

Steampunk Flying Ship

Andrew Lang

Rendezvous at Raptor's Rest C. Simpson, 2016-12-10 When his flying ship, the Red Horizon, was shot down, Tescher told no-one he had a woman on board. Three years later, he returns to the ship wreck and finds Marianna not only survived the crash, but left him a message. She found what she was looking for aboard his ship, and she'll wait for him at the Raptor's Rest, but once a year-tonight. Tight flying will get him there in time, but it will take more for him to navigate clear of the underworld predators circling the criminal shores on which Marianna has landed. *Rendezvous at Raptor's Rest* is set in the steampunk world of 1840's Australia, complete with flying ships, landed gentry, velociraptors and those who take their tinkering with the ether just a little too far.

Steal the Sky Megan E. O'Keefe, 2016-01-05 Murder and mayhem derail a con-man's carefully laid schemes in this swashbuckling debut that blends elements of *Firefly* and steampunk. Detan Honding, a wanted conman of noble birth and ignoble tongue, has found himself in the oasis city of Aransa. He and his trusted companion, Tibs, may have pulled off one too many cons against the city's elite and

need to make a quick escape. They set their sights on their biggest heist yet—the gorgeous airship of the exiled commodore Thratia. But in the middle of his scheme, a face changer known as a doppel starts murdering key members of Aransa’s government. The sudden paranoia makes Detan’s plans of stealing Thratia’s ship that much harder. And with this sudden power vacuum, Thratia can solidify her power and wreak havoc against the Empire. But the doppel isn’t working for Thratia and has her own intentions. Did Detan accidentally walk into a revolution and a crusade? He has to be careful—there’s a reason most people think he’s dead. And if his dangerous secret gets revealed, he has a lot more to worry about than a stolen airship. File Under: Fantasy [Sky Heist | Doppel Vision | Knives Out | Up Up and Away]

The Flying Ship Andrew Lang, 1996

Balanced on the Blade's Edge Lindsay Buroker, 2014-04-01 Colonel Ridge Zirkander isn’t the model of military professionalism—he has a tendency to say exactly what’s on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian

army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially

when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

The Boy Inventors' Flying Ship Richard Bonner,2021-01-01 The Boy Inventors' Flying Ship' is an adventure novel by Richard Bonner from early twentieth century. It was first published in the year 1913.

Tales of the Ketty Jay Chris Wooding,2017-03-09 Collects: Retribution Falls, The Black Lung Captain, The Iron Jackal, The Ace of Skulls Frey is the captain of the Ketty Jay, leader of a small, highly dysfunctional band of layabouts. An inveterate womaniser and rogue, he and his gang make a living on the wrong side of the law, avoiding the heavily armed flying frigates of the Coalition Navy. With their trio of ragged fighter craft they run contraband, rob airships and generally make a nuisance of themselves. In Retribution Falls, a hot tip on a cargo freighter loaded with valuables seems like a great prospect for an easy heist and a fast buck. Until the heist goes wrong, and the freighter

explodes. Suddenly Frey isn't just a nuisance anymore - he's public enemy number one, with the Coalition Navy on his tail and contractors hired to take him down. Times are tough for the crew in *The Black Lung Captain*, Enter Captain Grist. He's heard about a crashed aircraft laden with the treasures of a lost civilisation, and he needs Frey's help to get it. There's only one problem. The craft is lying in the trackless heart of a remote island, populated by giant beasts and subhuman monsters. The Iron Jackal takes them deep into the desert heart of Samarla, the land of their ancient enemies. To a place where the secrets of the past lie in wait for the unwary. Secrets that might very well cost Frey everything. *The Ace of Skulls*: the last stand of the Ketty Jay. They've been shot down, set up, double-crossed and ripped off. They've stolen priceless treasures, destroyed a ten-thousand-year-old Azryx city and sort-of-accidentally blew up the son of the Archduke. Now they've gone and started a civil war. This time, they're really in trouble.

The Ill-Made Mute Cecilia Dart-Thornton, 2015-08-25 In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: “A dazzling debut” (Jennifer Roberson). In all of Erith,

there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia's J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world's most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, *The Ill-Made Mute*—the opening volume of Dart-Thornton's magnificent *Bitterbynde Trilogy*—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the Bagginses and the tales of *The Silmarillion*.

The Boy Inventors' Flying Ship Richard Bonner,1929

Pimp My Airship Maurice Broaddus,2019-05-21 Warning: Don't Believe the Hype! All the poet called Sleepy wants to do is spit his verses, smoke chiba, and stay off the COP's radar—all of which becomes impossible once he encounters a professional protestor known as (120 Degrees of) Knowledge Allah. They soon find themselves on the wrong side of local authorities and have to elude the powers that be. When young heiress Sophine Jefferson's father is murdered, the careful life she'd been constructing for herself tumbles around her. She's quickly drawn into a web of intrigue, politics and airships, joining with Sleepy and Knowledge Allah in a fight for their freedom. Chased from one end of a retro-fitted Indianapolis to the other, they encounter outlaws, the occasional circus, possibly a medium, and more outlaws. They find themselves in a battle much larger than they imagined: a battle for control of the country and the soul of their people. The revolution will not be televised!

Airborn Kenneth Oppel,2004-05-11 Sailing toward dawn, and I was perched atop the crow's nest, being the ship's eyes. We were two nights out of Sydney, and there'd been no weather to speak of so

far. I was keeping watch on a dark stack of nimbus clouds off to the northwest, but we were leaving it far behind, and it looked to be smooth going all the way back to Lionsgate City. Like riding a cloud. . . . Matt Cruse is a cabin boy on the Aurora, a huge airship that sails hundreds of feet above the ocean, ferrying wealthy passengers from city to city. It is the life Matt's always wanted; convinced he's lighter than air, he imagines himself as buoyant as the hydrium gas that powers his ship. One night he meets a dying balloonist who speaks of beautiful creatures drifting through the skies. It is only after Matt meets the balloonist's granddaughter that he realizes that the man's ravings may, in fact, have been true, and that the creatures are completely real and utterly mysterious. In a swashbuckling adventure reminiscent of Jules Verne and Robert Louis Stevenson, Kenneth Oppel, author of the best-selling Silverwing trilogy, creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies.

The Prince's Pilot: A Regency-set steampunk adventure Shelley Adina, R.E. Scott, 2022-07-27

Witty and whimsical. --Booklist Napoleon's invasion of steampunk England is hidden in the clouds... It

is 1819, and Cornwall is agog at the daring of the two young lady aeronauts who, earlier in the summer, flew nearly to France and back in their homemade air ship. Much more is riding on Loveday Penhale and Celeste Blanchard's new and improved vessel—they plan to win the Tinkering Prince's prize, offered to anyone who can help England win the war against Napoleon. To their dismay, they must take two local gentlemen aloft to report on the ship's capabilities. While Captain Trevelyan and Emory Thorndyke are welcome in drawing room and ballroom, their presence on the air ship proves disastrous. Wildly off course, Loveday barely manages to bring the vessel down safely—in France! Now it is up to the gentlemen to keep the newly designed ship hidden while Loveday and Celeste secure supplies for its repair from Celeste's former home, l'Ecole des Aéronautes in far-off Paris. But much has changed since Celeste left the capital, and enemies lurk in its very walls. With her famous aeronaut mother dead in suspicious circumstances, and the flight school closed, there is only one thing to do—make up a story about her absence and approach Napoleon himself. He promptly makes Celeste his Chief Air Minister, and commands her to plan the invasion of England by air. Can she and

Loveday stay alive in this nest of vipers long enough to help their stranded friends? Before they are unmasked as spies—and before their beautiful air ship is captured and used to attack England? The Prince's Pilot is the second novel in the Regent's Devices trilogy set in the Magnificent Devices steampunk world. It promises no strong language, the possibility of a very proper kiss, and a guaranteed happy ending of the trilogy. If you like books by C.M. Gleason, Emma Jane Holloway, or Lindsay Buroker, you're in the right place. Enjoy!

Free-Wrench Joseph R. Lallo,2014-07-16 The islands of Caldera are a shining jewel in a rather bleak world. A terrible calamity in the past had blanketed much of the world with a toxic fog. Those who survived were forced to take to the mountains and the skies in wondrous airships. Life has since been a struggle, with only the most ruthless and crafty able to survive. To spare themselves the same fate, the Calderans erected a battery of guns to fend off the airships of the mainland. They isolated themselves from the madness of the world, choosing instead to focus on the pursuits of art and creativity. Few believe the technologically advanced but socially barbarous outsiders have anything to

offer. Amanita Graus, though, is hoping that they do. Nita's mother has lost her livelihood and perhaps soon her life to a terrible disease. Already the black sheep of the family for embracing engineering rather than art, Nita resolves to leave the safety of her home and do whatever it takes to find a cure. For a price, the bizarre crew of an airship called The Wind Breaker are willing to grant her a meeting with their mysterious benefactors, and thus a chance to procure the one thing with a chance to save her mother. Free-Wrench follows Nita's adventures in a steampunk world of airships and lunatics. Helping her in her journey are an eccentric crew of smugglers; the gruff Cap'n Mack, the simple but enthusiastic Lil and Coop, the arrogant marksman Gunner, the surly surgeon Butch, and the irritable mascot Wink. To survive and find what she seeks she'll need to earn their trust, follow their rules, and meet face to face with the people who pull the strings of their society.

Retribution Falls Chris Wooding, 2011-04-26 Sky piracy is a bit out of Darian Frey's league. Fate has not been kind to the captain of the airship Ketty Jay—or his motley crew. They are all running from something. Crake is a daemonist in hiding, traveling with an armored golem and burdened by guilt. Jez

is the new navigator, desperate to keep her secret from the rest of the crew. Malvery is a disgraced doctor, drinking himself to death. So when an opportunity arises to steal a chest of gems from a vulnerable airship, Frey can't pass it up. It's an easy take—and the payoff will finally make him a rich man. But when the attack goes horribly wrong, Frey suddenly finds himself the most wanted man in Vardia, trailed by bounty hunters, the elite Century Knights, and the dread queen of the skies, Trinica Dracken. Frey realizes that they've been set up to take a fall but doesn't know the endgame. And the ultimate answer for captain and crew may lie in the legendary hidden pirate town of Retribution Falls. That's if they can get there without getting blown out of the sky.

Airships Sam Witt, 2003-03 While some choose to sail the seas and oceans seeking trade, adventure, and fame, others are more daring and sail the skies of their worlds. Discover the wonders of flight and the beauty of sailing the winds from many different methods and in many different forms. After all, no one race dominates the skies?save those that need no ships and jealously guard their skies. Like sea captains traversing dangerous waters and unknown menaces, airship captains must

face the wrath of the aerial realms in the forms of dragons and other invisible dangers that pose great risk to their airships Airships provides all the rules necessary to bring flying ships into any campaign setting. Construction rules, combat, aerial and 3D movement, and other essential information is all covered. Also included are deck plans and specifications for a number of ships. Airships will bring new heroes to the fore when a village under siege cries Look! Up in the sky!

Steampunk LEGO Guy Himber, 2014-11-07 Filled with dirigibles and floating cities, penny-farthings and pirate ships, curiosities and robots galore, Steampunk LEGO is an illustrated collection of Victorian-era sci-fi treasures, all built from LEGO. Curated by award-winning LEGO builder and special effects master Guy Himber, this full-color coffee table book showcases an eclectic variety of models designed by dozens of the world's best LEGO artists. Grab your brass goggles and join fictional explorer Sir Herbert Jobson as he travels the world cataloguing its technological wonders for Queen Victoria. His entertaining descriptions of an imaginative alternate history bring these delightful LEGO models to swashbuckling life.

Steamed Katie Macalister,2020-06-22 Katie Macalister takes on Steampunk—and romance gets hotter than ever... Jack Fletcher's heart is about to get punked. Computer technician Jack Fletcher is no hero, despite his unwelcome reputation as one. In fact, he's just been the victim of bizarre circumstances. Like now. His sister happens to disturb one of his nanoelectromechanical system experiments, and now they aren't where they're supposed to be. In fact, they're not sure where they are when... ..they wake up to see a woman with the reddest hair Jack has ever seen—and a gun. Octavia Pye is an Aerocorps captain with a whole lot of secrets, and she's not about to see her maiden voyage ruined by stowaways. But the sparks flying between her and Jack just may cause her airship to combust and ignite a passion that will forever change the world as she knows it...

Sun of Suns Karl Schroeder,2006-10-03 On the man-made world of Virga, Hayden Griffin sets out to avenge the death of his parents by murdering Admiral Chaison Fanning.

~~Driftmetal~~ J.C. Staudt,2015-01-02 In a shattered world of airships and windborne cities, Captain Muller Jakes' crew betrays him when his plot to steal a fortune in gravestone goes awry. A lost city, a

deadly sabotage, and a series of narrow escapes will force him to choose between his freedom and the lives of thousands. A high-flying adventure full of gadgetry, treachery and intrigue; a pleasing blend of steampunk and cyberpunk. Google Keywords: free, freebie, steampunk, cyberpunk, crossover, action, adventure, male protagonist, heist, airships, dirigibles, pirates, thieves, antihero, gadgets, gizmos, androids, cyborgs, floating islands, flying ships.

The Flying Ship and Its Crew Oludotun Coker,2023-09-14 In a world where the boundaries of the possible are constantly pushed, where dreams take flight beyond the confines of the earth, and where innovation knows no bounds, the tale of The Flying Ship and Its Crew takes center stage. This is not just an adventure novel; it's a sustainable living story that soars among the clouds, an epic clean energy fiction narrative that combines the thrill of exploration with the awe of discovery. As you embark on this remarkable eco-friendly adventure, you'll be introduced to a crew like no other, a group of intrepid individuals who dare to push the boundaries of human achievement. Together, they embark on an audacious dreamers' journey, one that involves not only conquering the skies but also unearthing

the secrets of innovation, the power of clean energy, and the island wisdom that guides their path. This flying ship is more than a vessel; it's a symbol of human ingenuity, a testament to the spirit of adventure, and a beacon of environmental exploration. It represents the fusion of dreams and engineering, the realization of an inventor's dream, and the embodiment of eco-friendly ideals. Join us as we follow the journey of this flying ship and its extraordinary crew. Together, they'll navigate uncharted territories, encounter mysterious horizons, and uncover the wonders of a world above. Their adventure is not just a flight of fancy but a pursuit of knowledge, a celebration of collaboration, and a reminder that the sky is not the limit—it's just the beginning. So, fasten your seatbelts and prepare to soar among the clouds, explore the unknown, and witness the birth of innovation as we embark on *The Flying Ship and Its Crew*, an environmental exploration and innovation narrative that will captivate your imagination and inspire you to reach for the skies.

The Star Thief Lindsey Becker, 2017-04-11 The constellations come to life in this imaginative fantasy adventure debut. Honorine's life as a maid at the Vidalia mansion is rather dull, dusting

treasures from faraway places and daydreaming in front of maps of the world. But everything changes when she catches two brutish sailors ransacking Lord Vidalia's study, and then follows a mysterious girl with wings out into the night.... Suddenly, Honorine is whisked into the middle of a battle between the crew of a spectacular steamship and a band of mythical constellations. The stars in the sky have come to life to defend themselves against those who want to harness their powers. Much to her surprise, Honorine is the crux of it all, the center of an epic clash between magic and science, the old ways and the new. But can this spirited young girl bring both sides of a larger-than-life fight together before they unleash an evil power even older than the stars?

Getting the books **Steampunk Flying Ship** now is not type of inspiring means. You could not deserted going bearing in mind ebook buildup or library or borrowing from your friends to log on them.
