**Superstar** Mandy Davis, 2017-06-20 A Bank Street College of Education Best Children's Book of the Year! "Lester's first-person narrative is honest and pure." –Kirkus (starred review) Perfect for fans of *Fish in a Tree* and *Wonder*, this uplifting debut novel from Mandy Davis follows space-obsessed Lester Musselbaum as he experiences the challenges of his first days of public school: making friends, facing bullies, finding his thing, and accidentally learning of his autism-spectrum diagnosis. Lester's first days as a fifth grader at Quarry Elementary School are not even a little bit like he thought they would be—the cafeteria is too loud for Lester's ears, there are too many kids, and then there's the bully. Lester was always home-schooled, and now he's shocked to be stuck in a school where everything just seems wrong. That's until he hears about the science fair, which goes really well for Lester! This is it. The moment where I find out for 100 percent sure that I won. But then things go a bit sideways, and Lester has to find his way back. A touching peek into the life of a sensitive autism-spectrum boy facing the everydayness of elementary school, *Superstar* testifies that what you can do isn't nearly as important as who you are. "A lovely, heartfelt narrative about the things we've lost, and the things we've found again." –Gary D. Schmidt, Newbery Honor winner for *The Wednesday Wars* "I LOVE LESTER." –Linda Urban, author of *Milo Speck*, *Accidental Agent* and *A Crooked Kind of Perfect*

He's sure his treasured Fender Precision bass, along with his vow never to be a sell-out, will lead him to a record deal one day. Then he meets the Carlisle brothers. They can't sing and they can barely play their instruments, but somehow they have a following. And they desperately need a bass player. Pete can play circles around these amateurs, but there's a raw power to their sound that's surprisingly appealing. He can't resist, and he joins The Tiny Masters of Today. When the band gets a chance at real superstardom, Pete wonders if he's ready for the big leagues. He knows the quality of the music should come

first... but who knew selling out could be so much fun? Blake Nelson's riveting novel shows the realities of life in a band, and all the temptations that come with it.

How to Be a Superstar Salesperson Audri White,2022-02-24 THIS BOOK IS NOT JUST FOR

SALESPeOPLE Look at what others have to say: \*As I have read and reread and read again *How to Be a Superstar Salesperson*, the information I learned translates into strategies I can immediately infuse into my routine. In other words, this is not some book with abstract language and feel good ideas to motivate people to sale. Rather, this is a meat and potatoes publication that anyone can read and immediately start putting more food on the table. This is real strategy that translates, once applied into real money. \*This book is concise, informative and easy to read. It's not only helpful for Sales but for other occupations. The section on The Art of Listening has good tips for my job as a Customer Service Professional. Those sane tips can help in everyday life too! \*If readers follow the simple fundamentals provided, sales will follow. \*I really thought that a book on sales would have nothing to do with my vocation as a chaplain. As a chaplain working within a mental health practice to integrate spiritual care into our services, I discovered that the SPIN and FAB examples and examples of handling objections gave me a new perspective on engaging with other team members. These important business skills also helps me to connect, communicate and sell my ideas to management.

**Alien Superstar** Henry Winkler, Lin Oliver, 2019-10-01 A six-eyed teenage alien refugee becomes a Hollywood star in this hilarious series opener by the bestselling authors of the Hank Zipzer series. When thirteen-year-old Buddy Burger has to flee from his alien planet, he crash lands in an even wilder place: Hollywood, California.

But no one is shocked to see a six-eyed alien strolling around the Universal back lot. The tourists just think he's an actor in a supercool alien costume. And the fancy Hollywood directors take notice too. They cast Buddy in a popular TV show playing (of course) an alien. After a video of his first episode goes viral, he becomes an overnight sensation, and suddenly, his world is filled with adoring fans, rides in glamorous limos, and appearances at all-the-shrimp-you-can-eat red carpet parties! Will Buddy be able to keep his secret when all eyes are on him? Or will the glitz and glam of Hollywood prove too much for this alien superstar? "Alien Superstar has it all . . . action, suspense, and big laughs!" –Jeff Kinney, author of the Diary of a Wimpy Kid series "Henry Winkler and Lin Oliver keep us laughing while slipping in a lesson for kids—accept everyone as they are, even if they have suction cups for feet. Alien Superstar is a super fun read for middle grades on up." –Jennifer Garner "A funny interstellar adventure that will have readers watching the cosmos for the second book to arrive." –SLJ Review Winkler and Oliver bring their sharply honed sense of comedy and extensive experience in the television industry to Buddy's antics on the set. . . . This results in an endearingly strange protagonist that will resonate with any kid who has felt like an outsider. A sense of humor and empathy are required for this zany adventure." –Booklist
