**The Stone Wizard** Wade Ebeling,2018-05-03 In 1774, using the colonial insurrection as cover, the militant wing of the Camaraderie tried to destroy the secretive order of Builders. Marcus Prathorn ensured that their efforts failed, becoming a legend in the process.

**Wizard Stone** Dee Maltby,2022-02

**Of Wizards and Stones** Kathy Williams,2005-10 Of Wizards and Stones concerns a young woman (early twenties) who unwittingly becomes a focal point in the discovery and recovery of three Stones. These are the Soul of the Land, Soul of the Air, and Soul of the Water. The wizards created them to regulate the environment for the people who reside there, but due to a prolonged war between the three wizards, the Stones became misplaced. Each Stone is attended to by a Wizard and a Keeper, who use the power of the Stones to benefit their people. The Wizard is male, while the Keepers are female. Through the ?magic? of the wizards, anything needed can be produced, such as glowstones to illuminate the homes at night. The current level of development is that similar to early 1500's in rural England, with the population centers consisting of sparsely scattered, hamlets and villages, without heavy industrial machines.

**The Wizard** G. Kirby,2006-02 The darkness comes: In an eruption of fury it arose from the sea. Dark and glistening it churned the water with its huge claws. Like a tidal wave it surged towards the shore. The hero dawns: Facing the charge, on the farthest rock out in the sea stood the lone figure of Zaric. Torn from his wooded village and his first love, Zaric grew in a world of wonder and danger, freedom and fate, all converging on him. A killer seeks him, a mentor trains him as his body is battered and bronzed, his mind whetted and honed, his creativity choked and freed, his anger calmed and enraged as he steps into his birthright and his earned right of The Wizard. The lover watches: High above Zaric Amareena stood on the Bonehorn Cliffs. She was his white-hot pain in all he chose, his centered joy in all he did. Both were torn between her human elven form and his wizard birth. The world hangs suspended: Thrust upward and forced to fight far too soon, the young wizard stood on the rock and faced the charging force of monstrous evil. Let The Wizard enchant your mind, and jolt your heart.

As the wedding day approaches, Richard is visited by three Sisters of Light who insist on bringing him to the Palace of the Prophets to be trained as a Wizard. Meanwhile, the veil to the underworld has been torn, and the Stone of Tears has passed through. **The Fire's Stone** Tanya Huff,2012-08-08 It was a long fall from Clan Heir to common thief, but Aaron never wanted any part of his father's brutal outlander reign. In fact, besides coin purses and jewels, there's very little in all of Cisali that interests Aaron, until he stumbles—quite literally—into a prince's bedchamber... Prince Davish of Ischia is a skilled swordsman both on the field and beneath the sheets, at least when he isn't outrageously drunk. But the wine helps him forget all the ways he's disappointed his father, his family, and soon enough, his young bride-to-be... A trained Wizard of the Nine with more raw talent than real-world experience, Princess Chandra has no interest in the politically arranged marriage. She flees to the royal city of Ischia seeking a way out of the union. But there, she discovers something far more shocking than Prince Davish's rakish reputation... The Stone of Ischia has been stolen. A powerful talisman, The Stone protects the city from the active volcano that looms over its terraces and streets. Without it, Ischia will be destroyed and the kingdom of Cisali will fall. Its only hope is an unlikely band of heroes—a failed thief, a drunken prince, and a runaway wizard—who must face pirates, powerful magic, and their own carefully guarded secrets in order to find and restore the Stone of Ischia. **REVIEWS** “The delightful camaraderie of three unlikely heroes and well controlled fantasy elements make Huff's adventure great fun to read.” —Publishers Weekly “Huff arranges the ordinary elements of fantasy into an extraordinary tale of adventure and transformation.” —Library Journal “An exciting adventure ... they face pirates, storms, traitors ... each has unique talents that can bring their mission to a successful conclusion, each has weakness that could destroy themselves and a city of people.” —Voya

**The Wizard's Stone** Herman P. Hunter,2023-03-03 Odo didn't know what was in store for him when the wizard called him into his study. A simple task--deliver a stone, wrapped, sealed, and warded to a king halfway across the world. To this end, Odo would be guarded by some of the best mercenaries gold could buy. A staggering fortune in gold, in fact. Yet, the outside world outside is not as certain or safe as that of the wizard's compound. A fact that Odo would learn much to his horror and regret.

The Stone of Creation Judah Gibson, D S K Gibson, 2021-07-15 In the world of Erde, much of the past that should be remembered is forgotten. The last Wizard War ended two and a half millennia ago in a draw. The raising of the Partition between East and West prevented further conflict. Powerful objects were hidden or lost. Knowledge passed away. And the West grew lethargic in the relative tranquility of their existence. Their memories have faded into myth. But some history should never be neglected. The prophesies call for vigilance. Master Shawn, a traveling wizard from the Assembly of Abalem, happens upon a slave girl with more potential power than any living wizard. Could she be the prophesied Salvation? And if the Salvation has been found, then what of the Doom? Unbeknownst to the Assembly of Abalem, Salome, of the Brotherhood of Vor'Doon, prepares to open the Partition for her enigmatic and dark master, Lord Molech-the ruler of the East. She leads an army with unwavering purposes: to find The Stone of Creation and The Stone of Knowledge and use them to conquer the West. Both groups race across the land to find what has been lost and stop the other. But who will succeed? The world of Erde-a rich tapestry of kingdoms, free cities, wild men, elves, wizards, dragons and other fantastical creatures-hangs on the outcome of their battle.
