Phoenix Fire Conor McCarthy, 2024-04-15 A devastating plague has ravaged the Earth. It attacks the brain, plunging its victims into a violent animal-like state. Over two years, civil societies crumbled into chaos. Governments called up their militaries to keep order. Scientists have worked feverishly to find a cure. Plans were made, but then there was silence. In an event called the Blackout, all orders and communications with higher authorities ceased without warning. David Schoul was a soldier drafted into the Army and stationed in St. Louis. After the Blackout, Dave and his childhood friend, Jack McLane, are left with a choice. They can stay with their seemingly abandoned unit with dwindling supplies or desert their posts, returning to their families. They choose the latter, embarking on a perilous journey across the state. Their return, however, unfolded in tragedy. Jack forces Dave to help him break his brother out of prison, leading to unforeseen complications. Eventually, they return to their hometown only to discover it devastated and overrun with the deadly infected. Dave's family is gone, and his beloved girlfriend Kim is missing. If things couldn't get worse, Jack's brother is now infected. Jack and Dave's friendship is then torn apart after Dave is forced to deal with the threat. Now alone and heartbroken, David must survive battling not only the relentless onslaught of savage infected but also murderous gangs of survivors. After six years, he has finally carved a life in this unforgiving new world. Dave is living comfortably in a cabin in the woods, but a chance encounter turns everything on its head. Kim has returned, seemingly from the dead. She is not alone. Jack and a gang he

now leads, are with her, and they have an offer that Dave cannot refuse. Dave must navigate fragile alliances, survive terrifying encounters, and solve dark mysteries while on a journey across the post-apocalyptic American Heartland. *Phoenix Fire* is an original novel, written for readers who enjoy action, adventure, survival, and the age-old tales of heroes and monsters in a modern setting.

My Kingdom Michael F. Donoghue, 2014-06-09 Daniel, a British soldier, has completed a deployment into India's North Western Frontier in the spring of 1914. He returns to London and the Army Reserves. Daniel embraces a new life and career with his family ... until Britain declares war. Daniel reports for duty and arrives in France with the British Expeditionary Force while the conflict is still a mobile war. During the retreat from Mons, Daniel's battalion receives orders to go into action. The Irish are eager, but the German Hammer appears unstoppable. Although a small French village will become synonymous with his regiment's valour, Daniel's wife, Mary, and sons Steven and David are in the dark without word of their loved one's fate. Finally, The Times publishes The Honour Roll. Daniel's name is among the columns of those listed as Missing. One uncertain word changes their lives forever. This stirring epic chronicles the courage of a soldier and his family through the entire tragedy that becomes World War 1. From the home front and its hospital wards, to the battle front and beyond, if you read only one book to commemorate the Great War's centennial, let it be My Kingdom. Based on a true story.

Baseball Dads Matthew S. Hiley, 2015-09-15 An irreverent black comedy about sex, drugs, murder... and children's baseball. Dwayne Devero is just like you and me, except he simply doesn't give a s**t any more. He's had enough. He's done with people living life wrong. You'll do it right, or he'll bury you under the bases at the ballpark where he coaches. It's just that simple. Tired of poor decisions being made all around him, from the politics of player positions on his son's little league baseball team to the philandering of his wife in his own bedroom, Dwayne decides that breaking is better than bending. What follows is a wild ride full of carnage and revenge, led by a man who will stop at absolutely nothing to bring honor back to his family, his community... and children's baseball. Baseball Dads is a pitch black comedy in which one man takes on the duty of bludgeoning

honor back into a sometimes dishonorable world.

No Secrets (Gay Romance Bundle) Reya Karl, *No Secrets: Gay Romance Bundle* is a box set of 3 steamy gay love stories featuring sensual and sweet M/M romance. From lusty first times, to new self-discoveries, to love that stands the test of time, these three gay love stories by Reya Karl are guaranteed to stimulate you, make you fan yourself, and leave you satisfied with happy endings. Contained in this gay romance collection are the full-length M/M romance novels *The Plan*, *The Reunion*, and *The Secret*. * *The Plan* Bad break-up, moving to a new city, starting a new job. Who hasn't experienced that before? I expected this whole thing to be cliché and predictable. What I never expected was for my new boss, Greg, to be drop-dead gorgeous. Six-feet tall, endless eyes, and a sexy-as-sin body that I could explore every inch of. Just one problem, though... I don't know if he's gay. I can't stop thinking about my new boss... and of all the ways he could touch me. Of all the ways he could love me. I need a plan if I'm going to get this man. * *The Reunion* It all started with a chance encounter. I bumped into Gary in St. Ives, the sea-salty air whipping past us. His deep brown eyes stopped time itself, and the coppery hair that lined his chest sparkled in the sun. Little did I know that we were schoolmates way back when. An impromptu reunion, you could say. But I had no idea what lay in store for me. Gary invited me onto his yacht. Gary flirted with me. And before I knew it, every inhibition I had was crumbling. This was supposed to be a relaxing holiday. Who could have expected it would turn into a torrid affair with a gorgeous man? Who could have expected that happily ever after might just be on the itinerary? * *The Secret* I've kept a secret from my roommate and best friend for years. I'm obsessed with him. I fantasize about him. I dream about him. I yearn for him. I've kept it a secret because I know he's not into men. I know he's straight. I mean, something between us just isn't possible. But what would happen if he found out my secret? Would his world change? Could he even possibly

change? I'm not sure... but I'm about to find out. Because my secret? ...It's not a secret anymore. No, the man I'm in love with found out.

Steve Nash Dave Feschuk, Michael Grange, 2013-10-29 From the authors of the national bestseller *Leafs AbomiNation*, the story behind the success of one of Canada's greatest athletes, NBA all-star Steve Nash. A small man in a big man's game, a white man in a game dominated by black men, a rare Canadian in a US-based industry, the unlikely rise of Steve Nash, from Victoria high school to Hollywood hardwood, is compelling proof that great things await those who refuse to accept less of themselves. Nearly 2 decades into a Hall of Fame-bound career, Nash is a 2-time MVP, an 8-time all-star and wearer of one of the league's top-selling jerseys. And no one but Nash saw it coming. With the combination of wit and comprehensive reporting that distinguished *Leafs AbomiNation*, Feschuk and Grange tell the extraordinary story of drive, confidence, commitment and learning to do without that post-game beer that turned a Canadian's improbable NBA dream into the stuff of sporting legend. They convincingly bust a host of oft-repeated myths. That Nash is an inferior athlete is one: he might be one of the best athletes in the world, when factors like coordination, vision, balance and work ethic are given weight alongside size, speed and power. The myth that he overcame his upbringing in Canada to make it in the NBA is another: Growing up in Victoria, B.C., in the mid-1980s was more likely why he turned into the player he did. Revealing, playful and a perfect read for any sports fan, *Steve Nash* is the inspiring story of the consummate athletic outlier.
