Sona Sharma, Very Best Big Sister? Chitra Soundar,2021-09-14 Can Sona be the best big sister ever when she's not sure she even wants a baby sister or brother? Brimming with warmth and charm, this story set in India will resonate with new older siblings everywhere. Sona Sharma's house is full of three generations of people who joke often and argue sometimes. Relatives come over unannounced, the phone rings frequently, and friends drop by all the time. Then one day Amma tells Sona that she is going to have a baby. Is that good? Sona isn't so sure. She doesn't want to share her room or her things with a new baby, not to mention the attention of Amma, Appa, Thatha, and Paatti. And despite Amma's assurance that the sky always has room for new stars, Sona doesn't feel stretchy or bighearted like the sky. But when she learns there will be a baby-naming ceremony, she's determined to find the best name for her new brother or sister—one as nice as her own, a Hindi word for "gold." Perfectly pitched to young readers, this tale of warming up to change is followed by a glossary of words from India to explore in the story.

His sincere and gentle questioning nudge Awasthi's memories, and he narrates a tale that is not only fascinating but also unbelievably miraculous. The journey of reminiscence grants Awasthi a catharsis that redeems him of the anxieties of the past. He relinquishes to the young man, his most important memory, one that had shaken his mind and banished him from society as he grappled with insanity at having witnessed a supernatural phenomenon. *The Peacock Feather* explores an unlikely relationship between two people of different ages, threaded together by the revelation of an experience so profound, that once shared, it connects them forever.
