❏ [The Little Snowboy](#) Amos Knoll,2019-12 The miracle of life is all around us. To create life, we must have water, a heart, understanding, compassion, and faith.It was a moment in time when two holidays joined together on one special evening, December 24, 2017, to celebrate Christmas and Chanukah. It was a particular time when all things lined up. A perfect storm of love, sacrifice, unselfishness, with nature’s full fury of a blizzard combining to conjure a miracle. A boy made of snow and ice standing naked with nature’s full force upon him, while lightning was surging through the sky as part of a divine event, became Michael.

❏ [Paths and Journeys](#) Christopher Herodier Snowboy,2014 Like the light and the darkness of life, we all walk on both sides many times, taking our steps carefully and sometimes foolishly, where things may happen, either good, bad or both. I have walked in light and in darkness, and with those people who sometimes corrupted or enriched me. Nevertheless, they made me into the human being I am today. My elder friends and teachers of times past have shared with me their great knowledge and wisdom. Sometimes I get hit with a thought, a revelation, into what they taught me while they were still in my life. I sometimes cry tears of happiness knowing in my heart that they taught me well, and have helped me to become a teacher like they once were to me. Life is a great mystery, but it evolves around you. You choose where to go, and sometimes find what you seek. Other times, it is not at all what you were expecting. The stories within this book are exciting, sad, mysterious, maddening, and may touch you right to the core of your heart and soul. Live with me for a little while and let’s journey into the life of the ancestors and those who may have accompanied them....

What if the snow person happens to peek inside? Will they see a happy family gathering for dinner, or reading a bedtime story in front of the fire? Who is a snow person’s family? Snow Boy answers those questions as our hero, Snow Boy, heads off in search of where he truly belongs. Where is Snow Boy’s family? With the squirrels? No. With the beavers? Nope. With the big brown bears? Certainly not! Who can Snow Boy snuggle with? Who will take him in? How will Snow Boy find his perfect family? Find out, as the entire forest community bands together to find the perfect solution!
