Spooky New York S. E. Schlosser,2019-07-01 Pull up a chair or gather round the campfire and get ready for thirty creepy tales of ghostly hauntings, eerie happenings, and other strange occurrences in New York. Set in the Empire State's big cities, historic towns, rugged lakes, and sparsely populated backwoods, the stories in this entertaining and compelling collection will have readers looking over their shoulders again and again. New York's folklore is kept alive in these expert retellings by master storyteller S. E. Schlosser and in artist Paul Hoffman's evocative illustrations. Readers will meet the White Lady of Rochester, dance to the rival fiddlers in Brooklyn, hear otherworldly voices in the Catskills, and run into the things that go bump in the night on Long Island--or simply feel an icy wind on the back of their necks on a warm New York evening. Whether read around the campfire on a dark and stormy night or from the backseat of the family van on the way to grandma's, this is a collection to treasure.

Spooky Libraries Jessica Rudolph,2019-02-01 It's past midnight, and there isn't a soul in the library. Moonlight fills the dusty shelves. Suddenly, the lights flicker on and off, and a book flies off the shelf! What unseen force is at work? Get ready to read four spine-chilling stories about spooky libraries! The colorful design and spooky art in the book will engage and terrify emergent readers.

That One Spooky Night Dan Bar-el,2012-09 This collection of graphic short stories written by Dan Bar-el contains three separate tales of strange and surprising events that all happen one Halloween night. In "Broom with a View," a girl's broom for her witch costume mistakenly gets switched with a broom belonging to a real witch. Featured in "10 000 Tentacles under the Tub" are two rambunctious boys who fight sea monsters while trick-or-treating as aqua-heroes, only to discover that their biggest challenge still awaits --- in the bathtub. In "The Fang Gang," everything gets turned around for four wannabe vampire girls when they meet up with the real thing. Naturally, all the parents are clueless about what's going on (though in one, the pet dog is in on things!). The stories are just spooky enough and tempered with a touch of silly humor. They're an easy read with minimal text; some panels are even completely wordless or contain only sound effects along with the art. The engaging comic illustrations by David Huyck are darkly toned with lots of softly focused scenes, adding to the mysterious allure. Sharp-eyed readers will notice characters from one story making an appearance in the artwork of another. This book is a perfect classroom choice around Halloween, either as a fun read-aloud or as a great reference for discussing why we celebrate this holiday and the cultural origins of legends about witches, vampires and the like. But it would also be enjoyed year-round by children who like scary plots with not-quite-human characters.
