Smart Little Mouse Pankey,2020-12-13 This book is for children from 5 years old and up. It has a kind story about Little Smart Mouse who loved freedom. The Author of the book observed such a story in her own house and later just described it to her grandchildren. The book is embellished with very creative photos of the garden and some animals living there. The art design makes it delightful to read. There were many living creatures happily living and playing together in the fragrant garden. The Mother Mouse had babies who wanted to have a new nanny every night with a different lullaby. The Little Smart Mouse wanted to help and invited a tender cat to his house, but mice managed to escape from the hungry cat with the tender voice. Dogs and relatives of the Mother Mouse tried to help her to find her babies. The Mother Mouse serviced the sticky trap because the Master of the house helped her. The Little Smart Mouse remembered that story and freed himself from the trap, as well.
