

Spartak

Robert Edelman

Spartak Moscow Robert Edelman, 2012-10-05 In the informative, entertaining, and generously illustrated *Spartak Moscow*, a book that will be cheered by soccer fans worldwide, Robert Edelman finds in the stands and on the pitch keys to understanding everyday life under Stalin, Khrushchev, and their successors. Millions attended matches and obsessed about their favorite club, and their rowdiness on game day stood out as a moment of relative freedom in a society that championed conformity. This was particularly the case for the supporters of Spartak, which emerged from the rough proletarian Presnia district of Moscow and spent much of its history in fierce rivalry with Dinamo, the team of the secret police. To cheer for Spartak, Edelman shows, was a small and safe way of saying no to the fears and absurdities of high Stalinism; to understand Spartak is to understand how soccer explains Soviet life. Champions of the Soviet Elite League twelve times and eleven-time winner of the USSR Cup, Spartak was founded and led for seven decades by the four Starostin brothers, the most visible of whom were Nikolai and Andrei. Brilliant players turned skilled entrepreneurs, they were flexible enough to constantly change their business model to accommodate the dramatic shifts in Soviet policy. Whether because of their own financial wheeling and dealing or Spartak's too frequent success against state-sponsored teams, they were arrested in 1942 and spent twelve years in the gulag. Instead of facing hard labor and likely death, they were spared the harshness of their places of exile when they were asked by local camp commandants to coach the prisoners' football teams. Returning from the camps after Stalin's death, they took back the reins of a club whose mystique as the people's team was only enhanced by its status as a victim of Stalinist tyranny. Edelman covers the team from its days on the wild fields of prerevolutionary Russia through the post-Soviet period. Given its history, it was hardly surprising that Spartak adjusted quickly to the new, capitalist world of postsocialist Russia, going on to win the championship of the Russian Premier League nine times, the Russian Cup three times, and the CIS Commonwealth of Independent States Cup six times. In addition to providing a fresh and authoritative history of Soviet society as seen through its obsession with the world's most popular sport, Edelman, a well-known sports commentator, also provides biographies of Spartak's leading players over the course of a century and riveting play-by-play accounts of Spartak's most important matches-including such highlights as the day in 1989 when Spartak last won the Soviet Elite League on a Valery Shmarov free kick at the ninety-second minute. Throughout, he palpably evokes what it was like to cheer for the Red and White.

Comrade Jim: The Spy Who Played for Spartak Jim Riordan,2009-01-12 The true and remarkable story of the English double agent who ended up playing for Spartak Moscow.

The Chronicles of Spartak Steven A. Coulter,2016-05-02 On July 4, 2115, sixteen-year-old Spartak Jones is kidnapped and sold, the first legal slave since the Civil War, just as America splinters into a bloody power struggle between the families of the ruling elite. Fighting for freedom and love, the Olympic bound athlete proves to be a lethal warrior, resourceful, fearless, loyal, and not shy about his sexuality. His exploits awaken a long-dormant liberal underground and he becomes a symbol of hope, a flesh and blood icon for an America that used to be and might be again---if he can survive. Dark, twisted, uplifting, and romantic--The Chronicles of Spartak delivers a 22nd century teenage action hero who will make you cheer.

Comrade Jim James Riordan,2008 The true and remarkable story of the English spy who ended up playing for Spartak Moscow.

SOCCER WORLD 2012/2013 Lorenzo Gravela,

The Spartak Trigger Bryce Allen,2014-03-18 Disgraced cop and degenerate cad Shane Bishop now makes his living as a professional set-up artist, using his unique skillset to frame his clients' enemies for various criminal offenses. When his latest job goes wrong and his mark ends up in a body bag, the ex-lawman becomes the prime suspect in a high-profile murder investigation - framed by a mysterious government agent. In order to obtain a key piece of evidence that will clear his name, Bishop is blackmailed into performing various acts of industrial espionage upon some of the world's most powerful corporations. He soon graduates to foreign intelligence work and finds himself in Russia charged with infiltrating a radical neo-Bolshevik terrorist group known as 'Black October' and retrieving a microfilm they've obtained which contains a Soviet-era computer virus that has the power to destroy the world...wide web.

The Ball is Round David Goldblatt,2008-01-02 The definitive book about soccer, from the author of *The Games: A Global History of the Olympics*. There may be no cultural practice more global than soccer. Rites of birth and marriage are infinitely diverse, but the rules of soccer are universal. No world religion can match its geographical scope. The single greatest simultaneous human collective experience is the World Cup final. In this extraordinary tour de force, David Goldblatt tells the full story of soccer's rise from chaotic folk ritual to the world's most popular sport-now poised to fully establish itself in the USA. Already celebrated internationally, *The Ball Is Round* illuminates soccer's role in the political and social histories of modern societies, but never loses sight of the beauty, joy, and excitement of the game itself.

U.S.S.R. United States. Geographic Names Division,1970

Pop Culture Russia! Birgit Beumers,2005-06-21 A revealing look at contemporary Russian popular culture, exploring the historical and social influences that make it unique. Pop music is only one aspect of contemporary Russian culture that has taken some unexpected turns in the chaotic aftermath of the Soviet Union's collapse. Television and advertising, theater and cinema, athletics and religion, even fashion and food now reflect more exposure to the West, yet remain in essence distinctively Russian. *Pop Culture Russia!* introduces readers to the fascinating, often surprising, post-Soviet cultural landscape. With chapters on media, the arts, recreation, religion, and consumerism, the book offers an insightful survey of Russian mass culture from the death of Stalin in 1953 to the present, exploring the historical significance of important events and trends, as well as the social and political contexts from which they emerged.

Chronicles of Spartak Steven Coulter,2016-02-06 On the 4th of July in the year 2115, sixteen-year-old Spartak Jones is betrayed, kidnapped and sold, the first legal slave since the Civil War, just as America splinters into a bloody power struggle between the families of the ruling elite. Fighting for survival, freedom and love, the Olympic bound athlete proves to be a lethal warrior, resourceful, fearless, loyal and not shy about his sexuality. His exploits awaken a long-dormant liberal underground and he becomes a symbol of hope, a handsome flesh and blood icon for an America that used to be and might be again-if he can endure.Dark, twisted, dystopian, uplifting, and romantic-The Chronicles of

Spartak (Rising Son) delivers a 22nd century LGBT action hero who will make you cheer.

The Spirit of the Game Mihir Bose, 2012-01-19 The spirit of the game was first nurtured on the playing fields of the English public school, and in the pages of Tom Brown's Schooldays- this Corinthian spirit was then exported around the world. The competitive spirit, the importance of fairness, the nobility of the gifted amateur seemed to sum up everything that was good about Britishness and the games they played. Today, sport is dominated by corruption, money, celebrity and players who are willing to dive in the box if it wins them a penalty. Yet, we still believe and talk about the game as if it had a higher moral purpose. Since the age of Thomas Arnold, Sport has been used to glorify dictatorships and was at the heart of cold war diplomacy. Prime Ministers, princes and presidents will do whatever they can to ensure that their country holds a major sporting tournament. Nelson Mandela saw the victory of the Rugby World Cup as essential to his hopes for the Rainbow Nation. Mihir Bose has lived his life around sport and in this book he tells the story of how Sport has lost its original spirit and how it has emerged in the 20th century to become the most powerful political tool in the world. With examples and stories from around the world including how the sport-hating Thomas Arnold become an icon; how a German manufacturer gave Jessie Owens a pair of shoes at the Berlin games of 1936 and went on to dominate the world of sport; how India stole cricket from the ICC; how an Essex car dealer become the most powerful man in Formula 1; and who really sold football out. Praise for Mihir Bose: 'Mihir Bose is India's CLR James.' Simon Barnes, The Times. 'Mihir's insider knowledge is unsurpassed' David Welch. 'His Olympic contacts are second to none. He knows everybody.' Sue Mott.

Right here, we have countless ebook **Spartak** and collections to check out. We additionally allow variant types and as a consequence type of the books to browse. The welcome book, fiction, history, novel, scientific research, as competently as various new sorts of books are readily within reach here.

As this Spartak, it ends taking place subconscious one of the favored book Spartak collections that we have. This is why you remain in the best website to look the amazing books to have.
