

Steve Coogan

Abbie Ross

Easily Distracted Steve Coogan, 2015-10-08 Steve Coogan was born and raised in Manchester in the 1960s, the fourth of six children. From an early age he entertained his family with impressions and was often told he should 'be on the telly'. Failing to get into any of the London-based drama schools, he accepted a place at Manchester Polytechnic School of Theatre and before graduating had been given his first break as a voice artist on the satirical puppet show Spitting Image. The late eighties and early nineties saw Coogan developing characters he could perform on the comedy circuit, from Ernest Moss to Paul Calf, and in 1992 he won a Perrier award with John Thomson. It was around the same time, while working with Armando Iannucci and Patrick Marber on *On The Hour* and *The Day Today*, that Alan Partridge emerged, almost fully formed. Coogan, once a tabloid fixture, is now a respected film actor, writer and producer. He runs his own production company, Baby Cow, has a raft of films to his name (from *24 Hour Party People* to *Alpha Papa*, the critically-acclaimed Partridge film), six Baftas and seven Comedy Awards. He has found huge success in recent years with both *The Trip* and *Philomena*, the latter bringing him two Oscar nominations, for producing and co-writing. In *Easily Distracted* he lifts the lid on the real Steve Coogan, writing with distinctive humour and an unexpected candour about a noisy childhood surrounded by foster kids, his attention-seeking teenage years and his emergence as a household name with the birth of Alan Partridge.

Alan Partridge Steve Coogan, Peter

Baynham, Patrick Marber, Armando Iannucci, 2004-11

Alan Partridge is Britain's most remarkable broadcaster. He's scaled the giddy heights of a short-lived TV chat show, and the crashing lows of twenty-six weeks in a motel equidistant between Norwich and London. He's survived the death of a guest on air, his wife leaving him for a fitness instructor, an encounter with a mentalist fan, being crushed beneath a dead cow and incomplete sex with a woman he was supposed to be sacking. He's suffered a breakdown, Toblerone addiction, weight gain and his autobiography *Bouncing Back* being withdrawn and pulped. But Alan continues to bounce back - resilience and Gordon are his middle names. He's still playing his eclectic mix of music and hosting phone-ins on subjects as controversial as 'Should the police learn Kung-Fu?' and 'How long could you survive on just crisps?' *Alan Partridge: Every Ruddy Word* charts Alan's incredible journey - from his first, unforgettable radio chat show, to the recent construction of a house to his own specifications. Why don't you join him? Join him . . .

Alan Partridge Steve Coogan, 2003 Through a combination of naked ambition, selfishness and insensitivity, Alan Partridge made himself the man he is. But it wasn't always easy. clinically fed up, but he bounced back - to somewhere close to where he was before, but less high profile. He's enjoyed everything a life in broadcasting has to offer, and encountered mentalists, scary Irishmen, lady boys, Scotch eggs, Mick Hucknall and rejection along the way.

Alan Partridge: Nomad Alan Partridge, 2016-10-20
As seen on This Time with Alan Partridge on BBC One. THE SUNDAY TIMES BESTSELLER Praise for *Nomad*: 'Funniest book of the year' Sunday Telegraph 'Alan Partridge's *Nomad* is almost certainly the funniest book ever written' Caitlin Moran 'Sensationally funny. What brilliant writing' Richard Osman 'Sensational' Jenny Colgan 'Hilarious' Jon Ronson 'Brilliantly funny' Marcus Brigstocke In *ALAN PARTRIDGE: NOMAD*, Alan dons his boots, windcheater and scarf and embarks on an odyssey through a place he once knew - it's called Britain - intent on completing a journey of immense personal significance. Diarising his ramble in the form of a 'journey journal', Alan details the people and places he encounters, ruminates on matters large and small and, on a final leg fraught with danger, becomes - not a man (because he was one to start off with) - but a better, more inspiring example of a man. This deeply personal book is divided into chapters and has a colour photograph on the front cover. It is deeply personal. Through witty vignettes, heavy essays and nod-inducing pieces of wisdom, Alan shines a light on the nooks of the nation and the crannies of himself, making this a biography that biographs the biographer while also biographing bits of Britain.

I, Partridge Steve Coogan, 2011 Journalist, presenter, broadcaster, husband, father, vigorous all-rounder - Alan Partridge - a man with a fascinating past and an amazing future. Gregarious and popular, yet Alan's never happier than when relaxing in his own five-bedroom, south-built house with three acres of land and access to a

private stream. But who is this mysterious enigma? Alan Gordon Partridge is the best - and best-loved - radio presenter in the region. Born into a changing world of rationing, Teddy Boys, apes in space and the launch of ITV, Alan's broadcasting career began as chief DJ of Radio Smile at St. Luke's Hospital in Norwich. After replacing Peter Flint as the presenter of Scout About, he entered the top 8 of BBC sports presenters. But Alan's big break came with his primetime BBC chat show Knowing Me, Knowing You. Sadly, the show battled against poor scheduling, having been put up against News at Ten, then in its heyday. Due to declining ratings, a single catastrophic hitch (the killing of a guest on air) and the dumbing down of network TV, Alan's show was cancelled. Not to be dissuaded, he embraced this opportunity to wind up his production company, leave London and fulfil a lifelong ambition to return to his roots in local radio. Now single, Alan is an intensely private man but he opens up, for the second time, in this candid, entertaining, often deeply emotional - and of course compelling - memoir, written entirely in his own words. (Alan quickly dispelled the idea of using a ghost writer. With a grade B English Language O-Level, he knew he was up to the task.) He speaks touchingly about his tragic Toblerone addiction, and the painful moment when unsold copies of his first autobiography, Bouncing Back, were pulped like 'word porridge'. He reveals all about his relationship with his ex-Ukrainian girlfriend, Sonja, with whom he had sex at least twice a day, and the truth about the thick people who make key decisions at the BBC. A

literary tour de force, I, Partridge: We Need to Talk About Alan charts the incredible journey of one of our greatest broadcasters.

Stephen John Steve Coogan (born 14 October 1965) is an English actor, comedian, writer, impressionist and producer. Born in Middleton, Greater Manchester, he began his career as a comedian and impressionist, working as a voice artist throughout the 1980s on satirical puppet show Spitting Image. Small Man in a Book Rob Brydon, 2011-10-13 Rob Brydon tells story of his slow ascent to fame and fortune in *Small Man in a Book*. A multi-award-winning actor, writer, comedian and presenter known for his warmth, humour and inspired impressions, Rob Brydon has quickly become one of our very favourite entertainers. But there was a time when it looked like all we'd hear of Rob was his gifted voice. Growing up in South Wales, Rob had a passion for radio and soon the Welsh airwaves resounded to his hearty burr. However, these were followed by years of misadventure and struggle, before, in the TV series *Marion and Geoff* and *Gavin and Stacey*, Rob at last tickled the nation's funny bone. The rest, as they say, is history. Or in his case autobiography. *Small Man in a Book* is Rob Brydon's funny, heartfelt, honest, sometimes sad, but mainly funny, memoir of how a young man from Wales very, very slowly became an overnight success. Rob Brydon was brought up in Wales, where his career began on radio and as a voiceover artist. After a brief stint working for the Home Shopping Network he co-wrote and performed in his breakthrough show, the darkly funny *Human Remains*. He has since starred in the immensely popular *Gavin and Stacey*, Steve Coogan's partner in *The Trip*, and was the host of *Would I Lie to You?* and *The Rob Brydon Show*. He now lives in London with his wife and five children.

Northern Soul Elaine Constantine, Gareth Sweeney, 2013-09-06 The story of Northern Soul is one of practically total immersion, dedication and devotion, where the plain concept of the 'night out' was elevated to sacramental dimensions. Where devotees pushed their bodies, their finances and sometimes their minds to brutal and unforgiving extremes. For those who went through that involvement every test of faith or endurance was worth bearing. - From Northern Soul: An Illustrated History. 'It was a drugs scene, it was a clothes scene. It was about dancing. It came out of this thing. It was about pills that made you go fast. To go fast to make the scene happen.' - Chris Brick In the late 1960s, a form of dance music took a feverish hold on the UK, finding its heart in the north of England. The music of 1960s-70s black American soul singers combined with distinctive dance styles and plenty of amphetamines to create what became known as Northern Soul – a scene based around all night, alcohol-free club nights, arranged by the fans themselves – setting the blueprint for future club culture. Northern Soul tapped into a yearning for individual expression in northern teenagers, and exploded into a cultural phenomenon that influenced a generation of DJs, songwriters and

designers for decades to come. Acclaimed photographer and director Elaine Constantine has brought the movement to life in her film Northern Soul – and that film was the starting point for this book, Northern Soul: An Illustrated History. However, what started out as a project largely comprising of Constantine's stunning on-set photography, featuring her young, talented cast and highly authentic production, has turned into a unique illustrated history of Northern Soul. In its final form, the beautiful new photography holds the book together thematically, but its real depth lies in the material from the 1960s, 1970s and 1980s that Elaine and Gareth have researched and pulled together. Of course, no book can claim to represent everything about a culture. But Northern Soul: An Illustrated History concentrates on individuals' personal stories from that heady era, as well as being crammed full of truly atmospheric contemporaneous photography – not from press photographers, but from the kids themselves. Be it snaps of soul fans in car parks, hitching a lift or mucking around in photo booths, the combination of real people plus real (and often very dramatic) stories – not to mention the complete absence of label scans and DJ's top tens – means that the book stands out as a very different proposition from anything yet published on Northern Soul. We would like to think that above all, this book attempts to give you a feel for what it was really like to be there at the time.

Philomena (Movie Tie-In) Martin

Sixsmith, 2013-11-06 New York Times Bestseller The

heartbreaking true story of an Irishwoman and the secret she kept for 50 years. When she became pregnant as a teenager in Ireland in 1952, Philomena Lee was sent to a convent to be looked after as a "fallen woman." Then the nuns took her baby from her and sold him, like thousands of others, to America for adoption. Fifty years later, Philomena decided to find him. Meanwhile, on the other side of the Atlantic, Philomena's son was trying to find her. Renamed Michael Hess, he had become a leading lawyer in the first Bush administration, and he struggled to hide secrets that would jeopardize his career in the Republican Party and endanger his quest to find his mother. A gripping exposé told with novelistic intrigue, Philomena pulls back the curtain on the role of the Catholic Church in forced adoptions and on the love between a mother and son who endured a lifelong separation.

Hippy Dinners Abbie Ross, 2015-03-12 In 1972 Abbie Ross's cosmopolitan parents move the family from London to rural North Wales, exchanging a town house in Islington for a remote farmhouse on a hill. Abbie's Liverpool grandmothers are dedicated followers of Liberace, sleek in scented mohair and patent leather and are

sure theyâ€™ve lost their minds. For Abbie, though, the only cloud on the horizon is the nearby hippy commune and its inhabitants. There are worrying signs that this is the sort of â€˜better lifeâ€™ that her parents have in mind. Brilliantly evoking a particular time and place, Abbieâ€™s memoir re-creates a world of dens and pineapple chunks, of John Cravenâ€™s Newsround and fishing for sticklebacks â€˜and the joy but also the burning powerlessness of being a child. Disgusted by her fatherâ€™s â€˜yogic flyingâ€™ and her motherâ€™s taste for brown bread and billowing cheesecloth (with no bra), Abbie is desperate not to be different. Far better, she thinks, to fit in with shouting, pathologically nosy Sara across the fields, or stay close to Philip next door â€˜paralysingly shy and with a preference for orange food and no trousers (â€˜nice to have a bit of airâ€™) ... Rich with detail that reveals a whole world, Hippy Dinners is very funny and full of heart. It is also a delicate and astute portrait of the brutal realities of â€˜a simple lifeâ€™.
