

Snowman

Cynthia Rider

The Snowman Jo Nesbø,2010 The night the first snow falls a young boy wakes to find his mother gone. He walks through the silent house, but finds only wet footprints on the stairs. In the garden looms a solitary figure: a snowman bathed in cold moonlight, its black eyes glaring up at the bedroom windows. Round its neck is his mother's pink scarf.

Snowman Magic Katherine Tegen,2012-10-09 When George stays home from school for a snow day, he finds himself staring out the window, bored. But when he sees the beautiful white slopes in his yard, he gets himself dressed to face the cold weather. George starts rolling the snow into balls and assembling them into a snowman. After his snowman is made, something unexpected happens! How long will George's enchanted fun with his new friend last? In this original tale, Katherine Tegen has captured all the magic of the snowman, while Brandon Dorman's lush illustrations truly bring him to life.

A Perfect Snowman ,2007-10-23 Story about a snowman who receives the most perfect gifts of all.

The Christmas Snowman Margery Cuyler,2011-09-22 Two weeks before Christmas, Kevin and Sally decide to build a snowman. One night they look out the window and are amazed to see Mr. Snow—their snowman—making snow angels, sledding, and even skating on the pond. But when the weather warms up just before Christmas and Mr. Snow starts to melt, Kevin and Sally come up with a plan to save their friend by imploring the help of Santa Claus. Johanna Westerman’s elegant drawings compliment Margery Cuyler’s touching story to create a book that is perfect for children and parents to share during the holiday season. Ages 4-8.

The Biggest Snowman Ever Steven Kroll,2005 Clayton and Desmond both want to win the town snowman contest. As the day of the contest approaches, Clayton and Desmond join forces to build the biggest snowman ever.

All You Need for a Snowman Alice Schertle,2002 Lists everything that one needs to build the perfect snowman, from the very first snowflake that falls.

How to Catch a Snowman Adam Wallace,2020-10-06 A USA Today Bestseller! From the New York Times and USA Today bestselling How to Catch series comes a new winter adventure! Our heroes' entry for the snowman contest has magically come to life—and ran away! Can YOU help catch it? Get ready for snow much fun as you travel through a winter wonderland with running, skating, and bouncing through trap after trap to catch the snowman and claim the winning prize. Will the snowman teach our heroes a lesson they'll never forget? Who snows! This delightful picture book for ages 4-10 is filled with silly rhymes, fun art, and STEAM connections perfect for families and educators to enjoy this winter or as a holiday stocking stuffer. I don't thumpity-thump or give warm hugs—that's for my snowman friends to do. Clever kids will try to trap me, but who will catch me...YOU? Also in the How to Catch Series: How to Catch a Yeti How to Catch a Mermaid How to Catch a Dinosaur How to Catch an Elf How to Catch a Monster and more!

The History of the Snowman Bob Eckstein,2007-10-30 Who made the first snowman? Who first came up with the idea of placing snowballs on top of each other, and who decided they would use a carrot for a nose? Most puzzling of all: How can this mystery ever be solved, with all the evidence long since melted? The snowman appears everywhere on practically everything -- from knickknacks to greeting cards to seasonal sweaters we plan to return. Whenever we see big snowballs our first impulse is to deck them out with a top hat. Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun -- and finally, for the first time, one of the world's most popular icons gets his due. A thoroughly entertaining exploration, The History of the Snowman travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable white-trash years (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With more than two hundred illustrations and a special section of the best snowman cartoons, The History of the Snowman is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

The Snowman Raymond Briggs,Gail Ellis,1995-01-01 Ideal for the weeks leading up to Christmas.

Frosty the Snowman ,1992 The children create Frosty the Snowman and have great fun with him in the snow.

The Illustrated History of the Snowman Bob Eckstein,2018-09-01 A thoroughly entertaining exploration, this book travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable white-trash years (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With over two hundred illustrations, The Illustrated History of the Snowman is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

If Picasso Painted a Snowman (The Reimagined Masterpiece Series) Amy Newbold,2017-10-03 Maryland Blue Crab Honor Book 2018 A big, brightly colored, playful introduction to various important painters and art movements. If someone asked you to paint a snowman, you would probably start with three white circles stacked one upon another. Then you would add black dots for eyes, an orange triangle for a nose, and a black dotted smile. But if Picasso painted a snowman... From that simple premise flows this delightful, whimsical, educational picture book that shows how the artist’s imagination can summon magic from a prosaic subject. Greg Newbold’s chameleon-like artistry shows us Roy Lichtenstein’s snow hero saving the day, Georgia O’Keefe’s snowman blooming in the desert, Claude Monet’s snowmen among haystacks, Grant Wood’s American Gothic snowman, Jackson Pollock’s snowman in ten thousand splats, Salvador Dali’s snowmen dripping like melty cheese, and snowmen as they might have been rendered by J. M. W. Turner, Gustav Klimt, Paul Klee, Marc Chagall, Georges Seurat, Pablita Velarde, Piet Mondrian, Sonia Delaunay, Jacob Lawrence, and Vincent van Gogh. Our guide for this tour is a lively hamster who—also chameleon-like—sports a Dali mustache on one spread, a Van Gogh ear bandage on the next. “What would your snowman look like?” the book asks, and then offers a page with a picture frame for a child to fill in. Backmatter thumbnail biographies of the artists complete this highly original tour of the creative imagination that will delight adults as well as children. Fountas & Pinnell Level O

The Biggest, Best Snowman Margery Cuyler,2011 Nell is told by her BIG sisters and her mother that she is too small to help out, but everyone, including Nell, feels differently after her forest friends give her the confidence to build a large snowman.

Henry and Mudge and the Snowman Plan Cynthia Rylant,1999-10 Henry, his dog Mudge, and his father enter a snowman building contest at the local park and win third place.

The Little Snowman Jenny Giles,1996 A family build a big snowman together in winter.

A Really Good Snowman Daniel J. Mahoney,2005-10-17 Jack does not always appreciate his little sister's assistance, but comes to understand why she likes helping when she needs an extra set of paws to build her entry in the Shady Woods Snowman Contest.

Our Snowman Cynthia Rider,2013 We are making a snowman with a big red nose and big black eyes. Look at our big snowman!

The Best Snowman Margaret Nash,2002-06 When it starts to snow, Robby builds a different snowman of each of his neighbors. Mr. Perry thinks that his snowman is the best. Read the story to find out why.

Harold the Snowman Cliff Thompson,2014-10-22 From all appearances, Harold the Snowman looks just right. He has coal for a mouth, the customary pipe, a cozy scarf, and he stands tall at just the right height. But if you look closer, you'll see that Harold is shivering from the cold wind coming off the snow. You may even notice rivers of tears streaming from poor Harold's eyes. Harold is scared-but why? Can a snowman really be afraid of - snow? An incredible thing happens to Harold, something that makes him stop crying. A friend is just what Harold needs, and there's no better friend to a snowman in need than jolly old Saint Nick. Santa spies the sad snowman from way high above, quickly diverts his trip, and lands his sleigh next to Harold. As Harold catches his breath, dear old Santa Clause tells Harold something important. Harold may not be afraid of the snow after all. There may be something very important that can warm Harold's frightened heart. Can you guess what it is?

Sam the Snowman Susan Winget,2008-10-07 The littlest snowman, Sam, is trying as hard as he can, but he can't quite get the hang of making snow. Down in Countryville, Sarah and Tommy and their animal friends are counting on him to bring frosty flakes and fun to their chilly, gray forest. Sam is worried. Will he be able to do it?Joyous scenes show the little snowman as he tries and tries-and triumphs. Popular Americana artist Susan Winget paints sparkling pictures as she tells young children a story about the magic of giving.

Right here, we have countless book **Snowman** and collections to check out. We additionally have enough money variant types and with type of the books to browse. The enjoyable book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily approachable here.

As this Snowman, it ends happening brute one of the favored books Snowman collections that we have. This is why you remain in the best website to see the amazing ebook to have.
