

Stuntman

Don Rauf

Stuntman! Hal Needham, 2011-02-09 The classic no-holds-barred memoir from Hollywood's most legendary stuntman -- an inspiration for Brad Pitt's character Cliff Booth in *Once Upon a Time in Hollywood* -- is full of incredible stories as told by a real man of action (Arnold Schwarzenegger). Yep that's me, Hal Needham, on the cover doing a fire stunt. When you're on fire you don't dare breathe because if you do, you'll suck those flames right down your throat. I was Hollywood's highest paid stuntman so I should know. I wrecked hundreds of cars, fell from tall buildings, got blown up, was dragged by horses, and along the way broke 56 bones, my back twice, punctured a lung and knocked out a few teeth...I hung upside down by my ankles under a bi-plane in *The Spirit of St. Louis*, jumped between galloping horses in *Little Big Man*, set a world record for a boat stunt on *Gator*, jumped a rocket powered pick-up truck across a canal for a GM commercial, was the first human to test the car airbag-and taught John Wayne how to really throw a movie punch. Life also got exciting outside of the movie business. I had my Ferrari stolen right from under my nose, flew in a twin-engine Cessna with a passed out pilot, rescued the cast and crew from a Russian invasion in Czechoslovakia, and once took six flight attendants on a date. I owned the Skoal-Bandit NASCAR race team, the sound-barrier breaking Budweiser Rocket Car and drove a souped-up, fake ambulance in a little cross-country race called *The Cannonball Run*, which became the movie I directed by the same name. Oh yeah, I also directed *Smokey and the Bandit*, *Hooper* and several other action/comedy movies that I liked a bunch. I was a sharecropper's son from the hills of Arkansas who became a Hollywood stuntman. That journey was a tough row to hoe. I continually risked my life but that was the career I chose. I was never late to the set and did whatever I had to do to get the job done. Hollywood's not all sunglasses and autographs. Let me tell you a few stories...

The True Adventures of the World's Greatest Stuntman Vic Armstrong, Robert Sellers, 2011-05-17 No CGI can match what Vic can accomplish - Steven Spielberg Vic is The Man - Pierce Brosnan Vic Armstrong is, of course, a legend - Martin Scorsese This is the best and most original behind-the-scenes book I have read in years, gripping and revealing. Vic Armstrong is modest, humorous and wry - altogether brilliant company. - Roger Lewis, Daily Mail [A] page-turner... I couldn't put it down! I had a great time reading this book and give it my highest recommendation. - Leonard Maltin [Vic has] been this unheralded savior of movie magic for decades, and hearing how he makes the incredible credible is a must for any film fan. - Hollywood.com Armstrong's a fascinating guy and a straight shooter. His book is fantastic. - Ain't It Cool News The man is a legend in the industry... [A] mind-blowing, must-read biography. - Movies.com The movie memoir of the year! - SciFi Mafia [Vic] talks to you like he's your cool uncle, or the uncle you wished you had, really down to earth, but at the same time you can tell he's got a twinkle in his eye as he's talking... - Geek Six "A hell of a read." - Film School Rejects The key to an entertaining autobiography is a combination of good stories to tell and a distinctive life; Armstrong has them both. - Library Journal Armstrong has done it all. - Empire A spills'n'thrills ride through a fast-forward life in pictures. - The Times Armstrong takes us on the spectacular journey of his life that left me wondering who would be brave enough to play him in a movie. What a legacy! What a life! What a book! - Geeks of Doom -- Think you don't know Vic Armstrong? Wrong! You've seen his work in countless films... He's been a stunt double for James Bond, Indiana Jones and Superman, and he's directed action scenes for three Bond movies, *Mission Impossible 3*, *Thor*, and the upcoming *The Amazing Spider-Man* to name but a few. Counting Harrison Ford, Steven Spielberg and Arnold Schwarzenegger among his friends, and officially credited in the Guinness Book of World Records as the World's Most Prolific Stuntman, Vic's got a lot of amazing stories to tell, and they're all here in this - the movie memoir of the year!

The Full Burn Kevin Conley, 2011-01-15 In *The Full Burn*, acclaimed journalist Kevin Conley goes inside one of the coolest - and most dangerous - jobs in the world. With bravura storytelling and full access to many of the legends of the field, Conley gives a behind-the-scenes view of the stuntman's life: the history, the culture, and the tricks of the trade, showing how-and why-stuntmen do what they do. He even subjects himself to the stuntman's rite of passage -- the book's eponymous stunt -- in which he is doused in jellied gasoline and set aflame. This is truly immersion journalism at its finest.

Jock Mahoney Gene Freese, 2013-10-18 Iowa-born Jock Mahoney was an elite athlete and U.S. Marines fighter pilot prior to falling into a film career. He is widely considered to be one of the greatest stuntmen in movie history, having taken leaps and bounds for Errol Flynn, John Wayne, Randolph Scott, and Gregory Peck. One of the first stuntmen to successfully move into acting, he was the popular star of the 1950s television westerns *Range Rider* and *Yancy Derringer* and twice played Tarzan on the big screen, presenting a memorable portrayal of an educated, articulate and mature jungle lord true to author Edgar Rice Burroughs' original vision. Filming in real jungles around the world took a physical toll on Mahoney that transformed him from leading man to burly character actor. He had to overcome the effects of a stroke but true to his tough guy nature rose above it to resume his life's many adventures. Mahoney was beloved by fans at conventions and appearances until his untimely demise in 1989 from a stroke-caused motor vehicle accident.

Stars, Stunts and Stories Carl Ciarfallo, Teri Ryan, 2015-09-15 Veteran Hollywood stuntman Carl Ciarfallo shares behind-the-scenes tales about mega-stars and directors, gnarly stunts and powerful real-life moments-including the time he got run over for real by a half-ton truck. As compelling as your favorite action movie, *Stars, Stunts, and Stories* will have you turning the pages...and glued to your seat!

Confessions of a Hollywood Stunt Man (or It Seemed Like a Good Idea at the Time!) Jesse Wayne, 2019-05-20 Veteran stuntman Fred Krunch Krone, Stuntmen's Assn. co-founder and first secretary, treasurer, said Jesse has written what no one has ever said or would dare say. It's a must read. Jesse's attention to detail made this book hard to put down. As a youngster, I grew up visiting the sets watching Jesse work with my father (a veteran stuntman himself). Now being a stuntman myself for many years, it has been a pleasure to relive a lot of those historic days through Jesse's words. I've read all of the books by stunt performers and Jesse's is the best. Great job Jesse! Veteran stuntman Vince Deadrick, Jr. If you would like to take a book trip through a day to day and year to year life of a stuntman, this is the real deal. The path is laden with egos, conditions, danger, personalities, talent, and lack of talent. I'm a thirty-two year veteran stuntman and Jesse took my mind out of retirement, and back on the set with this book. Jack Verbois SAMP Lifetime Member Not all stunt men are six-feet tall. *Confessions of a Hollywood Stunt Man* is the thrilling saga of a five-foot-four, 18 year old kid who became a stunt double for Hollywood's most famous short men, women and children. In an adventurous, daring career spanning 40 years, Jesse Wayne details the many comedic and tragic incidents in front & behind the cameras, including a vicious murder of an 8 year old black kid on a New Orleans film location. When the Stuntmen's Association of Motion Pictures was formulated in 1961, he documented its history as secretary, treasurer and board member. Jesse appeared in over 500

TV productions and feature films, in addition to hundreds of live stunt shows. If this seems like a lot, it's because he began in the early days of Los Angeles' live television, when he was eight years old. His most exhilarating experiences was meeting and working with the greatest actors, writers, producers and directors of the 20th Century. In 1959, Jesse became Mickey Rooney's stunt double at MGM. Continuing, he doubled small men, women, and virtually every child actor in Tinseltown. Jesse performed Fights, Car Work, Stair Falls, Bicycles, High Work, High Falls and Horse Work. Fire Gags became one of his prime specialties. He quit water stunts after the Julia Belle Swain riverboat ran over him in the Missouri River on Tom Sawyer (1973) while doubling Jeff East. Jesse also stunt-doubled The Three Stooges (Moe Howard and Larry Fine), Robert Morse, Kurt Russell, Red Buttons, Sir John Mills, Frankie Avalon, Kay Lenz, David Wayne, Leslie Caron, Barbara Stanwyck, Helen Hayes, Harry Morgan, Arte Johnson, José Feliciano, Johnny Crawford, George Gobel, Robin Williams, Gary Burghoff, Strother Martin, John Hillerman, Donald Pleasence, Mel Brooks, Don Johnson, Billie Hayes (aka WitcheePoo), Brenda Vaccaro, Barbara Rhoades, Pamela Austin, Lurene Tuttle, Eddie Hodges, Michael Burns, Buck Kartalian, William 'Billy' Benedict, Richard Bakalyan, Michael J. Pollard, and Mel Tormé and so many more. Jesse has also performed behind the camera as a first assistant director, cinematographer, videographer, director, gun coach, and just about every other job on a movie set.

Hollywood Stunt Performers, 1910s-1970s Gene Scott Freese, 2014-04-10 This biographical dictionary shines the spotlight on several hundred unheralded stunt performers who created some of the cinema's greatest action scenes without credit or recognition. The time period covered encompasses the silent comedy days of Buster Keaton and Harold Lloyd, the early westerns of Tom Mix and John Wayne, the swashbucklers of Douglas Fairbanks, Errol Flynn, and Burt Lancaster, the costume epics of Charlton Heston and Kirk Douglas, and the action films of Steve McQueen, Clint Eastwood, and Charles Bronson. Without stuntmen and women working behind the scenes the films of these action superstars would not have been as successful. Now fantastic athletes and leading stunt creators such as Yakima Canutt, Richard Talmadge, Harvey Parry, Allen Pomeroy, Dave Sharpe, Jock Mahoney, Chuck Roberson, Polly Burson, Bob Morgan, Loren Janes, Dean Smith, Hal Needham, Martha Crawford, Ronnie Rondell, Terry Leonard, and Bob Minor are given their proper due. Each entry covers the performer's athletic background, military service, actors doubled, noteworthy stunts, and a rundown of his or her best known screen credits.

Me and My Saddle-Pal Mickey Gilbert, Rebecca Rockwell, 2014-10-15 Crashing cars, roping wild animals in Africa, jumping off cliffs and getting shot off of horses as bombs explode is all in a day's work for a stuntman in Hollywood, and taking the Lord along has made it all possible for Mickey Gilbert. He's been in the movie business since the 1960s, working as a stuntman, stunt coordinator and a second-unit director on some of the most memorable films Hollywood has ever produced. Butch Cassidy and the Sundance Kid, The Wild Bunch, The Last of the Mohicans, The Electric Horseman, City Slickers and The Blues Brothers are just a few of the titles in his impressive filmography. With over a hundred movies under his belt, Gilbert has doubled such iconic actors as Robert Redford, Paul Newman, Gene Wilder and Harrison Ford, and he has designed and coordinated some of the most exciting stunts the silver screen has ever delivered. Filled with humor, warmth, adventure and all the action you can handle, Me and My Saddle-Pal chronicles Gilbert's journey into Hollywood and takes readers along for ride after wild ride as he recollects his part in the making of some of the industry's greatest films.

Extreme Movie Stunts Don Rauf, 2019-12-15 Stunt performers in movies and television use their athletic ability to bring pulse-racing action to the screen. This book introduces readers to the thrilling world of stunt work, revealing how these daring acts are safely carried out for the screen. Readers learn about the technical aspects of the work, such as the equipment performers use, as well as their workout regimens to stay in shape for their physically demanding jobs. Readers also learn about the precautions taken to keep everyone safe on the set. This book will thrill anyone interested in what goes on behind the action scenes.

Hollywood Stunt Performers Gene Scott Freese, 1998 Hollywood's stuntmen and stuntwomen willingly risk life and limb to bring excitement to the screen. They crash cars. They swing from helicopters. They dive off rocky cliffs into water far, far below. Yet as recently as the early 1980s, stunt performers rarely even received screen credit for their incredible feats. Here at last is a personal introduction to these professional daredevils. Biographical information, extensive film and television credits, and action photographs shine the spotlight on these highly skilled athletes who will stop at nothing to stop your heart.

Mind-Blowing Movie Stunts Joe Tougas, 2015-08 Describes movie stunts, including who accomplished these stunts and, to a certain degree, how--

Lessons from The Maestro David L. Boushey, 2021-05-30 In Lessons from The Maestro: Crafting a Successful Fight/Stunt Career in Theatre and Film, famed Hollywood and theatre stuntman, trainer, and fight director David L. Boushey writes about his life, the history of stage and screen combat and stunt work, and how to enter the entertainment industry. Charting his illustrious career that spanned over 45 years, 400 theatre credits, and 45 films, Boushey narrates the events and decisions that lead him to enter the entertainment industry and documents for the first time his founding of multiple national and international associations for fight directors and stuntmen. He provides a roadmap for individuals aspiring to work in the theatre and film industry, providing information on training, auditioning, networking, unions, different paths one might take, and tips on how to be a successful stunt performer in a competitive industry. Part autobiography, part how-to guide to the entertainment business from the foremost authority in stage combat and stunt work, this is an invaluable resource for professional and aspiring fight and intimacy directors and stunt performers in theatre and film.

So You Want to Be a Stuntman: Second Edition Robert Chapin, 2019-01-22 After working in the industry as a professional stunt performer and teaching stage combat classes in LA for almost 30 years, I'm frequently asked how to get started in Hollywood as a stuntman. Thanks to the contributions of many amazing stunt performers and professionals in the industry, the following is a list of tips to get you started, as well as a few words of advice to keep the gig once you get it. Even seasoned stunt performers will learn a trick or two when it comes to the latest tech. The second edition covers the latest advancements and info relating to the stunt industry. Topics such as Motion Capture / Visual Effects covers the ever changing role of CG in stunts, and expanded topics include the latest in gear, stunt training, marketing, what to do if you're injured, and what to expect on your first day on set. And by popular demand, more pictures of equipment, rigging, stunts, and life on set. Bob is one of the most caring people you will ever meet. He's always there to give advice to stunt performers and help direct them in furthering their career. The information he presents comes from years of practical experience and will be invaluable to the new stunt performer.- Banzai Vitale (The Revenant, True Blood, Red Dawn, The One, JAG, Buffy, Angel, Supah Ninjas, Crash Course) Bob is the crème de la crème, without a doubt. He's masterful in all phases of

the film business. His swords caught my eye until I saw him do highfalls, fights, air rams, Russian swings, etc. But the most impressive attribute was the way he helped people, teens, little kids, adults. He had the quality to break things down for the individual which is a gift. This is a must read book for everybody.- John Moio (Escape from New York, Rush Hour 2, Home Alone 4, Texas Chainsaw Massacre 2, Fast Times at Ridgemont High, Poseidon Adventure, Prisoner of Zenda, My Favorite Year) Bob has the unique insight and perspective that only comes from experience gained doing pretty much every job on set on both sides of the camera. He knows whereof he speaks and thankfully he's taken the time to share useful and accurate information about all that he's learned about the business of becoming a professional stunt performer and action actor.- Anthony Delongis (Highlander, Fearless, Masters of the Universe, Queen of Swords, Warrior and the Sorceress, Road House) I like it. Easy to read and educational.- Scott Leva (X-Men, SHIELD, Dexter, Sarah Conner Chronicles, Scream Queens, Rocketeer, Power Rangers, Flags of our Fathers) I have known Bob Chapin for a long time and am very appreciative of his training and experience, which has achieved a high degree of credibilty. I have been in the business roughly forty years as an action actor and fight director and have worked with a myriad of stunt performers of all skill levels. It has been my perception that not a few entered the profession with inadequate training and, anxious to excel and advance, have often put themselves in extremely dangerous positions by overestimating their own level of skill sets. Forewarned is forearmed, and while it does take time to achieve the proper training and experience to market yourself as a competent stunt performer, to fully understand the breadth and depth of the profession, the potential dangers yet unseen by inexperience, a book such as this goes a long way to stress the need for proper, credible training and to point the novice on the proper path to a long and successful career. - Braun McAsh (Highlander: Endgame, Highlander TV series)

Headless Stuntman Jeremy Diamond,2009-08 During the off-season, superhero NASCAR driver Jimmy Dash skips practice to take over the lead role in a racing movie, unaware that the set is haunted by a stuntman determined to stop the filming. Includes instructions on how to draw Jimmy Dash and Jack Diesel's racecar.

World's Most Daring Stunts Sean McCollum,2016-09-08 Are you ready for a thrill? Stunt men and women have made careers out of doing what other people would be terrified to do. Discover some of their most daring deeds.Would you have what it takes to pull off these insane stunts?

So You Want to Be a Stuntman Robert Chapin,2018-08-12 After working in the industry as a professional stunt performer and teaching stage combat classes in LA for almost 30 years, I'm frequently asked how to get started in Hollywood as a stuntman. Thanks to the contributions of many amazing stunt performers and professionals in the industry, this book is a list of tips to get you started, as well as a few words of advice to keep the gig once you get it.

The Stunt Man Paul Brodeur,1980-10-12

Being a Stuntman Isabel Thomas,2013 Falling through glass, being set on fire and high-speed car chases are all in a day's work for stuntmen and -women. This title takes a look behind the scenes and finds out what it takes to be a real-life action hero. It features famous stuntpeople such as Jackie Chan and Michelle Yeoh, as well as stunt doubles from films such as Spider-man, Indiana Jones and The Green Lantern.

Stand Or Fall Peter Harris Kent,2001-07-01

Cowboy Stuntman Dean Smith,2013 Memoir of a Texas Olympian in Hollywood

Stuntman Introduction

In the digital age, access to information has become easier than ever before. The ability to download Stuntman has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stuntman has opened up a world of possibilities. Downloading Stuntman provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stuntman has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stuntman. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stuntman. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stuntman, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stuntman has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Stuntman Books

What is a Stuntman PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or

print it. **How do I create a Stuntman PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stuntman PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stuntman PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stuntman PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
