

South Korea

Yeon-Ho Lee

South Korea at the Crossroads Scott A. Snyder, 2018-01-02 Against the backdrop of China's mounting influence and North Korea's growing nuclear capability and expanding missile arsenal, South Korea faces a set of strategic choices that will shape its economic prospects and national security. In *South Korea at the Crossroads*, Scott A. Snyder examines the trajectory of fifty years of South Korean foreign policy and offers predictions—and a prescription—for the future. Pairing a historical perspective with a shrewd understanding of today's political landscape, Snyder contends that South Korea's best strategy remains investing in a robust alliance with the United States. Snyder begins with South Korea's effort in the 1960s to offset the risk of abandonment by the United States during the Vietnam War and the subsequent crisis in the alliance during the 1970s. A series of shifts in South Korean foreign relations followed: the “Nordpolitik” engagement with the Soviet Union and China at the end of the Cold War; Kim Dae Jung's “Sunshine Policy,” designed to bring North Korea into the international community; “trustpolitik,” which sought to foster diplomacy with North Korea and Japan; and changes in South Korea's relationship with the United States. Despite its rise as a leader in international financial, development, and climate-change forums, South Korea will likely still require the commitment of the United States to guarantee its security. Although China is a tempting option, Snyder argues that only the United States is both credible and capable in this role. South Korea remains vulnerable relative to other regional powers in northeast Asia despite its rising profile as a middle power, and it must balance the contradiction of desirable autonomy and necessary alliance.

Asia's Next Giant Alice Hoffenberg Amsden, 1989 South Korea has been quietly growing into a major economic force, even challenging Japan in some industries. This growth may be seen as an example of late industrialization and this book discusses this point.

The Japan-South Korea Identity Clash Brad Glosserman, Scott A. Snyder, 2015-05-26 Japan and South Korea are Western-style democracies with open-market economies committed to the rule of law. They are also U.S. allies. Yet despite their shared interests, shared values, and geographic proximity, divergent national identities have driven a wedge between them. Drawing on decades of expertise, Brad Glosserman and Scott A. Snyder investigate the roots of this split and its ongoing threat to the region and the world. Glosserman and Snyder isolate competing notions of national identity as the main obstacle to a productive partnership between Japan and South Korea. Through public opinion data, interviews, and years of observation, they show how fundamentally incompatible, rapidly changing conceptions of national identity in Japan and South Korea—and not struggles over power or structural issues—have complicated territorial claims and international policy. Despite changes in the governments of both countries and concerted efforts by leading political figures to encourage U.S.-ROK-Japan security cooperation, the Japan-South Korea relationship continues to be hobbled by history and its deep imprint on ideas of national identity. This book recommends bold, policy-oriented prescriptions for overcoming problems in Japan-South Korea relations and facilitating trilateral cooperation among these three Northeast Asian allies, recognizing the power of the public on issues of foreign policy, international relations, and the prospects for peace in Asia.

The Evolution of the South Korea-US Alliance Uk Heo, Terence Roehrig, 2018-09-27 A comprehensive look at the role of history, economics, security, threat perception, and domestic politics in the South Korea-United States alliance.

South Korea Christopher L. Salter, 2003 This book describes the history, geography, government, economy, people, and culture of South Korea.

Korea: The Impossible Country Daniel Tudor, 2012-11-10 South Korea's amazing rise from the ashes: the inside story of an economic, political, and cultural phenomenon Long overshadowed by Japan and China, South Korea is a small country that happens to be one of the great national success stories of the postwar period. From a failed state with no democratic tradition, ruined and partitioned by war, and sapped by a half-century of colonial rule, South Korea transformed itself in just fifty years into an economic powerhouse and a democracy that serves as a model for other countries. With no natural resources and a tradition of authoritarian rule, Korea managed to accomplish a second Asian miracle. Daniel Tudor is a journalist who has lived in and written about Korea for almost a decade. In *Korea: The Impossible Country*, Tudor examines Korea's cultural foundations; the Korean character; the public sphere in politics, business, and the workplace as well as the family, dating, and marriage. In doing so, he touches on topics as diverse as shamanism, clan-ism, the dilemma posed by North Korea, the myths about doing business in Korea, the Koreans' renowned hard-partying ethos, and why the infatuation with learning English is now causing massive social problems. South Korea has undergone two miracles at once: economic development and complete democratization. The question now is, will it become as some see Japan, a prosperous yet aging society, devoid of energy and momentum? Or will the dynamism of Korean society and its willingness to change—as well as the opportunity it has now to welcome outsiders into its fold—enable it to experience a third miracle that will propel it into the ranks of the world's leading nations regarding human culture, democracy, and wealth? More than just one journalist's account, *Korea: The Impossible Country* also draws on interviews with many of the people who made South Korea what it is today. These include: Choi Min-sik, the star of *Old Boy*. Park Won-soon, Mayor of Seoul. Soyeon Yi, Korea's first astronaut Hong Myung-bo, legendary captain of Korea's 2002 FIFA World Cup team. Shin Joong-hyun, the 'Godfather of Korean Rock.' Ko Un, poet. Hong Seok-cheon, restaurateur, and the first Korean celebrity to 'come out.' And many more, including a former

advisor to President Park Chung-hee; a Shaman priestess ('mudang'); the boss of Korea's largest matchmaking agency; a 'room salon' hostess; an architect; as well as chefs, musicians, academics, entrepreneurs, homemakers, and chaebol conglomerate employees.

The Park Chung Hee Era Pyŏng-guk Kim,Ezra F. Vogel,2011-04 In 1961 South Korea was mired in poverty. By 1979 it had a powerful industrial economy and a vibrant civil society in the making, which would lead to a democratic breakthrough eight years later. The transformation took place during the years of Park Chung Hee's presidency. Park seized power in a coup in 1961 and ruled as a virtual dictator until his assassination in October 1979. He is credited with modernizing South Korea, but at a huge political and social cost. South Korea's political landscape under Park defies easy categorization. The state was predatory yet technocratic, reform-minded yet quick to crack down on dissidents in the name of political order. The nation was balanced uneasily between opposition forces calling for democratic reforms and the Park government's obsession with economic growth. The chaebol (a powerful conglomerate of multinationals based in South Korea) received massive government support to pioneer new growth industries, even as a nationwide campaign of economic shock therapy-interest hikes, devaluation, and wage cuts-met strong public resistance and caused considerable hardship. This landmark volume examines South Korea's era of development as a study in the complex politics of modernization. Drawing on an extraordinary range of sources in both English and Korean, these essays recover and contextualize many of the ambiguities in South Korea's trajectory from poverty to a sustainable high rate of economic growth.

Rights Claiming in South Korea Celeste L. Arrington,Patricia Goedde,2021-05-27 An analysis of rights-based activism in South Korea, including case studies of women, workers, disabled persons, migrants, and sexual minorities.

'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

Nation Building in South Korea Gregg Brazinsky,2009-09-14 Brazinsky explains why South Korea was one of the few postcolonial nations that achieved rapid economic development and democratization by the end of the twentieth century. He contends that a distinctive combination of American initiatives and Korean agency enabled South Korea's stunning transformation. Expanding the framework of traditional diplomatic history, Brazinsky examines not only state-to-state relations, but also the social and cultural interactions between Americans and South Koreans. He shows how Koreans adapted, resisted, and transformed American influence and promoted socioeconomic change that suited their own aspirations. Ultimately, Brazinsky argues, Koreans' capacity to tailor American institutions and ideas to their own purposes was the most important factor in the making of a democratic South Korea.

The New Korea Myung Oak KIM,Sam JAFFE,2010-04-30 In 1953, South Korea was rated by the U.N. as the poorest country in the world. Five decades later, it is the fifteenth largest economy. Now, South Korea's decisions on how to manage its society and its role as a modern democracy-while also establishing its policy regarding reunification with North Korea-will determine where the country will go in the next fifty years. The New Korea examines the political, economic, industrial, and societal aspects of Korea today. Will it continue to enjoy an economic boom through new industries while competing against low-wage countries like China and India? Will it return to its role as a stomping ground for other powers? And what should Westerners pay attention to in terms of investment and business opportunities? As South Korea enters the most critical phase of its journey, it is crucial that we understand the factors involving its decisions and evolution. The New Korea is a fascinating account of what is and may become the state of this important region.

The State, Society and Big Business in South Korea Yeon-Ho Lee,2002-09-11 This book examines how the South Korean state is able to execute national policies that are opposed to the interests of social constituents, despite the expansion of social power. The relationship between the government and big business provides an illuminating example of this. The author demonstrates how Confucian values, the role of the family and a firm hierarchical tradition have prevented South Korea from developing a modern state on the Western model.

South Korea Bob Italia,2010-09-01 Presents information on the history, geography, economy, cities, people, and sports of South Korea.

In Pursuit of Status Denise Potrzeba Lett,2020-03-23 In this ethnography of the everyday life of contemporary Korea, Denise Lett argues that South Korea's contemporary urban middle class not only exhibits upper-class characteristics but also that this reflects a culturally inherited disposition of Koreans to seek high status. Lett shows that Koreans have adapted traditional ways of asserting high status to modern life, and analyzes strategies for claiming high status in terms of occupation, family, lifestyle, education, and marriage.

Gwangju Uprising Hwang Sok-yong,Lee Jae-Eui,Jeon Yong-Ho,2022-05-17 The essential account of the South Korean 1980 pro-democracy rebellion On May 18, 1980, student activists gathered in the South Korean city of Gwangju to protest the coup d'état and the martial law government of General Chun Doo-hwan. The security forces responded with unmitigated violence. Over the next ten days hundreds of students, activists, and citizens were arrested, tortured, and murdered. The events of the uprising shaped over a decade of resistance to the repressive South Korean regime and paved the way for the country's democratization. This fresh translation by Slin Jung of a text compiled from eyewitness testimonies presents a gripping and comprehensive account of both the events of the uprising and the political situation that preceded and followed the violence of that period. Included is a preface by acclaimed Korean novelist Hwang Sok-yong. Gwangju Uprising is a vital resource for those interested in East Asian contemporary history and the global struggle for democracy.

The Korean Paradox Marco Milani,Antonio Fiori,Matteo Dian,2019-05-24 Bringing together an international line up of contributors, this book examines South Korea's foreign policy strategies designed to cope with the challenges of the post-Cold War regional order and the emergence of a Korean paradox. Focusing on non-material factors in shaping the decision-making processes of primary actors, such as traditions, beliefs, and identities, this book begins by analysing the emergence of the Asian Paradox and explores how different political traditions have influenced South Korea's foreign and security policies. In the second part (from Chapter 4), this book goes on to deal directly with the key issues in South Korea's foreign policy today, with an emphasis on the progressive and conservative approaches to the challenges the country faces. This includes the North Korean threat, the alliance with the U.S., relations with China and Russia, the complicated relationship with

Japan, and the emerging role of South Korea outside of Northeast Asia. An innovative study of the domestic sources of South Korean foreign policy, *The Korean Paradox* investigates South Korea’s growing role at both regional and global levels. As such, it will be useful to students and scholars of Korean Studies, International Relations and East Asian Studies more generally.

The Koreans Michael Breen,1999–12–28 A look at Korea, the history of its people, and the country itself examines how far the Koreans have come and where their advances will take them in the future, as well as how they will effect the world.

Historical Dictionary of the Republic of Korea Andrew C. Nahm,James Hoare,2004 This dictionary presents a balanced and objective view of South Korea, providing a long perspective and covering varied aspects of South Korean life. Domestic, political, and social events, foreign affairs, economic and cultural developments, and the men and women who have influenced the country's history are reviewed in the more than 400 entries, many of which are new or have been updated from the first edition. The dictionary's chronology and historical narrative, also updated, cover the entire history of Korea for the benefit of readers who have little or no knowledge of the overall history of the Korean people. The extensive bibliography has been updated to include the most current and best books, journals, and websites, making this a valuable reference source for the scholar, student, and general reader.

The Failure of Democracy in South Korea Sungjoo Han,2022–05–13 This title is part of UC Press's Voices Revived program, which commemorates University of California Press’s mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1974.

South Korea Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific

titles or browse through different categories. Another reliable platform for downloading South Korea free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading South Korea free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading South Korea free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors

and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading South Korea. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading South Korea any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About South Korea Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. South Korea is one of the best book in our library for free trial. We provide copy of South Korea in digital format, so the resources that you find are reliable. There are also many Ebooks of related with South Korea. Where to download South Korea online for free? Are you looking for South Korea PDF? This is definitely going to save you time and cash in something you should think about.
