The Thing About Men Elizabeth Bevarly,2003-12-11 Three things about men:

They think dinner comes in a box . . . Claire Willoughby, nationally famous lifestyle diva, knows what it takes to cook luscious meals from scratch, stencil a wall border from a grocery bag, and create beautiful holiday ornaments from common household items. But then her Number One Fan leaves her custody of a small, rambunctious toddler, and suddenly the style goes right out of her life. They never ask for directions . . . And it gets worse. Enter, on a Harley, wearing ragged jeans, a diamond stud earring and a black eye, hell-raiser Ramsey Sage . . . the child's uncle. And though Ramsey claims he wants custody of the little tyke, Claire is plenty certain he doesn't know his way around a nursery. . . . They never admit they're wrong. But she quickly learns he sure knows his way around a woman -- those tempting kisses and scorching gazes turn up the heat hotter than Claire's test kitchen on a summer's day. He seems all wrong for her, but he feels so right. How can it be that Ramsey, despite all his faults, might just be perfect for her?

Image Acts Horst Bredekamp,2021-04-19 Heavily represented sections of contemporary philosophy subscribe to the notion of embodiment. However promising this pragmatic turn of events may be, it remains limited in that it interprets the world as a projection of the cognizing I. By contrast, Image

Acts focuses on the counterforce of the form of images. The book subdivides this sphere into three parts: imitation, substitution, and the pure effect of the form. All three parts are contemplated with examples from antiquity through to the present and the iconoclastic controversies of our times. From this reconstruction of the image act springs the element of a new philosophy of affordance.
