Fall of the Willow J E Frank, 2022-12-29 Do you want your kids to get better at math? How about getting them to listen more? Then don't buy my book cause they won't get anything else done while they're reading it. It's intense and action-packed. You'll never know who the bad guy really is until the end. It's a story about overcoming fears and failures, a story of trust, and most importantly a story about friendship. After all, isn't that what's most important? They thought it was just adventure but will his secrets lead the whole forest village to fall to the enemies? In the treetop elf village, Johan and his friend Elin love the excitement and dangerous heights. The games come to an end when an enemy invades the forest. Without knowing who they can trust, they take it upon themselves to decide what is best for their entire forest. Even the gods couldn't stop them from fighting for what they know to be right.

Monster Hunter Siege Larry Correia, 2017-08-01 #6 in multiple New York Times bestseller Larry Correia's Monster Hunter series. GO BIG OR GO HOME When Monster Hunter International's top hunter, Owen Zastava Pitt, was given a tip about some hunters who had gone missing in action, he didn't realize their rescue mission would snowball into the single biggest operation in MHI's history. Their men are being held prisoner in a horrific nightmare dimension, and the only way to reach them is through the radioactive ruins of a monster-infested war zone. As if that wasn't bad enough, it's also the home base of the powerful creature behind the devastating attacks on the Last Dragon and Copper Lake. It turns out ancient gods of chaos really hate trespassers. But this god picked a fight with the wrong crew, and now MHI wants payback. Calling on their allies, a massive expedition is formed, and with the odds stacked against them, a legion of hunters goes to war. It's D-Day at the City of Monsters. About Larry Correia's Monster Hunter series: "[E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow."—Jim Butcher "...once it grabs a hold of you it can be a tough fight to put [it] down." —iGeekOut "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read."—Bookreporter.com "If you love monsters and action, you'll love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book."—Knotclan.com "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books]...The plotting is excellent, and Correia makes you care about the characters...I read both books without putting them down except for work...so whaddaya waitin' for? Go and buy some...for yourself and for stocking stuffers."—Massad Ayoob "This lighthearted, testosterone-soaked sequel to 2009's Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts."—Publishers Weekly The Monster Hunter Series Monster Hunter International Monster Hunter Vendetta Monster Hunter Alpha Monster Hunter Legion Monster Hunter Nemesis Monster Hunter Siege Monster Hunter Memoirs: Grunge The Monster Hunters (Omnibus contains Monster Hunter International, Monster Hunter Vendetta, and Monster Hunter Alpha) **
