Boy's Life Robert McCammon,2011-10-18 An Alabama boy's innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times–bestselling author of *Swan Song*. It's 1964 in idyllic Zephyr, Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It's a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He's certain he's sensed spirits whispering in the churchyard. He's heard of the weird bootleggers who lurk in the dark outside of town. He's seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon's Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper wire tightened around the stranger's neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can't. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he'll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. "Strongly echoing the childhood-elegies of King and Bradbury, and every bit their equal," *Boy's Life*, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).

Snowdown at the Old Schoolhouse Margaret Amatt,2023-11-18 Whatever happens this Christmas, they didn't forecast this! When charismatic and handsome weather presenter Marcus Bowman walks back into Willow Roxburgh's life three weeks before Christmas, her quiet job as an admin worker at the Old Schoolhouse residential care centre in Glenbriar is shattered. He's not only the man she used to crush on, he's also the one who thwarted her TV forecasting dreams. But she's no longer the anonymous studio assistant; she's secretly Scotland's new favourite weather forecaster, Rocky Rainman. With the Schoolhouse facing closure, Marcus is on an assignment to drum up festive support. However, he's discovered the internet sensation Rocky Rainman lives somewhere nearby and is determined to expose him after Rocky's recent damaging comments on social media. Seeing Willow, the girl he used to obsess over, shakes his priorities. When a blizzard hits, Willow and Marcus are snowed in, and she discovers her perception of him wasn't as accurate as her forecasts. Marcus isn't convinced it'll be a white Christmas, but he's determined to win Willow's heart. Can their new love weather storm if he discovers her secret? Because how can there be a future for Marcus Bowman and Rocky Rainman?
