**Resilience Project, The** Hugh van Cuylenburg, 2019-11 THE NATIONAL BESTSELLER \*1 in 4 adolescents have a mental illness \*1 in 7 primary school kids have a mental illness \*1 in 5 adults will experience mental ill-health throughout the year \*65% of adolescents do not seek help for mental illness Hugh van Cuylenburg was a primary

school teacher volunteering in northern India when he had a life-changing realisation- despite the underprivileged community the children were from, they were remarkably positive. By contrast, back in Australia Hugh knew that all too many people found it hard to be happy, or suffered from mental illnesses such as depression and anxiety. His own little sister had been ravaged by anorexia nervosa. How was it that young people he knew at home, who had food, shelter, friends and a loving family, struggled with their mental health, while these kids seemed so contented and resilient? He set about finding the answer and in time came to recognise the key traits and behaviours these children possessed were gratitude, empathy and mindfulness. In the ensuing years Hugh threw himself into studying and sharing this revelation with the world through The Resilience Project, with his playful and unorthodox presentations which both entertain and inform. Now, with the same blend of humour, poignancy and clear-eyed insight that The Resilience Project has become renowned for, Hugh explains how we can all get the tools we need to live a happier and more fulfilling life. In this book you will discover- \* Powerful and touching stories from people Hugh has met and helped during his years on the road spreading the message of resilience. \* An exploration of the neuroscience of 'resilience' and how we can address it. \* The crucial role of parents in helping raise happier children (and how to do it). 'Hilarious, inspiring and heartbreakingly vulnerable, this book has the potential to be life-changing' Missy Higgins

Puppetry of the Penis Simon Morley, David Friend, 2010 A few years ago, Simon Morley and David Friend began performing their repertoire of dick tricks' live onstage in Melbourne. After a hit first season at the 1998 Melbourne Comedy Festival, they embarked on a national tour, which took eight months, covered 20,000 kilometres and was captured in all its glory in the documentary 'Tackle Happy'. Receiving overwhelming critical

acclaim at the 2000 Edinburgh Festival, Puppetry of the Penis was a sell-out West End hit in London, and took New York and North America by storm in 2001. The show now continues to travel the world, liberating and enthralling its audiences, having now been performed in 3 languages, in over 30 countries, by over 60 Puppeteers trained up by the masters. Simon and David officially now have the most famous, flaccid penises on earth. Now, for the first time, the secrets of the Ancient Australian Art of Genital Origami are revealed. **Ten Steps to Nanette** Hannah Gadsby, 2022-03-29  
NEW YORK TIMES BESTSELLER • Multi-award-winning Hannah Gadsby broke comedy with her show Nanette when she declared that she was quitting stand-up. Now she takes us through the defining moments in her life that led to the creation of Nanette and her powerful decision to tell the truth—no matter the cost. “Hannah is a Promethean force, a revolutionary talent. This hilarious, touching, and sometimes tragic book is all about where her fires were lit.”—Emma Thompson ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Entertainment Weekly, PopSugar “There is nothing stronger than a broken woman who has rebuilt herself,” Hannah Gadsby declared in her show Nanette, a scorching critique of the way society conducts public debates about marginalized communities. When it premiered on

Netflix, it left audiences captivated by her blistering honesty and her singular ability to take them from rolling laughter to devastated silence. *Ten Steps to Nanette* continues Gadsby's tradition of confounding expectations and norms, properly introducing us to one of the most explosive, formative voices of our time. Gadsby grew up as the youngest of five children in an isolated town in Tasmania, where homosexuality was illegal until 1997. She perceived her childhood as safe and "normal," but as she gained an awareness of her burgeoning queerness, the outside world began to undermine the "vulnerably thin veneer" of her existence. After moving to mainland Australia and receiving a degree in art history, Gadsby found herself adrift, working itinerant jobs and enduring years of isolation punctuated by homophobic and sexual violence. At age twenty-seven, without a home or the ability to imagine her own future, she was urged by a friend to enter a stand-up competition. She won, and so began her career in comedy. Gadsby became well known for her self-deprecating, autobiographical humor that made her the butt of her own jokes. But in 2015, as Australia debated the legality of same-sex marriage, Gadsby started to question this mode of storytelling, beginning work on a show that would become "the most-talked-about, written-about, shared-about comedy act in years" (*The New York Times*). Harrowing and hilarious, *Ten Steps to Nanette* traces Gadsby's growth as a queer person, to her ever-evolving relationship with comedy, and her struggle with late-in-life diagnoses of autism and ADHD, finally arriving at the backbone of

Nanette: the renouncement of self-deprecation, the rejection of misogyny, and the moral significance of truth-telling.

Uganda Be Kidding Me Chelsea Handler, 2014-03-04  
Wherever Chelsea Handler travels, one thing is certain: she always ends up in the land of the ridiculous. Now, in this uproarious collection, she sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side-except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, UGANDA BE KIDDING ME has Chelsea taking on the world, one laugh-out-loud incident at a time.

**Tonight With Donny Stix** Philip Ridley, 2017-01-17 It's at times like this I'm inspired by The Stupendous Santini. He toured the mid-West during the 1930s, entertaining farmers

affected by the Dust Bowl. No one would have remembered him were it not for the fact that during his most famous trick – sword swallowing – he accidentally punctured a lung and died on the spot. He became a legend. Donny has committed an act that shocked everyone. Tabloids called him The Most Hated Boy Alive. But Donny doesn't want forgiveness. All Donny wants is . . . his own television show. Written by internationally acclaimed writer Philip Ridley, *Tonight With Donny Stixx* is the companion piece to Ridley's 2013 Fringe First-winner *Dark Vanilla Jungle*, and received its premiere at the Soho Theatre, London, on 27 July 2015 before premiering at the Edinburgh Festival Fringe.

**Check Up: Our NHS at 70** Mark Thomas, 2018-08-14  
Celebrating the 70th anniversary of the founding of the NHS, award-winning comedian and activist Mark Thomas takes a look at our NHS, what state it's in, where it's going, and what we need to do to keep it. To create this show Mark Thomas conducted a series of public interviews with academics and practitioners, he spent a month in residency at the Imperial Healthcare Trust, and he spoke to a retired doctor about what could go wrong with his own health over the coming years. The result is this funny, raw and angry show about a service created, in its founder's words in place of fear, which is now threatened by lack of funding. Through the interviews and hospital scenes recreated in the show, we see a service held together by dedicated staff, crippled by government policy which has created an internal market and indebted by PFI contracts from which

private companies have made millions. This informative show toured venues throughout the UK in 2018, and is a strong wake-up call for those who want to see the NHS survive.
