The Force Unleashed II: Star Wars Legends Sean Williams,2011-06-28 As ruthless apprentice to Darth Vader, Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. He served without question, killed without remorse, and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse, never suspecting that he was just a tool in the schemes of his masters—until it was too late to escape their lethal betrayal. Juno mourned Starkiller as dead...but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time, they will both have to make a stand. The prize is freedom. The punishment for failing will be eternal enslavement to the dark side of the Force... Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**The Force Unleashed: Star Wars Legends** Sean Williams,2011-06-28 “The Sith always betray one another. . . . I’m sure you’ll learn that soon enough.” The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor’s ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters’ enemies, thereby punctuating the dark side’s victory with the Jedi’s doom. Since childhood, Vader’s nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice’s journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Star Wars: Join the Resistance Ben Acker,Ben Blacker,2017-03-07 MATTIS BANZ knows that he's meant to be a hero of the galaxy like the legendary Luke Skywalker, and when General Leia Organa's Resistance recruits him to join its efforts against the evil First Order, he finally has a chance to fulfill his destiny. But the rest of his squadron doesn't seem very promising. Sure, there's the Zeltron girl Lorica, famous for her exploits foiling evil smugglers, but there's also the swamp boy named Dec, who seems to enjoy causing trouble; Dec's brother, a droid who thinks he's a pilot; Sari, whose imposing size contradicts her sweet nature; and Jo , the stuffy group leader with secrets. How is Mattis supposed to be the next Poe Dameron when he and his squad mates spend more time in trouble than flying X-wings? The team will have to learn how to work together when the going gets tough, or they won't be going anywhere. . . .

**Starkiller** John Cospers,2015-06-06 She saved our world four times. Now, it's time to save a new one. When an alien menace threatened to wipe out mankind, Trish Angel stood in the breach and saved the world. But so much bloodshed took a toll on the once proud warrior, so she left the service for good to serve a new Master in a convent. Years later, a fellow soldier and former lover returns to offer Trish a seat on a one way mission into outer space. The opportunity to find sanctuary among the stars lures Trish outside the convent walls, but all is not what it seems when her ship arrives and a new evil threatens the safety of both worlds. Will Trish keep her vow of non-violence and peace, or could it be her destiny to be a warrior, a defender of the weak, and the enemy of evil? Trish Angel returns to action in a tongue-in-cheek adventure in the tradition of the Fluffy trilogy that began her saga. It's an epic tale that touches on the age old questions about just war before settling in for an old fashioned sci-fi shoot 'em up.
