

St Nicholas Chapel

Edward John Lupson, Yarmouth Norfolk, St Nicholas

Westminster Abbey – The Chapel of St Nicholas Tony Willoughby, 2020-06 The Chapel of St Nicholas is the chapel at the east end of the South Ambulatory of the Abbey. It does not feature on the Abbey's audio guide, but is of interest for several of the individuals buried here. The only family entitled as of right to be buried in the Abbey is the family of the Duke of Northumberland. The entrance to the Northumberland vault is situated in this chapel. The vault holds 30 members of the family including the father of the founding donor of the Smithsonian Institution and the most recent arrival, the widow of the 10th Duke of Northumberland, who died in 2012. Other families well represented here are the Seymours and the Cecils. The first 'resident' to arrive was Philippa de Mohun, Duchess of York, who died in 1431.

The Church of St. Nicholas: With a Brief Sketch of the History of Newcastle John McQuillen, 2023-07-18

The Church of St. Nicholas John McQuillen, 2018-01-17 Excerpt from *The Church of St. Nicholas: With a Brief Sketch of the History of Newcastle* It was no part of the original intention that St. Nicholas' Cathedral should exceed the space devoted to the articles of *Among the Churches* series, which for four or five years have been contributed to *Cochrane's Monthly Magazine*. But on beginning to write the sketch, it was found that material was too abundant to be crowded into one part. The second article was written, with a like result. Investigation revealed a rich hoard of fact and history not generally known, and of much interest to every lover of the Metropolis of the North. So the solitary article expended into six parts, of which this book is composed. The facts and items have been collected from many sources, and with much search and groping among the relics of old time, and are made up from fragments of architecture, scraps of local records, and traditions from the books of worthy men of past generations, who, imbued with the true antiquarian spirit, sought to preserve to posterity the life, manners, and customs of the ancestral stock. Without much originality, but with a sincere desire to revivify the past, the detached and isolated references and chaotic atoms have been resolved into consecutive order, and a consistent story has been compiled of the Mother Church of Newcastle, and of some of the influences and incidents which have gone to the moulding of Novocastrian character and destiny, from the period when the waves of barbarism ebbed and flowed, to the close of the nineteenth century, when law and order prevail.
