2011-10-25 A picture-book edition of Glenn Beck’s tale of family, resilience, and love across distance, following in the footsteps of his #1 New York Times bestselling The Christmas Sweater. Though their disappointment is obvious, their grandmother tells them the story of a young girl whose family also went through hard times. Before her father has to leave to find work, he makes a snow angel, telling his little girl that no matter where he is, there will always be an angel looking out for her and her mother, helping the brother and sister realize the true meaning of family. Ultimately, it's a story of family, resilience, and knowing that the ones you love are never too far away.

Snow Angel Sharon Maria Bidwell,2016-12-03 Come out of the cold, into the warm ... Dean Chapman has always had a thing for April Reid, ‘the girl next door’, the woman he’s never had. What he doesn’t know is that while he made puppy dog eyes at her, her younger brother Jay spent time looking at him the same way. Now, years later, he considers the two Reid siblings as close friends, nothing more. Little does he know Jay is still in love with him, always has been, always will be, but he’s about to find out. When he does, it not only throws his sexuality into question, it shines an ugly light in his direction. Reacting as he often does, on impulse, he’s about to make an understandable but life-altering mistake ... and then he makes another one. Dean has to take a long look at himself and he isn’t sure he likes what he sees. He can’t remember being this arrogant, not to mention a control freak, and that’s only a few of the nicer things April Reid has taken to calling him in defence of her brother. Can he change? Does he want to? Does he even need to, or is it really just a question of making the right choice? It’s winter and snow is falling, but he doesn’t yet know which of them might yet be left out in the cold. If Dean isn’t careful, he might lose the one person who can take him just as he is, ego included.

Snow Angel, Sand Angel Lois-Ann Yamanaka,2022-01-04 A celebration of home, family, and finding beauty in your heritage, beautifully illustrated by the artist behind Anti-Racist Baby. Claire has been surrounded by the deep blue waves of Hapuna Beach and the magnificent mountains of Hawai'i all her life, but has never, ever seen snow. When her father drives her and her family to the top of the Mauna Kea, she can't help but to be disappointed...it's not the winter wonderland she's always dreamed of. And that's what she wants, more than anything. But as Claire edges ever closer to the new year, she wonders if maybe--just maybe--she can delight in the special joys of winter in her own way--right there, on her Big Island of Hawaii. Includes backmatter that captures the environmental culture of Hawaii, and will teach children not only about the local flora and fauna, but also the value of being environmentally friendly.

Snow Angels Volume 1 Jeff Lemire,2022-02-22 *2022 Eisner Award Winner - Best Digital Comic* Two of the most acclaimed comics creators of their generation—writer Jeff Lemire and artist Jock—together for the first time in this 10-part science fiction saga set in a brutal world like no other! Milliken and Mae have never left The Trench—it’s all they’ve ever known. They were born in The Trench, and they’ll die there, just like all their people do. The two girls, eight and eleven, are a part of The Trenchfolk, a sprawling settlement of people living inside the massive ice walls of a vast, seemingly endless frozen trench carved into the surface of an otherwise icy wasteland. The Trenchfolk survive in this hostile world by following The Three Testaments of The Trench—golden rules repeated like a mantra from birth to death... 1. YOU MUST NEVER LEAVE THE TRENCH. 2. THE TRENCH PROVIDES. 3. THE TRENCH IS ENDLESS. Milli and Mae don’t really know how their people came to live here. No one does, not even their wise and gentle Father. On Milliken’s twelfth birthday, their father takes the two girls on an overnight skate down the trench—a coming-of-age ritual to teach them how to fish the frozen river, how to hunt the wild Trenchdogs that wander its frigid banks, and how to give proper thanks to their frozen Gods—The Colden Ones. It’s the trip of a lifetime until the girls push beyond the borders of their humble land and awaken the Trench’s deadly defender...The Snowman! What follows next is an action-packed story of survival, loss and redemption. Collects issues #1–#4 of Snow Angels from the ComiXology original digital series in print for the first time.
