Sammy The Cat Goes Missing Willard B. Jameson Jr.,2013-11 It was a case of mistaken identity, that led Sammy the cat on an adventure of his lifetime. Head Cleaner David James Keaton,2023-01-31 **HEAD CLEANER** is a hugely original blend of thriller, science fiction, and horror that takes our love of nostalgia to task for its morbid obsessions with dead media and dead-end jobs: Clerks meets Black Mirror (with a little Groundhog Day and Russian Doll thrown in for good measure): The last Blockbuster video store in the United States is hanging on by a thread. And after a crazy night attempting to track down a lost VCR rental to collect the record-setting and internet-famous late fee, three employees, idealistic Eva, cinephile Jerry, and their tyrannical manager Randy, discover that this machine may actually have the power to change the endings of popular films, which, depending on the historical basis of the film, might also be changing the real world around them. Or could this just be an elaborate, increasingly deadly prank? When they begin receiving videotapes and voicemails seemingly depicting their deaths, Eva, Jerry, and Randy scramble to keep the VCR from falling into the wrong hands. And as one action-packed evening begins to seemingly

repeat itself (or does it?), scores are settled and unwanted confessions begin to fly, until a Final Girl finally unravels a grand psychological experiment orchestrated at the highest levels of a crumbling social media empire.

Windows on the World Frédéric Beigbeder, 2010-07-08 A daring, moving fictional account of the last moments of a father and his two sons atop the World Trade Centre on September 11.

I Fell in Love with Hope Lancali, 2023-06-20 The heart-wrenching TikTok sensation about a group of terminally ill patients who vow to live the rest of their lives to the fullest and find a love that transforms and transcends. Against the unforgiving landscape of a hospital, a group of terminally ill patients embraces the joys within their reach: friendship, freedom, rebellion. Each in their own way is broken; each in their own way is stronger for it. In the midst of pain and loss, they find community, even miracles, and together they are determined to reclaim from life what illness has taken from them. But a singular heartbreak has led one to swear off love forever. The risk of experiencing another tragedy feels too great. Yet, in this desolate place where it seems impossible for love to make an appearance, a door opens—and so do hearts.

Confessions of a Record Producer Moses Avalon, 2009 It started out as rage against self-serving insider, books by executives. Not until Moses Avalon wrote from the viewpoint of those on the creative side did we finally get a fair and balanced view of how the music business really works. It's been 10 years since *Confessions of a Record Producer* published real-life numbers showing what artists made on so-called hit records and how producers labels managers and even the artists' own lawyers conspire to cheat them out of royalties. Since then, *Confessions* has made it onto the required reading list in nearly all major music business programs around the world including NYU UCLA USC Full Sail and prestigious law schools like Loyola. It's stayed

in the top 10% of all books distributed by Amazon and won testimonials from top industry pros confirming that it's the only publication that tells the real story of how artists get ripped off and how they can protect their assets. Now in a special 10th Anniversary Edition author Moses Avalon one of the industry's most sought-after consultants and artist's rights gurus has put even more teeth-wrenching reality at the reader's fingertips. The anniversary edition has updates on all of the old shames and many new ones created by the internet and the ongoing transformation of the music industry. Highlights The only published critical analysis of the performing rights industry Detailed numbers on how new royalties from digital downloads are calculated, collected and manipulated The changing team. Once considered to be the immortal trio manager/lawyer/producer has now become webmaster/aggregator/viral marketer. Who to tool up with, and who is just a tool, are revealed deep inside the new so-called 360 Deals offered by the major labels. Are they a desperate attempt to stay alive or can artists finally get paid? Are CDs really dead or is it an RIAA manipulation? How long can we expect the industry standard to stay relevant? Plus a DVD-ROM containing private lessons from Moses Avalon's world-famous Confessions of a Record Producer Workshop a hot ticket every year for top music lawyers, managers, producers, artists and songwriters. Groundbreaking charts and graphs show industry consolidation, who owns what, and where the future of the music business is headed

Adobe Photoshop 6.0 Studio Techniques Ben Willmore, 2001 Adobe Photoshop 6.0 Studio Technique goes beyond rote instruction and provides the kind of personal insight and information that will truly help you understand and appreciate Adobe Photoshop. Author Ben Willmore, who has taught Photoshop to more than 6,000 users in his popular seminar, divides the book into three sections. Readers will start with the working foundations of Photoshop, learning the basic tools and palettes, and then move on to production skills, learning how to capture great scans and how to tweak images to perfection.
