Steve Callaghan

Family Guy: Stewie's Guide to World Domination Steve Callaghan, 2005-04-26 For the first time ever a cancelled show has been resurrected on the basis of its cult following in syndication, on the internet and on DVD (Over 2.2 million DVDs sold to date!) and we've got the tie-in book authored by one of the show's hilarious lead writers and animators! At first sight, the Griffens may seem like a normal blue collar family from Quonochontaug Rhode Island, but Peter (the family's loutish dad), Brian (the erudite, martini-swilling pet dog) and Stewie (the evil toddler son) set them apart from all others. Now Stewie--a true baby genius and the most popular of the Griffen clan--speaks out. Having been hell bent on achieving world domination ever since he escaped the cursed ovarian Bastille he was incarcerated in for nine grueling months, he has finally decided that in order to rule the world we live in one must first understand it. Herewith are his musings on family, love, parenting, preschool, work, pop culture, politics and more. If only we knew then what Stewie knows now, adults everywhere could have defeated their mother's matriarchal tyranny and toppled the gynocracy she ruled over . . . and god knows what else! This book is for the insufferable child in us all, eager to buck the ways of the old guard or just eager for a laugh.

The Return of Stewie Stein Stan Weisleder, 2012-05-02 Who is Stewie Stein? We all know him. He is all around us and part of us. He has over the years become an integral part of our culture and the American psyche. He is in fact the embodiment of, us. The Return of Stewie Stein takes place in the present, almost sixty years after his faked death. Stewie Stein, the wunderkind of the thirties and forties, the original anti-Christ of the entertainment industry has been secretly planning his comeback. Living on a secluded island off the coast of Belize near Punta Gorda at the mouth of the Monkey River with his faithful man-servant, Ramses Macalevy, Stewie Stein has had plenty of time to commiserate and plot his revenge on those broads, faggots and bean counters who now rule Hollywood, all to coincide with his return and one-hundredth birthday. But as fate would have it, the best laid plans of mice and men often go astray.

Stewie the Eagle Dane Stewart, 2019-06-01 Stewie the eagle is a special bird with excellent hunting skills and superb focus vision. He likes to spread his wings as he flies high.

Stewie Peggy Lopez,2020-06-25 The most meaningful part of my story is that it is based on a true story. About a boy from unfortunate circumstances who came to live in the country, and there he found a friend and a dream. When I wrote it, I hoped to inspire children to be open to changes in their life, to dream of a positive future and that dreams can come true; to bring hope, encouragement, and for them to feel the importance of empathy, love, friendship, and commitment to a goal. I feel and hope that this book can inspire children in a positive way.
