Squirt Stories R. Leigh,2015-07-23 Are you a woman who squirts? Or do you wish you did? Does the topic fascinate you? Do you wish you knew more about squirting? From the Author of Squirting: It's Easier Than You Think, and the Creator of Squirt School comes Squirt Stories: Tales of Real Life Squirters! Author R. Leigh interviewed all types of women from all parts of the world for this short compilation. In the book she shares the history of squirting, a discussion of female sexuality, facts about the popularity of squirting and then the unedited accounts from these women. While these stories are not meant to be erotic, but instead to encourage women to embrace their sexuality, there is definitely some eroticism. Strip off the old layers of what female sexuality has become, and learn more about the intense, pleasurable release a squirting orgasm provides.

The Squirt! the Stringed Quantum Universal Integrated Relational Theory Mark N. Heinly M.D.,2023-04-23 Although most of us crave a sense of purpose, we frequently feel alone, disconnected, and embattled in what can appear to be an uncaring and hostile world. While working hard to make a difference, our pursuit of happiness can often seem like an overwhelming, arduous task. In a transformative guide to attaining happiness, fulfilling relationships, and harmony with each other and the world, Dr. Mark Heinly relies on three decades of experience as a psychiatrist to share a novel approach inspired by the latest discoveries in science and physics. Utilizing the wisdom and wonder of water as a guide, the SQUIRT perspective defines what it means to relate with each other, in our relationships with ourselves, others, our creative passions, nature, and the divine, and offers impactful wisdom on how to attain higher consciousness, become more self-aware, and embrace the power of giving and receiving in perfect harmony. The SQUIRT! is a guide that intertwines psychological theories and scientific discoveries with wisdom and wonder of the water to point others toward the peace, thrill, and fulfillment awaiting just beyond the horizon.

Geeks, Babes and Sentient Vegetables: Triumvirate Singularity with a Squirt of Lemon Juice Andrew Mitchell,2016-08-25 For those people who loved Star Wars, Star Trek and science fiction in general but don't take them too seriously. Every science fiction trope and cliché expertly mashed into one tale about a guy, his cat, his secret agent alien dancing girl and a talking 7 foot tall avocado. In the finest traditions of everything that was wrong with Star Wars, Star Trek, Aliens, Transformers and many more movies, television shows and video games all crammed into the day to day adventures of Will Campbell, average minimum wage employee at a miniature golf course. An epic quest across the galaxy filled unreasonable amounts of violence from highly impractical weapons and vague references to every science fiction masterpiece that came before it. Plus some really obscure ones and some no one has heard of before.
