The Summer House James Patterson, Brendan DuBois, 2020-06-08 When seven murder victims are found in a small town, the homicide investigation shakes a small-town sheriff to her core in James Patterson's tense thriller. Once a luxurious southern getaway on a rustic lake, then reduced to a dilapidated crash pad, the Summer House is now the grisly scene of a nighttime mass murder. Eyewitnesses point to four Army Rangers—known as the Night Ninjas—recently returned from Afghanistan. To ensure that justice is done, the Army sends Major Jeremiah Cook, a veteran and former NYPD cop, to investigate. But the major and his elite team arrive in sweltering Georgia with no idea their grim jobs will be made exponentially more challenging by local law enforcement, who resists the Army's intrusion and stonewall them at every turn. As Cook and his squad struggle to uncover the truth behind the condemning evidence, the pieces just won't fit—and forces are rallying to make certain damning secrets die alongside the victims in the murder house. With his own people in the cross-hairs, Cook takes a desperate gamble to find answers—even if it means returning to a hell of his own worst nightmares . .

The Summer House Lauren K. Denton, 2020-06-02 It's never too late to start over. The Summer House weaves Lauren K. Denton's inviting Southern charm around a woman's journey to find herself in a small beach town—with a little help from the local retirement community. Lily Bishop wakes up one morning to find a good-bye note and divorce papers from her husband on the kitchen counter. Having just moved to Alabama for his job only weeks before, Lily is devastated. New to town and knowing no one, Lily finds herself in desperate need of a job and a new place to live. When Lily hears that a hair stylist is needed at small retirement community, she decides to apply. Rose Carrigan built the small retirement village of Safe Harbor years ago—just before her husband ran off with his assistant. Now she runs a tight ship, making sure the residents follow her strict rules. Rose keeps everyone at arm's length, including her own family. But when Lily shows up asking for a job and a place to live, Rose's cold exterior begins to thaw. Lily and Rose form an unlikely friendship, and Lily's salon soon becomes the place where the colorful residents share town gossip and a few secrets. Lily soon finds herself drawn to Rose's nephew, Rawlins—a single dad and shrimper who's had some practice at starting over—and one of the residents may be carrying a torch for Rose as well. Neither Lily nor Rose is where she expected to be, but the summer makes them both wonder if there's more to life and love than what they've experienced so far. The Summer House is a: Cozy novel full of charm and heart that's perfect vacation reading Celebration of new beginnings, friendship, and family Sweet, clean romance set on the Gulf Coast “The perfect summer read! Situated on the Alabama Gulf Coast, you'll feel the sun, taste the salt, and linger with new friends—you won't want to leave. And with lyrical prose and rich characters, The Summer House is a beautifully poignant reminder that we are never too young to find a good place to stand nor too old to start over.”—Katherine Reay, bestselling author of The Printed Letter Bookshop and Dear Mr. Knightley

Summer House Nancy Thayer, 2010-06-01 Thirty-year-old Charlotte Wheelwright seems to have at last found her niche, running an organic gardening business on the island of Nantucket, thanks in large part to her spry grandmother Nona, who donated a portion of land on the family's seaside compound to get Charlotte started. Though Charlotte's skill with plants is bringing her success, cultivating something deeper with people—particularly her handsome neighbor Coop—might be more of a challenge. Now the entire Wheelwright clan is making its annual summer pilgrimage to the homestead, including Charlotte's mother, Helen, who brings a heavy heart as she confronts a betrayal that threatens her sense of place and her sense of self. Bringing together three generations of strong-willed women, each wrestling with life-changing decisions, Nancy Thayer's luminous novel shows that no matter where

life's path may lead, love always finds a way back home.
