Service Is a Superpower Louie Gravance, 2020-04-07 Louie Gravance is often referred to as the guy that can make the Disney service concepts actually work outside of Disney. For over twenty-five years at the Walt Disney Company, Louie enjoyed a distinguished career with Disney theme parks, designing everything from live-entertainment experiences to customer service training programs through the Disney Institute in Orlando, Florida. At only twelve years old, he began working in California as a stage, film, and television actor and would go on to appear in movies, sitcoms, and over thirty-five national television commercials. In 1987, Gravance was offered a summer job with one of the entertainment industry's most successful providers of magical customer experiences, Disney theme parks, beginning as a comic at Disneyland in Anaheim, California and soon thereafter embarking on a nearly three-decade adventure at the Walt Disney World Resort in Orlando, Florida. Following his hugely effective tenure in Orlando, Gravance left Disney to pursue other opportunities and soon amassed even more success working as a consultant, customer service speaker, and corporate culture guru. Louie has designed multimillion-dollar service campaigns for companies such as Bank of America, ING Financial, Choice Hotels, Nikon, and The American Council of Independent Laboratories. Gravance is the recipient of the Disney Partners in Excellence Award and the Spirit of Disney Award and has been recognized internationally as a leading keynote speaker on the topic of customer service and employee engagement.
