Shadow Storm Christine Feehan, 2021-05-25 A long-simmering feud between two families comes to a head in this gripping novel in Christine Feehan's New York Times bestselling Shadow Riders series. As the youngest member of the Ferraro family, Emmanuelle has watched each of her brothers find happiness in love while her own heart was shattered by a lover's betrayal. For two years she's stayed as far away from Valentino Saldi as possible—until she learns that he's been shot during a hostile takeover of his family's territory. Emme's first instinct is to call her brother Stefano for help, and soon the entire Ferraro clan arrives to bring Val back from the brink of death and protect the Saldis from further attack. With one choice Emme has re-exposed herself to Val's intoxicating pull and dragged her family into the Saldis' private war. A deadly storm is brewing, and only time will tell who survives...

**Storm Shadow: The Battle for Freeland Continues** Sandi J. McReynolds, 2019-03-11 The Ladies of the Cliff have vanished! As the battle for Freeland has worn on, every corner of the kingdom has been touched by the Darkness. Not even the smallest child is beyond its evil assault. The enemy's utter cruelty is breathtaking... beyond any the people could imagine. The most helpless among them have been targeted and viciously attacked in an effort to dishearten the defenders. Word has come that Hyland is under the control of dark forces never before seen in Freeland, commanded by a Dark Lady. Princess Aleiyja and Lady Elomeera have gone to liberate the city and confront the evil sister that Meera still prays can be redeemed from her hate and rebellion. Tales are being told of an epic battle that endured throughout the day along every street and alley of the city and into the countryside. None were courageous enough to follow them outside the city. No one knows the result of the conflict that shook their capital. No one can say if any lived or died. But

though the search still goes on, no sign can be found of the mighty warriors of good and evil, or of their beloved Princess Sunshine. Now the royal family must confront their greatest fears. Somehow the Guardians must find the strength to fight on in the face of such loss. Now, in spite of all Lord Thunderbolt's efforts to save her, the great and magnificent StarDancer stands in a Glen Forest pasture, wasting away from grief as Prince Aleiyn-Jor struggles to make sense of life without his twin. Has the Darkness succeeded? Can Storm Shadow find a way to save his own twin from her sorrow? What of little Feona, the Mystery of the West? How could even the One possibly use such a little one to save Thune? And what greater price will be demanded of the kingdom?

**Storm Shadow** Ted Branston, 2016-07-08 Trained as a lethal killer, his luck ran out in the blast of an IED while on patrol in Helmand Province. With his shattered body healed but his Army career at an end, he returned to his home to start life afresh in the rural countryside of south west England. Little did he realise as he settled back into familiar surroundings and renewed old acquaintances that within a matter of weeks events would decree that his deadly skills would be called upon again. Far from the searing heat of Afghanistan, this time he faced the enemy in his homeland on the Somerset Levels, through the quiet lanes of Cornwall and across the rolling hills of Exmoor.

*Storm Shadows* Kenneth W. Cain, 2021-11-12 "Full of dark tunnels, attic rooms, and creepy toys, Cain's *Storm Shadows* is a tale crept in from your childhood nightmares. Unsettling and atmospheric, you'll want to sleep with the lights on." — Lee Murray, author of *Grotesque: Monster Stories* Upon moving to the Midwest, Juanita "Nita" Luisa Mendez explores her family's new home and stumbles upon a stuffed gorilla, locked away in a unique attic. When the stuffed gorilla begins to

haunt her nightly, desperation fills her. Not only is she attending a new school, but she's now overtired, and that catches the eye of a group of bullies who torment her. If it were just a stuffed gorilla and a few bullies, maybe Nita could overcome her adversities; but soon the horrific shadow people come after her, and Nita is caught up in a whirlwind of terror. Nita befriends a boy named Bobby, and together they explore a strange blue light in Nita's attic. By accident, the two teenagers find themselves transported into a parallel world inhabited by an entity called Shade, who feeds on shadows and can also control them within earthly vessels like the stuffed gorilla. Running from Shade, they come across all forms of bewildering flora and fauna, some of which can aid them in their quest to get back home safely. But it isn't until they run into Spark, one of the beings who originally called Shade's realm home, that they learn the true nature of this strange place. "Prepare to be surprised that this book isn't quite the haunted house book you may be expecting at first. In fact, abandon all expectation and enjoy the thrilling journey that Cain provides in this short, but impactful story! Creepy toys, malevolent shadows, and distant worlds await!" — Somer Canon, author of *A Fresh Start* and *The Hag Witch of Tripp Creek*
