

Stagecoach

R. Michael Wilson

Stagecoach Edward Buscombe, 2019-07-25 John Ford's Stagecoach, starring John Wayne in the part that made him a star, remains the most famous Western ever made. Shedding new light on an old favourite, this is an enjoyable account of how the film got made, combined with a careful scene-by-scene analysis, a wealth of illustrations and the most complete credits yet assembled.

Stagecoach Sal Deborah Hopkinson, 2009-09-01 Sal sure can sing. But she can also catch a fish with her bare hands, ride a wild bronco, and drive a stagecoach. And she's nobody's fool. When Sal makes her first stagecoach journey alone to deliver the mail for her sick pa, her ma is nervous. But the wild frontier is no match for Sal, and neither is Poetic Pete, the wildest stagecoach robber in the West.

Stagecoach East Oliver Wendell Holmes, Peter T. Rohrbach, 1983

Stagecoach A. Richard Mansir, 1999 Recounts the history of the stagecoach in America from the early days of the Republic to the westward expansion, using illustrations, historical documents, maps, and fictional diary entries.

Stagecoach and Tavern Tales of the Old Northwest Harry Ellsworth Cole, 1997 One journalist curious about life in the taverns along the stagecoach lines in Wisconsin and northern Illinois from the early 1800s until the 1880s was Harry Ellsworth Cole. While he could not sample strong ales at all of the taverns he wrote about, Cole did study

newspaper accounts, wrote hundreds of letters to families of tavern owners, read widely in regional history, and traveled extensively throughout the territory. The result, according to Brunet, is a nostalgic, sometimes romantic, well-written, and easily digested social history. At Cole's death, historian Louise Phelps Kellogg edited his manuscript, which in this case involved turning his notes and illustrations into a book and publishing it with the Arthur H. Clark Company in 1930.

The Stagecoach in Northern California: Rough Rides, Gold Camps & Daring Drivers Cheryl Anne Stapp, 2014-07-08 New England stagemen followed thousands of bedazzled gold rushers out west in 1849, carving out the first public overland transportation routes in California. Daring drivers like Hank Monk navigated treacherous terrain, while entrepreneurs such as James Birch, Jared Crandall and Louis McLane founded stagecoach companies traveling from Stockton to the Oregon border and over the formidable Sierra Nevada. Stagecoaches hauling gold from isolated mines to big-city safes were easy targets for highwaymen like Black Bart. Road accidents could end in disaster--coaches even tumbled down mountainsides. Journey back with author Cheryl Anne Stapp to an era before the railroad and automobile arrived and discover the wild history of stagecoach travel in California.

Stagecoach Women Cheryl Mullenbach, 2020-02-24 The Surprising Story of the Plucky Drivers, Shrewd Owners, and Ruthless Robbers Who Snubbed the Rules As pervasive as stagecoaches (popularly known as

shake-guts) were in the early years of America, it shouldn't be surprising that women who possessed a significant dose of grit and an ounce of entrepreneurial spirit engaged in one way or another in stagecoach enterprises. Though their contributions to stagecoach history were often overlooked, women drove stagecoaches, groomed and shod the stage horses, hoisted mailbags and boxes of gold bullion, negotiated contracts, bought and managed stage lines, defended (with their six-shooters) their cargo from bandits, and robbed stages in addition to fulfilling their traditional roles as housekeepers, cooks, and laundresses—and, oh yes, mothers to multiple children. Stagecoach Women offers an expansive overview of stagecoach history in the United States enriched by the personal stories of women who contributed to the evolution and success of a captivating facet of American history. Prepare for a teeth-rattling, romance-shattering journey that jolts away preconceived notions about women and stagecoaches and surprises with its twists and turns.

Stagecoach West Ralph Moody, 1998-06-01

Stagecoach West is a comprehensive history of stagecoaching west of the Missouri. Starting with the evolution of overland passenger transportation, Moody moves on to paint a lively and informative picture of western stagecoaching, from its early short runs through its rise with the gold rush, its zenith of 1858–68, and beyond. Its story is one of grand rivalries, political chicanery, and gaudy publicity stunts, traders, fortune hunters, outlaws, courageous drivers, and indefatigable detectives. We meet colorful

characters such as Charlie Parkhurst, a stagecoach driver who took an amazing secret to his death: "he" was actually a woman. Using contemporary accounts, illustrations, maps, and photographs to flesh out his narrative, Moody creates one of the most important accounts of transportation history to date.

Stagecoach Towns Arch Merrill, 1966 The history and lore of the small towns and villages of western New York.

Stagecoach Philip L. Fradkin, 2002-04-24 Sweeping in scope, as revealing of an era as it is of a company, Stagecoach is the epic story of Wells Fargo and the American West, by award-winning writer Philip L. Fradkin. The trail of Wells Fargo runs through nearly every imaginable landscape and icon of frontier folklore: the California Gold Rush, the Pony Express, the transcontinental railroad, the Civil and Indian Wars. From the Great Plains to the Rockies to the Pacific Ocean, the company's operations embraced almost all social, cultural, and economic activities west of the Mississippi, following one of the greatest migrations in American history. Fortune seekers arriving in California after the discovery of gold in 1849 couldn't bring the necessities of home with them. So Wells Fargo express offices began providing basic services such as the exchange of gold dust for coin, short-term deposits and loans, and reliable delivery and receipt of letters, money, and goods to and from distant places. As its reputation for speed and dependability grew, the sight of a red-and-yellow Wells Fargo stagecoach racing across the prairie came to

symbolize not only safe passage but faith in a nation's progress. In fact, for a time Wells Fargo was the most powerful and widespread institution in the American West, even surpassing the presence of the federal government. Stagecoach is a fascinating and rare combination of Western and business history. Along with its colorful association with the frontier -- Wyatt Earp, Black Bart, Buffalo Bill -- readers will discover that swiftness, security, and connectivity have been constants in Wells Fargo's history, and that these themes remain just as important today, 150 years later.

Stagecoach Max Brand, 2014-11-11 Unlikely hero Sammy Gregg has never met a challenge he won't face head on, but he hasn't met outlaw Chester Furness! Born in Brooklyn, Sammy Gregg is small in stature and naive to the ways of the world, yet headstrong and resolute to save enough money to marry Susie Mitchell. Gregg calculates that he needs \$15,000 and figures he can earn enough in six months out west. Although he is a small man who knows nothing of fighting, guns, or horses, he takes his \$5,000 in savings and heads west, arriving in Munson, a tough, lawless town. With his unwavering determination, Gregg finds a few good-paying jobs, but every time he runs up against Chester Furness, a fellow newcomer to Munson. But unlike Gregg, Furness runs a gang that steals horses, robs stagecoaches, and makes life hard for Sammy Gregg. To make good on his word and return to New York with enough savings to start a new life with Susie, Gregg will have to face off against Furness, put an end to his raids, and rid

Munson of his gang of outlaws for good. But some things are easier said than done . . . Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L'Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Early Taverns and Stagecoach Days in New Jersey

Walter Hamilton Van Hoesen, 1975 Discusses the most widely known and best-remembered taverns according to the early highways, taking into account later stage-coach routes, days, and customs. These materials on the colonial and Revolutionary War years are summarized town by town and region by region.

Mary Fields aka Stagecoach Mary

Erich Martin Hicks, 2016-03-14 This is the story of Mary Fields, 'Stagecoach Mary', who got her nickname at the turn of the 20th Century. She earned this nickname by working for the United States Postal System delivering the United States Mail through adverse conditions that would have discouraged the most hardened frontiersmen of that period. All by herself, she never missed a day for 8 years, carrying the U. S. Mail and other important documents that helped settle the wild open

territory of central west Montana. Mary had no fear of man, nor beast, and this sometimes got her into trouble. She delivered the mail regardless of the heat of the day, cold of night, wind, rain, sleet, snow, blizzards, Indians and Outlaws. Mary was 6 feet tall, and weighed over 200 pounds, and even with 'those' extraordinary extremes, there were two more facts that made 'her' history. Mary was the second woman in 'history' to carry the U. S. Mail, however, even that was a matter of simplicity, for a fact, she was a Negro Woman, and the only 'Negro', for hundreds and hundreds of miles when she first arrived in Montana. This feature story covers Mary's colorful life, from the plantation where she was born a slave in 1832, to the famous Steamboat race between the Robert E. Lee and the Natchez on the Mississippi River, to her death in Cascade, Montana, 1914. Stagecoach Mary was a cigar smoking, shotgun and pistol toting Negro Woman, who even frequented saloons drinking whiskey with the men, a privilege only given to 'her', as a woman. However, not even this fact, sealed the credentials given to her, her credentials boasted that, 'she could knock out any man with one punch', who stepped upon her womanhood, a claim she proved true. keywords: Mary Fields, Mail, African American, Black History, Montana, Stagecoach, Outlaws, Cowboys, Postal System, Historical, 1914, 1832

The Midland Trail Tour in West Virginia Perceval Reniers, Ashton Woodman Reniers, 1926

First Mail West Morris F. Taylor, 1971 First published in 1971 and now in paperback for the first time, this book is a history of the

stagecoach lines on the Santa Fe Trail from 1850 to 1879. Based on commercial records and ledgers, waybills and travelers' letters, and on Post Office Department records, it shows the fierce competition for passenger service and government mail contracts. Taylor tells the story of the small, independent stage lines on the Santa Fe Trail and describes the roads, landscape, the rolling stock, fares, stations and accommodations, and the country, people, and trade at the end of the line in New Mexico. Mark L. Gardner's foreword discusses Taylor's life, work, and the value of First Mail West to the history of the Southwest.

Stagecoach Robberies in California R. Michael Wilson, 2014-09-06 California was the mining center of the West for half a century. Wherever precious minerals were found, road agents appeared to "mine the roads" of treasure being shipped out and payrolls being shipped in. The first recorded robbery of a stagecoach occurred in 1856, and the last in 1913. Over that period there were 458 stagecoach robberies, many with special characteristics such as a claim the robbers were Confederate soldiers, a murder, a gun battle, or a thrilling pursuit and capture. Surprisingly, there were many robberies in which the perpetrator remained unknown or in which was so little stolen the robber was not even sought out. This book gives all the details of those robberies taken from the contemporary newspapers and from a variety of other sources.

Ben Holladay, the Stagecoach King J. V. Frederick, 1989-04-01 The red and black Concord stagecoaches that crossed the West in the 1860s,

known to the Indians as fire boxes, have been celebrated in Mark Twain's fiction and John Ford's films. Predating the transcontinental railroads, they provided vital lines of communication to the East during the Civil War and opened to development the newly settled regions beyond the Missouri River. From 1862 to 1866 Ben Holladay owned and operated a network of stagecoach lines from Kansas to California, the main one following the central mail route between Atchison and Salt Lake City established by the U.S. government in 1848, and other lines branching into the mining country of California and Montana and Idaho territories. In spite of bad weather, primitive roads, holdups by highwaymen, and trouble with Indians, Holladay's coaches delivered passengers and mail on schedule. J. V. Frederick describes in fascinating detail the organization and operation of a vast transportation empire ruled by a man with executive genius and a gambler's instincts. Although Holladay forbade drinking and profanity on the job, he commanded the loyalty of his drivers, whom he dressed in broad-brimmed sombreros, corduroys trimmed with velvet, and high-heeled boots. He sold out just before the Union Pacific Railroad was completed and until his death in 1887 remained popular with Americans, who named racehorses and cigars after him.

Virginia by Stagecoach Virginia C.

Johnson, 2019-07-29 Travel in old Virginia was many things, but it was never dull. Stagecoaches were the primary means of transport, carrying mail as well as passengers. Trips that now take hours lasted for days. Coach trips could be dangerous,

and all-hands situations arose quickly. A traveler might need to apply horsemanship, carpentry, leather-mending or the sheer brawny effort of shoving the coach out of a muddy ditch. Inns across the state catered to stagecoach riders and acted as community gathering places. Some still stand, like the Rising Sun Tavern in Fredericksburg and Michie Tavern in Charlottesville. Author Virginia Johnson relates tales of those wild early days on the road.

Great Stagecoach Robberies of the Old West R. Michael Wilson, 2006-11-01 Stagecoach robbers evolved as a consequence of the discovery of gold or silver, or some other mineral treasure, and a town would spring forth from the earth overnight. Roads were soon built and stage lines began operating. A pitching Betsy would take out bullion and dust and bring in payrolls, always through country that was rough and isolated. The temptation to get rich quickly was too great for some, and the demand, Hold! Throw out that treasure box! was heard all too often in the Old West. Most robberies were never solved, but many robbers were caught, indicted, tried, convicted, and sentenced. This book includes a collection of 15-20 of the most thrilling stagecoach robberies from 1875-1905.
