T.W. Christie

Breaking the Chains Mattie M. Nottage,2007 To everything there is a season and a time to every purpose under the heaven. (Eccl. 3:1) As a believer, you must know when to worship and whe it is time to warfare. Remember, ... the weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds. Your worship is one such weapon. You will agree that there is a time in your life when you must transition from worship to Warfare. Your worship can be considered one of the pre-requisites to gaining access and favor into the King's presence. The greater the intensity of your worship the more he empowers you, the believer, to defeat the enemy and overcome every obstacle in your life.

Animal Frequency: What Are Your Power Animal Spirit Guides Trying to Tell You? Identify, Attune, and Connect to the Energy of Animals Melissa Alvarez,2023-02-06 Have you ever had a specific animal suddenly appear over and over again and wondered if it meant something or the animal had a message for you? Maybe you saw the animal in person, and then heard it mentioned on the radio, television or online, and then picked up a magazine and see a picture of it in there too. When this happens, your animal guides (also called spirit animals or totem animals), which Melissa Alvarez refers to as your energy animals, are trying to send you a message to help in your current circumstances. Every animal, just like every person, has their own unique frequency and energy vibration. When they suddenly appear repeatedly, you can use the process of Animal Frequency®, a heart-to-heart Divine connection, to communicate with them, receive their messages and understand their role in your spiritual development. Animal Frequency® is a reference book that will help you discover the energetic power of animals and will teach you how to connect with them to receive their messages, connect with their frequencies, which will aid in your own spiritual growth. This second edition of Animal Frequency® is an easy-to-use reference guide containing encyclopedic listings for nearly two hundred wild, domestic and mythical animals, has instructions, visualizations, and easy techniques that will help you build solid relationships with your energy animals. This book teaches you the process of Animal Frequency so you can do readings with the animals and with your pets as well. Animal Frequency® Oracle cards, designed by Melissa Alvarez are also available from the author’s website at MelissaA.com.

God wants to reveal to you the secrets of how to press on even when the enemy would like you to cave in! It’s time to reclaim what satan has stolen from you! With God’s protection and anointing, you can go into his camp, scout out the place, do battle and emerge victorious...no sweat!

From a Mess to a Miracle Kimberly Daniels,2014 Kim Daniels exposes the enemy's traps that are at work inside of our churches that prevent believers from experiencing a truly transformed life in Christ. She pulls no punches as she teaches believers how to sharpen their spiritual discernment, demolish strongholds, tear down idols, and avoid snakes in the pews.

Vanguard of Visions and Dreams Bishop Dr. Jackie L. Green,2012-12-29 Dreamers hope Visionaries see Vanguard's hope, see and lead ! This book is a dreamers tool box, packed with what they need to know about provision for the vision, the journey of a vision and the visionary's cup. This book will speak to those that are at a spiritual crossroad and intersection of the vision; or on the edge of a cliff called faith, living in two realms at the same time and pushing through the contractions of a vision in the birth canal. The author expounds on the seven types of vanguards needed in every generation: Presidents, Pastors, Parents, Pioneers, Prayer Warriors, Prisoners and Prophets. This book will reveal how and why God is deploying His end time vanguards throughout the earth. Bishop Green throws out a holy lifeline to dreamers and visionaries so that they will not throw away their inspiration, perspiration and determination for the future. The Word for the Church as well as for our nation this hour is GO FORWARD WITH GOD!

Story of the Bible Animals J. G. Wood,2024-01-25 Owing to the different conditions of time, language, country, and race under which the various books of the Holy Scriptures were written, it is impossible that they should be rightly understood at the present day without some study of the customs and manners of Eastern peoples, as well as of the countries in which they lived. The Oriental character of the scriptural writings causes them to abound with metaphors and symbols taken from the common life of the time. They contain allusions to the trees, flowers, and herbage, the creeping things of the earth, the fishes of the sea, the birds of the air, and the beasts which abode with man or dwelt in the deserts and forests. Unless, therefore, we understand these writings as those understood them for whom they were written, it is evident that we shall misinterpret instead of rightly comprehending them. The field which is laid open to us is so large that only one department of Natural History—namely, Zoology—can be treated in this work, although it is illustrated by many references to other branches of Natural History, to the physical geography of Palestine, Egypt, and Syria, the race-character of the inhabitants, and historical parallels. The importance of understanding the nature, habits, and uses of the animals which are constantly mentioned in the Bible, cannot be overrated as a means of elucidating the Scriptures, and without this knowledge we shall not only miss the point of innumerable passages of the Old and New Testaments, but the words of our Lord Himself will often be totally misinterpreted, or at least lose part of their significance. The object of the present work is therefore, to take in its proper succession, every creature whose name is given in the Scriptures, and to supply so much of its history as will enable the reader to understand all the passages in which it is mentioned.

An Abecedarian of Animal Spirit Guides Mark G. Boyer,2016-03-28 Almost every person has owned a pet at one time or another in life or known someone who has. In all world religions, animals serve as spirit guides; there is spirituality to animal and human dialogue. Animals have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives. This abecedarian--a book whose contents are in

alphabetical order--explores the spiritual growth that is possible by reflecting on the wisdom of creatures, which serve as spirit guides in all world religions and help humans experience the divine. The author explores animal spirit guides in the Bible, The Quran, The Dhammapada, The Rig Veda, The Analects of Confucius, stories from Aesop and Grimm, and much more. In these pages you can explore bears and bees, eagles and elephants, ravens and roosters, tadpoles and turtles, and many more. For each of the thirty-two entries, the author presents a text identifying the animal spirit guide, a reflective study, a question for journaling or personal meditation, and a concluding prayer. The spiritual life can be nourished in many ways; in this book it is enhanced by animal spirit guides.
