This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. A Bank Street Books Best Children's Book of 2018! Clover and Danny are the kind of best friends who make each other even better. They're so important to each other that Clover believes they're symbiotic: her favorite science word, which describes two beings who can't function without the other. But when Danny comes down with a mysterious illness that won't go away, the doctors can't figure out what's wrong with him. So Clover decides to take matters into her own hands by making lists--list of Danny's symptoms, his good days, his bad days. As the evidence piles up, only one thing becomes clear: Danny is only better when Clover is around. Suddenly it feels like time is running out for Clover and Danny to do everything they've planned together--to finally see snow, to go on a trip with the suitcase they picked out together. Will science be able to save Danny, or is this the one time when magic can overcome the unthinkable?

Hana's Suitcase Karen Levine, 2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on

the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, Hana's Suitcase takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. Hana's Suitcase is part of the award-winning Holocaust Remembrance Series for Young Readers.

The Suitcase Sergei Dovlatov, 2011-04-01 Sergei Dovlatov's subtle, dark-edged humor and wry observations are in full force in The Suitcase as he examines eight objects—the items he brought with him in his luggage upon his emigration from the U.S.S.R. These seemingly undistinguished possessions, stuffed into a worn-out suitcase, take on a riotously funny life of their own as Dovlatov inventories the circumstances under which he acquired them, occasioning a brilliant series of interconnected tales: A poplin shirt evokes the bittersweet story of a courtship and marriage, while a pair of boots (of the kind only the Nomenklatura can afford) calls up the hilarious conclusion to an official banquet. Some driving gloves—remnants of Dovlatov's short-lived acting career—share space with neon-green crepe socks, reminders of a failed black-market scam. And in curious juxtaposition, the belt from a prison guard's uniform lies next to a stained jacket that once belonged to

Fernand Léger. Imbued with a comic nostalgia overlaid with Dovlatov's characteristically dry wit, *The Suitcase* is an intensely human, delightfully ironic novel from the finest Soviet satirist to appear in English since Vladimir Voinovich.

The Lost Suitcase Nicholas Delbanco, 2000 In an insightful and original meditation on the writer's craft that is by turns descriptive and prescriptive, Delbanco explores how literary virtuosity is achieved, how the writing of fiction can be taught, and the way literature functions for writer and reader equally. The book includes a novella called *The Lost Suitcase*, revolving around a famous anecdote about Hemingway's early work and how it came to be lost.

Red Suitcase Naomi Shihab Nye, 2013-12-20 Poet, teacher, essayist, anthologist, songwriter and singer, Naomi Shihab Nye is one of the country's most acclaimed writers. Her voice is generous; her vision true; her subjects ordinary people, and ordinary situations which, when rendered through her language, become remarkable. In this, her fourth full collection of poetry, we see with new eyes—a grandmother's scarf, an alarm clock, a man carrying his son on his shoulders. Valentine for Ernest Mann You can't order a poem like you order a taco. Walk up to the counter and say, I'll take two and expect it to be handed back to you on a shiny plate. Still, I like you spirit. Anyone who says, Here's my address, write me a poem, deserves something in reply. So I'll tell a secret instead: poems hide. In the bottoms of our shoes, they are sleeping. They are the shadows drifting across our ceilings the moment before we wake up. What we have to do is live in a way that lets us find them. Once I knew a man who gave his wife two skunks for a valentine. He couldn't understand why she was crying. I thought they had such beautiful eyes. And he was serious. He was a serious man who lived in a serious way. Nothing was ugly just because the world said so. He really liked those skunks. So, he re-invented them as valentines and they became beautiful. At least, to him. And the poems that had been hiding in the eyes of skunks for centuries crawled out and curled up at his feet. Maybe if we re-invent whatever our lives give us we find poems. Check your garage, the odd sock in your drawer, the person you almost like, but not quite. And let me know.

Panic in a Suitcase Yelena Akhtiorskaya, 2015-08-04 "A virtuosic debut [and] a wry look at immigrant life in the global age." —Vogue Having left Odessa for Brighton Beach, Brooklyn, with a sense of finality, the Nasmertov family has discovered that the divide between the old world and the new is not nearly as clear-cut as they had imagined. With the collapse of the Soviet Union, returning is just a matter of a plane ticket, and the Russian-owned shops in their adopted neighborhood stock even the most obscure comforts of home. Pursuing the American Dream once meant giving up everything, but does the dream still work if the past refuses to grow distant and mythical, remaining alarmingly within reach? If the Nasmertov parents can afford only to look forward, learning the rules of aspiration, the family's youngest, Frida, can't help looking back—and asking far too many questions. Yelena Akhtiorskaya's exceptional debut has been hailed not only as the great novel of Brighton Beach but as a "breath of fresh air ... [and] a testament to Akhtiorskaya's wit, generosity, and immense talent as a young American author" (NPR).
