🔍 [The Three Magical Books of Solomon](#), 2019-12-03 Finally in a single book, the Keys and Testament of Solomon are available together in The Three Magical Books of Solomon: The Greater and Lesser Keys & The Testament of Solomon. The Testament is a story of his use of magic to control demons and the Keys reveal his spells and methods. The Lesser Key of Solomon is a well-know grimoire which has the description of the 72 demons conjured by Solomon, along with illustrations of their sigils, and the instructions for how to summon them. It also lists spirits mingled of good and evil natures. The third book, attributed to the Apostle Paul, discusses the spirits allotted unto every degree of the 360 Degrees of the Zodiac; and also of the signs, and of the planets in the signs, as well as of the hours. Later on, Ars Almadel Salomonis provides instructions on how to create a wax tablet with specific designs intended to contact angels via scrying. This book also contains the prayers and orations of Solomon. The Key of Solomon the King is a very famous and important grimoire. It is divided up into two books. The first section includes various chants, spells, and curses to summon or restrain demons and the spirits of the dead. It also contains instructions on how to perform a series of magic spells. The second part describes purifications an exorcist should undergo, as well as on clothing and magical devices. The Testament of Solomon is about demons summoned by King Solomon, and how they can be countered by invoking angels and other magical techniques. It is one of the oldest magical texts attributed to King Solomon, dating first century A.D.

🔍 [Solomon's Song](#) Roberta Kells Dorr, 2013-12-18 Before Francine Rivers and Angela Elwell Hunt, there was Roberta Kells Dorr, author of Solomon's Song. With a degree in creative writing and a master's in religious education, Dorr is a gifted author of Christian fiction. ----- “Love is revealed more in our sorrow than in our joy.” — Solomon, from Solomon's Song King Solomon, adored son of King David, was once simply one of David's sons with no assurance of ever becoming ruler. On the edge of adulthood, Solomon's heart is captured by a lowly shepherdess, a young maiden chosen to serve King David in his later years. Solomon longs to marry her, but his mother, Bathsheba, wants the throne for him—and nothing would stand in the way. Feel Solomon's battle against family expectations, his steadfast fight against heartbreak, and his longing of first love.

🔍 [Bible Scenes](#) Stan J. Beiner, 1988 This book, written in a dramatic format, focuses on Jewish history from the period of Joshua through the time of Solomon. Parents and children can act out the different scenes together and then discuss them. The issues covered have many relevant contemporary applications.

🔍 [The Heart of a King](#) Jill Eileen Smith, 2019-04-30 King Solomon was wealthy and wise beyond measure. He could--and did--have anything he wanted, including many women from many lands. But for all his wisdom, did he or the women in his life ever find what they searched for all of their lives? In this engrossing novel, you'll find yourself whisked away to ancient Israel, where you'll meet Solomon and four of the women he loved: Naamah the desert princess, Abishag the shepherdess, Siti the daughter of a pharaoh, and Nicaula the queen of Sheba. As you experience the world of Solomon through his eyes and the eyes of these women, you'll ask yourself the ultimate question: Did Solomon's wisdom ultimately benefit him and those he loved . . . or did it betray them?

🔍 [King Solomon's Troubles](#) Zoe Senesh, 2013-06-04 This is the revised edition of a fiction book about ancient and modern Israel. King Solomon, of biblical fame, built the first temple in Jerusalem. Historical accounts say that he was extraordinarily wealthy and wise, that he had the ability to seduce any woman he wanted, and that he had seven hundred wives and three hundred concubines. He had it all so why did he always yearn for more? Rachel is a twenty-first-century enigma. A sex therapist with her own dark secrets, she spends her life helping others with their relationships. But her professional expertise hasn't magically healed her of her own pain and obsessions. The pursuit of happiness is just as challenging for her as it is for her clients. What's missing? Sarah is an American transplant to Israel whose confusion about men gets in the way of her desire to marry one; Fatima, a feminist Muslim who feels trapped in Jerusalem, knows she can have more; and Galit, a free-spirited Israeli woman, enjoys the company of men a little too much. These women are determined to live their lives as they wish to, by reaching for new ways to live in spite of tradition and the protests of their families. In an act of literary time travel, author Zoe Senesh spins tales of the human condition, attesting that as far as the heart is concerned, little has fundamentally changed since biblical times.

🔍 [A Commentary on the Song of Solomon](#) George Burrowes, 1853

🔍 [Impeccable Solomon?](#) Yong Ho Jeon, 2013-03-06 Solomon's idolatry, his murder of his political enemies, and his role in the breakup of the kingdom, which are bluntly presented in Kings, are omitted in Chronicles. Is King Solomon presented as impeccable in Chronicles, in stark contrast to his portrayal in Kings? Is Solomon idealized in Chronicles at the cost of honest writing of history? To this question, the consensus view says, Yes. However, Yong Ho Jeon takes a different route and maintains that the Chronicler's portrait of Solomon is much more nuanced than many suppose. Jeon employs a reader-sensitive approach that considers the biblical writer's intention to use his readers' prior knowledge and the reading process itself to present a portrait of Solomon. Applying this methodology results in a new interpretation of Solomon not only in Chronicles but in Kings as well.

🔍 [See You Yesterday](#) Rachel Lynn Solomon, 2023-06-06 After reliving the same day for months, eighteen-year-old Barrett reluctantly teams up with her nemesis Miles to escape the time loop, and soon finds herself falling for him, but what she does not know is what they will mean to each other if they finally make it to tomorrow.

🔍 [Daughter of the Nile \(The Loves of King Solomon Book #3\)](#) Jill Eileen Smith, 2016-09-06 Her father, the great pharaoh of Egypt, promised the renowned king of Israel anything he desired. She never could have imagined his desire would include her. Princess Siti is happy to let her older sister marry the crown prince out of duty to Egypt. She longs to marry for love--to a great man like those in the romantic poems she adores. But her mother wants her to wed her temperamental cousin, and only her father can overturn the arrangement. When news comes of Egypt's triumph over a distant Canaanite city, rumors spread that Israel's great King Solomon himself may travel to Egypt in order to make an alliance. Siti yearns to meet this fabled king, who is as handsome as he is wise, but she never dreamed she might be offered to him as a bride. Can she truly leave her beloved Egypt--and love the man who is tearing her away from all she's ever known?

It provides an exposé🔍 on the biblical texts of The Song of Solomon and the Lamentations of Jeremiah with rich explanations and interpretations.

🔍 [The Book of Wisdom of Solomon](#) King Solomon, 2021-05-08 In this centuries old biblical text, Solomon tells of his search for wisdom. He addresses the rulers of the earth, urging them to love righteousness and seek wisdom. In it he explains that the wicked people believe that all is mere chance and that they should enjoy each day unconcerned, but they are deluded.

🔍 [The Temple of Solomon](#) James Wasserman, 2011-11-08 A fully illustrated history of the Temple of Solomon • Examines the Temple of Solomon in the Hebrew Scriptures, the New Testament, and apocryphal writings • Explores its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and the teachings of Islam • Explains the sacred nature of the Temple Mount--the site of the Temple of Solomon--and the secrets that may still be hidden there • Richly illustrated, including many photos and images from rare archives The spiritual heart of many esoteric societies, the Temple of Solomon was located atop the Temple Mount in Jerusalem, a site venerated by the three great monotheistic religions as the intersection of divine and human. Built by King Solomon at the peak of ancient Israel's power, the Temple of Solomon housed the golden ark of the covenant in its holy of holies, a sacred chamber where one could communicate directly with God. Centuries after the temple's destruction, the Temple Mount was used as the headquarters for the Knights Templar during the Crusades, and countless legends have come down through the centuries about the secrets they may have uncovered there, including discovery of the Holy Grail or the Ark of the Covenant. Richly illustrated with biblical and Masonic illustrations, photographs, and ancient and modern paintings--many from rare archives--this book explores the Temple of Solomon in the Hebrew Scriptures, the New Testament, and apocryphal writings as well as its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and Muhammad's visionary journey from the Temple Mount through the heavens. Seeking to understand the powerful desire of many religions and secret societies to re-create the temple through ritual and prayer, James Wasserman explains why it was built, the magical forces King Solomon may have used in its creation, what its destruction meant for Jews and Christians alike, and why the Knights Templar as well as several modern secret societies named their orders after it. Detailing the sacred architecture of this perfectly proportioned mystical edifice through words and art, the author reveals the Temple of Solomon as the affirmation of God's presence in human affairs, the spiritual root of Western culture, and an important monument to the divine nearly forgotten in today's secular times but sorely needed to bridge the divide between our ancient past and our spiritual future.

🔍 [Solomon's Search](#) Eloise Rodkey Rees, 2004-05 Who hasn't looked up into the night sky at the millions of glowing distant stars and wondered whether we humans are really alone in the universe. For some, the answer to this question evokes an empathic yes, but to many more of us, the answer to this question is not quite so simple. To this select group of people, their minds and imaginations can only see the endless possibilities of intelligent life existing somewhere out there amongst the stars. This is a story about one such group of highly advanced space travelers who have been secretly visiting and mining our planet's many rich resources for centuries. Some of these beings aboard the space ship have even altered their appearances so that they can more easily blend in amongst us while they study our behaviors. After a mysterious underground accident aboard their space ship, their unrestrained technology suddenly turns upon them with deadly force. With time running out, they are forced to turn to us in desperation for their very survival. In the face of terrifying fear and overwhelming odds, love and courage manage to find a way to survive.
