In the second and third centuries CE, Charles Stang shows, this idea gripped the religious imagination of the Eastern Mediterranean, offering a distinctive understanding of the self that has survived in various forms down to the present.

Finding the Water Rev. Mark Stang BCC as told to Carol Sanders,2020-01-09 Mark Stang was raised in a loving family but struggled in school and suffered low self-esteem. His reaction was to feel that he needed to be the best in order to be accepted. As a young man, he was on his way to being a farmer when he felt a tug to do more. He decided to enter the seminary, which meant giving up his dream. He continued to struggle with a sense of inadequacy, feeling like a fish out of the water. He eventually learned that surrendering to God—who loves him beyond his knowledge—is the way to find the water...only to be diagnosed with cancer a year before his ordination to the priesthood. His inspiring journey, including more than one supernatural event, shows us the power in surrendering to God.

Kant's Modal Metaphysics Nicholas Frederick

Stang, 2016 What is possible and why? What is the difference between the merely possible and the actual? In Kant's Modal Metaphysics Nicholas Stang examines Kant's lifelong engagement with these questions and their role in his philosophical development. This is the first book to trace Kant's theory of possibility all the way from the so-called 'pre-Critical' writings of the 1750s and 1760s to the Critical system of philosophy inaugurated by the Critique of Pure Reason in 1781. Stang argues that the key to understanding both the change and the continuity between Kant's pre-Critical and Critical theory of possibility is his transformation of the 'ontological' question about possibility--what is it for a being to be possible?--into a question in 'transcendental philosophy'--what is it to represent an object as possible? The first half of Kant's Modal Metaphysics explores Kant's pre-Critical theory of possibility, including his answer to the ontological question about the nature of possibility, his rejection of the traditional ontological argument for the existence of God, and his own argument that God must exist to ground all possibility. The second half examines why Kant reoriented his theory of possibility around the transcendental question, what this question means, and how Kant answered it in the Critical philosophy. Stang shows that, despite this reorientation, Kant's basic scheme for thinking about possibility remains constant from the pre-Critical period through the Critical system. What had been an ontological theory of possible being is reinterpreted, in the Critical system, as a theory of how we must represent

possible objects, given the nature of our intellect.

What If Arnold Stang Played the Part? J.

Harrison,2012-05-08 Knowing that most film fans like to play 'What if,' film historian Harrison has taken over one hundred classic motion pictures and changed the casts and directors. Joel McCrea in 'Stagecoach,' Errol Flynn in 'Casablanca,' Cary Grant and Jean Arthur in 'Adam's Rib,' and Blake Edwards directing 'To Catch A Thief.' They're here with the original casts and 104 others. Harrison doesn't say the original filmmakers were wrong, as the motion pictures are indeed classics. But what if . . . J.M. Harrison is a film historian from Yukon, Oklahoma. This is his fourth book.

Apophysis and Pseudonymity in Dionysius the Areopagite Charles M. Stang,2012-02-09 This is an open access title available under the terms of a CC BY-NC-ND 3.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. This book examines the writings of an early sixth-century Christian mystical theologian who wrote under the name of a convert of the apostle Paul, Dionysius the Areopagite. This 'Pseudo'-Dionysius is famous for articulating a mystical theology in two parts: a sacramental and liturgical mysticism embedded in the context of celestial and ecclesiastical hierarchies, and an austere, contemplative regimen in which one progressively negates the divine names in hopes of soliciting union with the 'unknown God' or 'God beyond being.' Charles M. Stang argues that the

pseudonym and the influence of Paul together constitute the best interpretive lens for understanding the Corpus Dionysiacum [CD]. Stang demonstrates how Paul animates the entire corpus, and shows that the influence of Paul illuminates such central themes of the CD as hierarchy, theurgy, deification, Christology, affirmation (kataphasis) and negation (apophasis), dissimilar similarities, and unknowing. Most importantly, Paul serves as a fulcrum for the expression of a new theological anthropology, an 'apophatic anthropology.' Dionysius figures Paul as the premier apostolic witness to this apophatic anthropology, as the ecstatic lover of the divine who confesses to the rupture of his self and the indwelling of the divine in Gal 2:20: 'it is no longer I who live, but Christ who lives in me.' Building on this notion of apophatic anthropology, the book forwards an explanation for why this sixth-century author chose to write under an apostolic pseudonym. Stang argues that the very practice of pseudonymous writing itself serves as an ecstatic devotional exercise whereby the writer becomes split in two and thereby open to the indwelling of the divine. Pseudonymity is on this interpretation integral and internal to the aims of the wider mystical enterprise. Thus this book aims to question the distinction between 'theory' and 'practice' by demonstrating that negative theology—often figured as a speculative and rarefied theory regarding the transcendence of God—is in fact best understood as a kind of asceticism, a devotional practice aiming for the total transformation of the Christian subject.

The Bargain Catherine Stang, 2008-11-01 In the midst of war, two enemies will make a bargain that will change their lives forever. Major Joel Bradshaw is the Chief Medical Officer in charge of setting up a new front line hospital for the Union Army. Unfortunately, his first task is

to evict the women who live in the big plantation house he must commandeer. Strong-willed Cassandra Beaumont is determined not to allow the Yankees take her home. But when her sister-in-law develops complications during labor, Cassie is forced to swallow her pride and ask the Yankee doctor she just threatened for his help. All she has to barter with are her nursing skills and so she proposes a trade that will bring her loyalties into question. Joel, however, soon finds himself wanting much more than a business arrangement. Torn between his orders as an officer and his desire to protect Cassie, Joel finds a way to ensure the safety of all the Beaumont women - if only Cassie will say yes! Sometimes home is where you least expect it. Genre: Romance / Historical Fiction Read the amazing sequel by Catherine Stang: DARE TO LOVE [FINDING HOME SERIES BOOK 2]

Vinyl Cations Peter Stang, 2012-12-02 Vinyl Cations provides a comprehensive and detailed treatment of the reactive intermediate in which the electron-deficient carbon is an integral part of a π unsaturation. This book emphasizes that the reaction through vinyl cations is a viable pathway among the multitude of mechanistic routes for vinylic substitution. The aryl, ethynyl, and allenyl cations from the viewpoint of direct solvolytic generation from appropriate allenyl precursors are briefly discussed. Other topics include the preparative aspects of electrophilic additions to alkynes, participation of allenyl bonds in solvolyses, and vinyl cations generated through diazonium ions. The nature of the cationic intermediates, migrations across the double bond, thiirenium ions, and species related to vinyl cations are likewise elaborated. This publication is beneficial to chemists and researchers concerned with vinyl cations.

The Greatest Gift Binka Le Breton, 2008-02-05 In 1966, Sister Dorothy Stang went to Brazil as a missionary, and in 1982 she moved to a small town in the Amazon to work with an organization to protect poor farmers and their land from loggers and land-developers who stop at nothing—including murder—in pursuit of profits. After testifying at a government panel investigating illegal incursions into protected areas, Sister Dorothy was denounced as a “terrorist” by powerful companies and began receiving death threats. Refusing to be intimidated, she continued her work—until two gunmen shot her six times on a rural Amazon road. **THE GREATEST GIFT** is the first biography of this extraordinary woman and her mission. Written by a mainstream journalist who has spent

many years in Brazil, it exposes the entrenched collusion between government officials and commercial interests and celebrates the profound courage of Sister Dorothy and others fighting to protect the Amazon jungles and the people eking out a life there. Inspired by deep religious conviction, Dorothy Stang gave of herself generously. A book that will resonate with readers of Sister Helen Prejean's *Dead Man Walking*, *THE GREATEST GIFT* presents not only the story of Sister Dorothy's tragic death, but the powerful and beautiful lessons of her life.

A Walk to the River in Amazonia Carla Stang, 2009 Our lives are mostly composed of ordinary reality—the flow of moment-to-moment existence. In this anthropological study of the Amazon's Mehinaku Indians, the author achieves an understanding of this part of reality by both observing various aspects of their experience and by relating how these different facets come to play in a stream of ordinary consciousness, a walk to the river. In this way, abstract schemata such as 'cosmology,' 'sociality,' 'gender,' and the 'everyday' are understood as they are actually lived.

District Julia Davenport has asked herself that question everyday since a dangerous criminal she is gearing up to prosecute is unexpectedly let out on bail. He has threatened her in the past and would do anything to keep his case from going to trial. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer
