

Sully

Dawn Stewardson, Sara Craven

Highest Duty Chesley B. Sullenberger, Jeffrey

Zaslow, 2009-09-25 Now a major motion picture from Clint Eastwood, starring Tom Hanks—the inspirational autobiography by one of the most captivating American heroes of our time, Capt. ‘Sully’ Sullenberger—the pilot who miraculously landed a crippled US Airways Flight 1549 in New York’s Hudson River, saving the lives of all 155 passengers and crew. On January 15, 2009, the world witnessed a remarkable emergency landing when Captain Sully Sullenberger skillfully glided US Airways Flight 1549 onto the Hudson River, saving the lives of all 155 passengers and crew. His cool actions not only averted tragedy but made him a hero and an inspiration worldwide. His story is now a major motion picture from director / producer Clint Eastwood and stars Tom Hanks, Laura Linney and Aaron Eckhart. Sully’s story is one of dedication, hope, and preparedness, revealing the important lessons he learned through his life, in his military service, and in his work as an airline pilot. It reminds us all that, even in these days of conflict, tragedy and uncertainty, there are values still worth fighting for—that life’s challenges can be met if we’re ready for them.

QF32 Richard de Crespigny, 2012-08-01 QF32 is the award

winning bestseller from Richard de Crespigny, author of the forthcoming *Fly!: Life Lessons from the Cockpit of QF32* On 4 November 2010, a flight from Singapore to Sydney came within a knife edge of being one of the world's worst air disasters. Shortly after leaving Changi Airport, an explosion shattered Engine 2 of Qantas flight QF32 - an Airbus A380, the largest and most advanced passenger plane ever built. Hundreds of pieces of shrapnel ripped through the wing and fuselage, creating chaos as vital flight systems and back-ups were destroyed or degraded. In other hands, the plane might have been lost with all 469 people on board, but a supremely experienced flight crew, led by Captain Richard de Crespigny, managed to land the crippled aircraft and safely disembark the passengers after hours of nerve-racking effort. Tracing Richard's life and career up until that fateful flight, QF32 shows exactly what goes into the making of a top-level airline pilot, and the extraordinary skills and training needed to keep us safe in the air. Fascinating in its detail and vividly compelling in its narrative, QF32 is the riveting, blow-by-blow story of just what happens when things go badly wrong in the air, told by the captain himself. Winner of ABIA Awards for Best General Non-fiction Book of the Year 2013 and Indie Awards' Best Non-fiction

2012 Shortlisted ABIA Awards' Book of the Year 2013

Captain Sully's River Landing Steven Otfinoski, 2019 Vivid storytelling brings an incredible story to life and place readers in the shoes of people who experienced the most successful ditching in aviation history - the emergency river landing of US Airways Flight 1549. On January 15, 2009, Captain Chesley Sully Sullenberger was faced with disaster when his Airbus A320 airplane struck a flock of Canada geese shortly after taking off from New York's LaGuardia Airport. With no engine power and no airports close enough for a landing, Captain Sully had no choice but to ditch his craft in the Hudson River. Suspenseful, dramatic events unfold in chronological, interwoven stories from the different perspectives of people who experienced the event while it was happening. Narratives intertwine to create a breathless, What's Next? kind of read. Students gain a new perspective on historical figures as they learn about real people struggling to decide how best to act in a given moment.

Sully Chesley Sullenberger, Jeffrey Zaslow, 2016-08-09 Now a major motion picture from Clint Eastwood, starring Tom Hanks—the inspirational autobiography by one of the most captivating American heroes of our time, Capt. ‘Sully’ Sullenberger—the pilot

who miraculously landed a crippled US Airways Flight 1549 in New York's Hudson River, saving the lives of all 155 passengers and crew. Students gain a new perspective on historical figures as they learn about real people struggling to decide how best to act in a given moment.

Making a Difference Captain Chesley B. Sullenberger, III, 2012-05-15 As a follow up to his phenomenal New York Times bestselling memoir, *Highest Duty*, Captain Chesley B. “Sully” Sullenberger explores exactly what it takes to lead and inspire. In *Making a Difference*, one of the most captivating American heroes of this century—the courageous pilot who brought the crippled US Airways Flight 1549 safely down in New York’s Hudson River—engages some of the most accomplished men and women in the fields of technology, medicine, education, sports, philanthropy, finance, law, and the military in inspiring

conversations on true leadership. With powerful thoughts and invaluable guidance from such notables as former Labor Secretary Robert Reich, legendary baseball manager Tony LaRussa, NASA Flight Director Eugene Kranz, and Gov. Jennifer Granholm, *Making a Difference* is a potential life-changer that stands with Katie Couric's *The Best Advice I Ever Got*, Lee Iacocca's *Where Have All the Leaders Gone*, Michael J. Fox's *A Funny Thing Happened on the Way to the Future*, and other classic volumes that celebrate human achievement and triumph over adversity.

The Life and Works of Thomas Sully 1783-1872 Edward Biddle, Mantle Fielding, 1921

Becoming Mary Sully Philip J. Deloria, 2019-04-24 Dakota Sioux artist Mary Sully was the great-granddaughter of respected nineteenth-century portraitist Thomas Sully, who captured the personalities of America's first generation of celebrities (including the figure of Andrew Jackson immortalized on the twenty-dollar bill). Born on the Standing Rock reservation in South Dakota in 1896, she was largely self-taught. Steeped in the visual traditions of beadwork, quilling, and hide painting, she also engaged with the experiments in time, space, symbolism, and representation characteristic of early twentieth-century modernist art. And like her

great-grandfather Sully was fascinated by celebrity: over two decades, she produced hundreds of colorful and dynamic abstract triptychs, a series of “personality prints” of American public figures like Amelia Earhart, Babe Ruth, and Gertrude Stein. Sully’s position on the margins of the art world meant that her work was exhibited only a handful of times during her life. In *Becoming Mary Sully*, Philip J. Deloria reclaims that work from obscurity, exploring her stunning portfolio through the lenses of modernism, industrial design, Dakota women’s aesthetics, mental health, ethnography and anthropology, primitivism, and the American Indian politics of the 1930s. Working in a complex territory oscillating between representation, symbolism, and abstraction, Sully evoked multiple and simultaneous perspectives of time and space. With an intimate yet sweeping style, Deloria recovers in Sully’s work a move toward an anti-colonial aesthetic that claimed a critical role for Indigenous women in American Indian futures—within and distinct from American modernity and modernism.

Byron, Sully, and the Power of Portraiture John

Clubbe, 2016-05-05 First published in 2005. Since the early nineteenth century, Byron, the man and his image, have captured the hearts and minds of untold legions of people of all political and

social stripes in Britain, Europe, America, and around the world. This book focuses on the history and cultural significance for Federal America of the only portrait of Byron known to have been painted by a major artist. In private hands from 1826 until this day, Thomas Sulley's Byron has never before been the subject of scholarly study. Beginning with the discovery of the portrait in 1999 and a 200-year narrative of the portrait's provenance and its relation to other well-known Byron portraits, the author discusses the work within the broad context of British and American portraiture of the late eighteenth and early nineteenth centuries.

Memoirs of Maximilian de Bethune, Duke of Sully, Prime Minister to Henry the Great Maximilien de Béthune duc de Sully, 1778

No Tears for the General Langdon Sully, 1974 Letters of Sully, printed for the first time, provide a vivid picture of California in the gold rush, of Minnesota frontier in the 1850s, Civil War, Sioux uprising, etc.--Bookseller's catalogue.

Sully's Fantasy Pepper Winters, 2020-07-28 From New York Times Bestseller, Pepper Winters, comes a spin-off novella featuring Sully and Jinx from the 5 x USA Today Bestselling Series, Goddess Isles. Please read after Book Five in Goddess

Isles (Fifth a Fury). Features cameos by Jethro and Nila Hawk from the Indebted Series! “There was a wedding and vows and a happily ever after...but there was also lust and fantasy.” Sullivan Sinclair has high-powered friends as well as his new family. Invited to attend a masquerade at Jethro’s Hawksridge Hall, he agrees. Eleanor Sinclair has a new husband and untold wealth at her fingertips. While living on an island in the Java Sea, their lives are their own. However, a simple trip to England has both of them missing the tropics of home. A monster and a goddess who have a special power to escape. A fantasy that Sully dares to share. A visit to Euphoria like no other. Reviews on Goddess Isles: [REDACTED]

If I could rate this higher I would. It is so amazing. This series gets better and better with every book. Lori GR [REDACTED] Hand on heart this series/this book is the bomb. The Goddess Isles series is my favourite series of 2020. Get ready to fall in love even more.. Kitty Kats Crazy about Books [REDACTED] The Goddess Isles series is my favorite series of this year. Yours Truly, Diana, The Evil Witch [REDACTED] To Dark Romance lover, IT'S A MUST READ SERIES, HIGHLY RECOMMENDED. Books Lover [REDACTED] If this author was not in my top ten before then she most definitely is now. Ri, GR [REDACTED] In short ...yeah Pepper pretty much ruined us for other

authors with the Goddess Isles series!!! Her books are intoxicating, addictive and full of every emotion there is...no one writes like her.Lenor  The love story of Sullivan Sinclair and Eleanor Grace continues and is TOTALLY ADDICTIVE! Chris, GR

Sully the Seahorse Natalie Pritchard,2019-10-15 Sully the Seahorse is a heart-warming, beautifully illustrated rhyming picture book which encourages children to believe in themselves and to be proud of who they are. It's the day of the Sea School Stars annual talent contest and little Sully really wants to win!! Oh, how he longs to be a super-fast fish or a gigantic, strong whale. Poor Sully never wins ANYTHING! This heart-warming story follows Sully on his race for victory - where he comes across a BIG challenge and discovers his own very special talents. ON YOUR MARKS, READY.....GET SET GO!!! The ocean is buzzing with excitement practising their performances for the competition....all except for Sully who doesn't feel very good at anything at all. The contest starts soon, reminded Miss Trout. Sully felt worried and started to shout: Do I have to take part, Miss? Please say no. Yes, she replied. You should give it a go. Poor Sully becomes disheartened as he loses some of the races, but the contest comes to a halt when a dark shadow descends upon Sea School and threatens to

change Sully's future forever! Will Sully find his sparkle before it's too late? The book explores the issue of self-esteem in a fun and heart-warming way and encourages children to celebrate differences and appreciate their own talents and qualities. It's sometimes hard for children to understand that they can't always be the best at everything. One of life's most important lessons is learning how to deal with making mistakes and being able to lose! Children sometimes find it difficult to understand why they came last in the race, or why they never win the writing contest. Sully discovers in the story that if you keep on trying then you'll find your own special talents - and that's the message for children too - just keep trying and be proud of who you are! It encourages children to become resilient so that they can bounce back from challenges and failure. This is the second book in my Sea School Stories series. The first book, Monty the Manatee, focuses on kindness and anti-bullying and has sold thousands of copies around the world.

Captain Sully's River Landing Steven Otfinoski, 2019 Vivid storytelling and authentic dialogue bring an incredible story to life and place readers in the shoes of people who experienced the most successful ditching in aviation history - the emergency river landing of US Airways Flight 1549. On January 15, 2009, Captain Chesley Sully Sullenberger was faced with disaster when his Airbus A320 airplane struck a flock of Canada geese shortly after taking off from New York's LaGuardia Airport. With no engine power and no airports close enough for a landing, Captain Sully had no choice but to ditch his craft in the Hudson River. Suspenseful, dramatic events unfold in chronological, interwoven stories from the different perspectives of people who experienced the event while it was happening. Narratives intertwine to create a breathless, What's Next? kind of read. Students gain a new perspective on historical figures as they learn about real people struggling to decide how best to act in a given moment.

Sully Bug Michelle Barfield, 2009-09 Have you ever seen a Sully Bug? Well, Riley has one, and he can't wait to bring this strange and wonderful creature to school for Show-and-Tell. The Sully Bug by first time author, Michelle Barfield, is the sweet and

touching story of the love and wonder experienced by an older sibling after the arrival of the newest family member. In *The Sully Bug*, Riley not only introduces this new little miracle to his friends, but also reveals what a gift from God each and every child truly is.

Only the Hunted Run Neely Tucker, 2016-08-30 A Kirkus Reviews Best Thriller of 2016 “The test of a crime series is its main character, and Sully is someone we'll want to read about again and again.” —Lisa Scottoline, *The Washington Post* “Fast-moving and suspenseful with an explosively violent conclusion.” —Bruce DeSilva, *Associated Press* “Tucker’s Sully Carter novels have quickly sneaked up on me as one of my favorite new series.” —Sarah Weinman, “The Crime Lady” The riveting third novel in the Sully Carter series finds the gutsy reporter investigating a shooting at the Capitol and the violent world of the nation’s most corrupt mental institution In the doldrums of a broiling Washington summer, a madman goes on a shooting rampage in the Capitol building. Sully Carter is at the scene and witnesses the carnage firsthand and files the first and most detailed account of the massacre. The shooter, Terry Waters, is still on the loose and becomes obsessed with Sully, luring the reporter into the streets of D.C. during the manhunt. Not much is known about Waters when he is finally

caught, except that he hails from the Indian reservations of Oklahoma. His rants in the courtroom quickly earn him a stay at Saint Elizabeth's mental hospital, and the paper sends Sully out west to find out what has led a man to such a horrific act of violence. As Sully hits the road to see what he can dig up on Waters back in Oklahoma, he leaves his friend Alexis to watch over his nephew, Josh, who is visiting DC for the summer. Traversing central Oklahoma, Sully discovers that a shadow lurks behind the Waters family history and that the ghosts of the past have pursued the shooter for far longer than Sully could have known. When a local sheriff reveals the Waterses' deep connection with Saint Elizabeth's, Sully realizes he must find a way to gain access to the asylum, no matter the consequences.

Sully's Challenge: "Miracle on the Hudson" National Transportation Safety Board, 2023-12-11 How can a 10 pound bird bring down a 150,000 pounds aircraft? How would you feel if you were the captain on that aircraft, responsible for 155 souls? What would you do to prevent the disaster? How would you communicate with other crew members and the passengers? How would you determine where to try to ditch the plane in an unprecedented situation? How would training and experience

influence your decision? What lessons can we learn from Captain Sullenberger's calm actions which incredibly saved all lives onboard? Successful Ditching of US Airways Flight 1549 on Hudson River by Captain Chesley Sullenberger and First Officer Jeff Skiles on January 15, 2009 - This edition provides all the details of this incredible event, transcripts of pilot's communications and the final results of a thorough investigation. They analyzed in great detail the aircraft, the accident, the damages; the personnel on board and on the ground, their training and their communications, their actions during the accident; the survival aspects, the birds, the meteorology and more. Finally they drew their conclusions and put together their recommendations based on the results of the examination, to prevent similar events in the future.

This book delves into Sully. Sully is a crucial topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Sully, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Sully
 - Chapter 2: Essential Elements of Sully
 - Chapter 3: Sully in Everyday Life
 - Chapter 4: Sully in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Sully. The first chapter will explore what Sully is, why Sully is vital, and how to effectively learn about Sully.
3. In chapter 2, this book will delve into the foundational concepts of Sully. This chapter will elucidate the essential principles that need to be understood to grasp Sully in its entirety.
4. In chapter 3, the author will examine the practical applications of Sully in daily life. This chapter will showcase real-world examples of how Sully can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Sully in specific contexts. This chapter will explore how Sully is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Sully. This chapter will summarize the key points that have been discussed

throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Sully.
