SSB INTERVIEW [SSB Interview] Lieutenant Shivam Pandey,

Services Selection Board (SSB) Interviews Maj (Retd) Ravindran Vasudevan, 2017-10-16

SSB Interviews for Defence Forces Ajit Singh, 2023-11-08 The Indian Armed Forces offer excellent opportunities for various types of commissions to the aspiring and deserving youth of the country. A normal candidate from civil background is not aware as to what is expected of him at the SSB. He tries to know about it from various sites on media platform which is inadequate and normally does not conform to the actual requirements at the SSB. This book deals in detail about the five days curriculum at the SSB Centers and each activity/test has been explained with bullet points to make it simple, brief and easy to understand. At the SSB, the selection process is so designed that the Selection Board will have a detailed view of the personality traits of each candidate as is humanly and technically possible through various activities held for a period of five days. Once you go through the book you will realize that lot of preparation is required before you face the SSB. This book removes the myths that a candidate has before going for SSB and clearly explains what is expected of him in each of these activities and how he should transform and prepare himself to be successful at the SSB.

Fear to Fauladi - our SSB journey Agrim Sharma, 2022-04-19 The life events I am going to share with you have full-on drama, happiness, some successful moments, some not-so-successful moments, and above all a sense of satisfaction. I strongly believe that in Sports and also in SSB there are two important people, one the players and the other audience. Only the player knows about the actual reason for his performance during the game, the rest of the audience would always anticipate the outcome of the game, as to what has happened and what should have happened, but it is always the player who knows the truth about his performance. The best part of the SSB process is that they do not tell you about your weakness or your mistakes you have to figure them out. Yes, you must feel a bit upset because of the rejection but remember that they didn't reject you because you had unsuitable physical attributes or bad grades or anything else but because you lacked in the quota of personality that is required the most for this beautiful organization The Great Brave Indian Army. This book is an attempt by a conference out candidate, who took pride in wearing that not so pressed white shirt, red tie, and black pants, inside the conference hall of SSB Allahabad, little did he know that he would be facing 15 highly decorated Army Officers of the Great Brave Indian Army and a lifetime moment that he will cherish forever.
