**Soul's Edge** Randall Pollard,2018-07-25 Formerly one of the Blade Brothers, Malachi Parson was known as one of the best swordsmen in all of Concordia. When his sister is taken by an assassin to encourage Malachi to accept a challenge by a man named Azrael, Malachi goes on a mission to rescue her before it's too late. Armed with an enchanted sword given to him by his old teacher, he will meet new friends and allies, and a nightmare from his past returns to haunt him. In the end, all must lead to awakening the sword's power to defeat Azrael.

*The Soul's Edge* Eugene Lahort,2005-06-01 The Souls Edge applies to each and every one of us in one way or another. Through these works of poetry, you may find yourself where you are now, have been, or will be. If so, may these words provide the outlet that you may lack so that you are stronger for the sharing with a friend.

**Play at Soul's Edge** Sophia Amador,2016-10-09 Love on the edge. Soul deep. Danger. Elisa Gallardo was brought up to be a good girl. Or else. She gives up her bad boy crush to date Adrian Salas, high school class president. But behind his calm, studious persona, Adrian is secretly the leader of Tenebras, the gang behind a highly addictive new drug. Between undercover cops and rival gangsters determined to take Adrian down, Elisa's relationship puts her in more danger than ever before-even from her abusive parents. Now Elisa is trapped in a vicious drug war that will put her life-and all her morals-at risk. A powerful gangster has Adrian in his sights and doesn't care how many innocents he has to kill. Can Adrian escape the gang he himself created, or will Elisa find breaking the rules too alluring? In a race against time, Elisa and Adrian must make heart-wrenching choices to avert disaster, or neither of them will have a future at all, much less together. Sophia Amador's racy, fast-paced romantic thriller Play at Soul's Edge blends redemption, risk, and romance in a tale packed with twists and turns that will leave you questioning your definition of good and evil.

*On The Soul's Edge* Darren Finney,2020-06-30 If it meant restoring your soul, would you let it break your heart? On the Soul's Edge follows Henry Langston as he takes a soldier's journey of faith and pain. We watch him struggle with the consequences of death and loss, pain and forgiveness, drunkenness and rape, and lastly failure and redemption. While serving in the Marines in a time of war and conflict, Henry meets Silas Preacher Travers who throughout the story is revealed to know more about him than Henry would have guessed. It was a traffic accident that killed the love of Henry's life and drove him to enlist and it was Silas' father who had been driving. When his father took his own life out of grief, Silas and his sister, Mallory, were raised in the foster care system where life would take them into the care of Sancy. The woman who would eventually bring them into the church that was at the center of the whole story. The church where Henry would eventually return to deliver one last letter to Silas' niece.

*Dancing Around the Soul's Edge* Jeanette Dames,2015-03-09 Everyone comes to this planet with a set of friends, angels, family and perhaps pets to share the experiences they came to learn. We all have a Divine purpose inside us. It is there, lingering, growing, perhaps you are already living it but it is always there. Sometimes embracing it is easy, sometimes scary, often absolutely delightful. Finding YOUR purpose and listening to the guidance can be the tough part. After 13 years of listening, questioning the messages and then finally moving through all her fears, Jeanette created the life she came to create, moved into the work she came to do and now works to help you do the same. Dancing Around the Soul's Edge is her story, how she got fully into her Purpose and the surprising source of the answers she was seeking. This is an intriguing adventure story of how Ms. Dames learned to take some risks and trust in the spiritual guidance that was provided to her, which led to her living her dream. The reader will be drawn in and captivated by her close up and personal way of storytelling, in particular how she details her ongoing relationship with the river that she came to love so deeply. You'll want to savor each chapter and will find many ways you'll relate to her story. Dr. Steven Farmer

**Blue Eclipse Book II** Patrick Joseph, 2020-11-12 A poetic story rhyme that is a compilation of scripted youthful times. Within these pages is a shard from a greater story that chronicles the legacy of characters meant for the entertainment, each individually purposed for a grand design. And as the wheels of fate turn, each character will play their part, unable to understand the greater role they partake in within the great theatrics of the world play. Each figure within this are pulled from historical sources, past and present, with subtle liberties to flesh out the true nature of their character. So as disparate destined paths cross into the other and intersect, the fiery ambition they possess will become their sword while the purity of their immortal soul will become their shield, individually designed to protect a sincere dream, while defending their outer shell from being torn away from this mortal coil. And as each soul delves beyond the grip of the unfamiliar of their opening acts, a threshold would demand to be crossed as they individually, with warm hearts and open minds, yearn for meaning, as they individually await a glimpse of their true purpose, escaping the confines of ephemeral restraints to push to a space that exists beyond sight.

**Transnational Contexts of Culture, Gender, Class, and Colonialism in Play** Alexis Pulos, S. Austin Lee, 2016-12-24 This book examines the local, regional and transnational contexts of video games through a focused analysis on gaming communities, the ways game design regulates gender and class relations, and the impacts of colonization on game design. The critical interest in games as a cultural artifact is covered by a wide range of interdisciplinary work. To highlight the social impacts of games the first section of the book covers the systems built around high score game competitions, the development of independent game design communities, and the formation of fan communities and cosplay. The second section of the book offers a deeper analysis of game structures, gender and masculinity, and the economic constraints of empire that are built into game design. The final section offers a macro perspective on transnational and colonial discourses built into the cultural structures of East Asian game play.
