Darel, dragon knight and the new leader of Black Keep, must travel to the palace of the God-King to beg for the lives of his people. But in the capital of Narida, Marin and his warrior husband will be drawn into a palace coup, and Princess Tila will resort to murder to keep her hold on power. Splinter S N Humphreys,2023-12-07 Splinter is the story of Maggie, a unique but otherwise unremarkable teenager growing up in Anywhere, USA. Her life begins to unravel as the first signs of paranoid schizophrenia rear their ugly heads. Set in the nineties, her story is one fraught with fear, delusion, and uncertainty worsened by her drug use to cope with her new realities-plural. The narrative takes both Maggie - and the reader - through the years and the progression of her condition to the darkest corners of her own mind, or wherever her increasing madness decides to take her. Maggie must eventually answer the question that will shape and define her destiny as well as that of those who love and care about her: What kind of life can one live when their own mind is working against them?

Splinter Factory Jeffrey McDaniel,2002-09-01 Whether Jeffrey McDaniel is denouncing insomnia (4,000 A.M.), exploring family tragedy (Ghost Townhouse), or celebrating love and lust (The Biology of Numbers), his writing is original and provocative. A noted poet, McDaniel has appeared on ABC's Nightline and NPR's Talk of the Nation. Wild, fierce, irreverent, full of praise and lament, and deeply, intensely human. — Thomas Lux

A Splinter of Glass John Creasey,2014-11-01 A bullion robbery has been pulled off by a totally ruthless and terrifying gang. Murder along the way is if no consequence to them. The Splinter Hilary Bell,2012

Splinter E. S. Gibson,2014-11-14 A beautiful princess. A demented suitor. A band of heroes. And an everyday girl that got mixed up in it all. At least, that's how it was supposed to go. Roll out the red carpet for a brand new Hollywood, where actors are programmed and the sets are real. One of the few selected for the cast of an upcoming box office hit, Alexandra Williams must enter the world of Evelyn Owens, a quirky sixteen-year-old girl from Camas, Washington. With an antagonistic father and a mother who's never home, Eve is ready for a new life. But sometimes, you have to be careful what you wish for. After being hunted down in her home and at school, Eve is whisked away by what is left of a disbanded alliance to rescue a princess and defeat her evil captor. But when a new director takes over mid-movie whose commitment to his art forsakes any concern for the actors' safety, the real world begins to fall apart... and so does hers.

Splinter on the Tide Phillip Parotti,2021-04-30 Casemate has a long history of publishing high quality military history non-fiction. Lately, they have expanded their range of work to include well written novels using wartime settings. - WWII History MagazineThe engaging story of a young American naval officer undertaking his first command, in the middle of World War II. Having survived the sinking of his first ship, Ensign Ash Miller USNR is promoted and assigned to command one of the sleek new additions to "the splinter fleet," a 110-foot wooden submarine chaser armed with only

understrength guns and depth charges. His task is to bring the ship swiftly into commission, weld his untried crew into an efficient fighting unit, and take his vessel to sea in order to protect the defenseless Allied merchant vessels which are being maliciously and increasingly sunk by German U-Boats, often within sight of the coast. Ash rises to the deadly challenge he faces, brings his crew of three officers and 27 men to peak performance, and meets the threats he faces with understated courage and determination, rescuing stricken seamen, destroying Nazi mines, fighting U-Boats, and developing both the tactical sense and command authority that will be the foundation upon which America's citizen sailors eventually win the war. During rare breaks in operations, Ash cherishes a developing relationship with the spirited Claire Morris who embodies the peaceful ideal for which he has been fighting.

Splinter Sebastian Fitzek, 2011 Marc Lucas had it all, and lost it all. He is only slowly putting his life back together after the car crash that killed his pregnant wife, when things start to go strangely wrong for him. Nothing too sinister to begin with: his credit cards stop working. But then his key no longer fits his door, and he discovers someone else working in his office. Much worse is to come: he comes home to find himself face to face with his once-dead wife, and she doesn't have a clue who he is. The next day, there is no trace of her. Could this have anything to do with the clinic? They wanted to test their ability to remove traumatic memories from live subjects. Marc had met them, just once, but declined their experimental technology. He now fears they may have begun their tests illicitly ... Can he discover just what is happening to him before the waking nightmare he finds himself living overwhelms his sanity?--Publisher description.

Splinter Sebastian Fitzek, 2011-10 The Clinic is a world leader in memory research, they say they can permanently erase your traumatic memories, leaving you free to start a new life. Marc Lucas is trapped in a nightmare from which he can't wake. Should he visit the clinic? Or has he been there already? The problem is, he can't remember...

Tom Clancy's Splinter Cell David Michaels, 2004-12-07 In response to the growing use of sophisticated digital encryption to conceal potential threats to the United States, the National Security Agency has ushered forth the new dawn of intelligence-gathering techniques. The top-secret initiative is dubbed Third Echelon. Its existence denied by the U.S. government, Third Echelon deploys a lone field operative. He is sharp, nearly invisible, and deadly. And he has the right to spy, steal, destroy, and assassinate to protect American freedoms. His name is Sam Fisher. He is a Splinter Cell®.

Splinter H. J. Harry, 2017-08-26 In a picturesque little feeder town to Saint Cloud Minnesota an ancient evil is about to be unleashed. Jerry just bought the truck of his dreams. It wasn't much to someone who needed new but to a young kid it was everything and had the meat to make the ride worthwhile. What he found hidden within the truck was much more than he bargained for and soon demons from a lost age were filling up his town and destroying everything they touched and it was up to Jerry to stop them.

Splinter Steven M. Buono, 2014-01-17 Set in small town New England it's the wild world of 1970s hockey, with haunting echoes from a deeper past. That's when 14-year-old Jerry at last makes his first top team. Only, Jerry swiftly finds that making it, doesn't mean you've got it made.

Splinter E. Davies, 2018-06 Nico, former astronaut turned park ranger, is a hermit in the Smoky Mountains, and he likes it that way. Staying away from people and their petty drama becomes much harder when he meets Deen, international playboy and rock star seeking image rehab. After a taste of being together, how can they possibly face a future apart?

Splinter Susan O'Dell Underwood, 2023-06-20 On a collective level, the human diaspora is incalculable. Our leaving and resettling are as ancient as we are, whether immigrant, refugee, exile, or pioneer. In Splinter, Susan O'Dell Underwood's poems trace the unique experiences of the Appalachian diaspora. Splinter suggests the deep ambivalence in the breaking away, a sundering which can never be mended. These poems test the emotional spectrum, weighing the joyful

possibilities and sorrows of leaving against the obligation of those who stay “home,” grateful yet bereft in an altered place.

Instead, she snags her hand on a bedpost splintered by a musket ball and finds herself at the plantation at the exact moment the shot is fired. Confederate officer Matthew Orrick is staying in the vacant overseer's cabin while recovering from a battle wound. Audrey is captivated by him, but falling in love is not an option. Altering Matt's destiny would impact the fate of generations yet to be born. After Matt discovers Audrey's true identity, he demands she abandon her attempts to return to her own time. But Audrey's feelings for him conflict with her concern for the lives that will be erased if she stays. When an eleventh hour opportunity arises, Audrey has only seconds to weigh her decision – stay with the man she loves, or return to set her own world right?
