Two Hands Matt Potratz,2018-01-10 Adversity is not an optional item on life's menu. We live in a fast and dangerous world. At some point, life won't go as planned. You will face adversity. A proper response to adversity, on the other hand, is optional. Life can turn upside down faster than we want to acknowledge. From the time an avalanche fractured to the time I was violently crushed into a tree and buried was twelve seconds. In a mere twelve seconds, I went from hero to zero. I was always the type that grabbed hold of life with both hands and made the best of it. I was known as one of the best sets of hands behind the handlebars of a snowmobile. Then life slid out. The avalanche nearly took my life, and I came out of a lengthy coma and recovery with a hand I can't use. By the hand of God and the amazing people in my life, I've never been without two hands. Check out the new unabridged audio version of Two Hands, narrated entirely by Matt with some special audio-only features. www.mattpotratz.com Also available on iTunes or Audible.
