The Historic Story of St. Mary's, Albany, N.Y. John Joseph
Dillon,1933

Catholic Families of Southern Maryland ,1985 St. Mary's residents played a key role in the development of the Catholic Church throughout the whole of America, providing the spearhead of the westward expansion of Catholicism. In 1785, for example, the first of many Catholic families from St. Mary's crossed the mountains to find land in Kentucky, while a few years later, driven by economic necessity, others migrated to Georgia, Missouri, Louisiana, and Texas. Mr. O'Rourke has collected many of the earliest surviving records of the Catholic families of St. Mary's County, Maryland. The most significant portion of the work contains the marriages and baptisms from the Jesuit parishes of St. Francis Xavier and St. Inigoes, which, in the case of baptisms (1767-1794),

give the names of children, parents, and godparents, and the date of baptism; and in the case of marriages (1767-1784), the names of the married partners and the date of marriage.

One Hundredth Anniversary, St. Mary's Church, Charlestown, Massachusetts, 1828-1928 St Mary's Church, 2023-07-18 Celebrate the history of St. Mary's Church in Charlestown, Massachusetts with this fascinating account of its first 100 years. From its humble beginnings as a small parish to its growth into a flourishing community, the story of St. Mary's is one of faith, perseverance, and dedication. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
