The book provides fascinating insight, delighting SVU devotees who love on-screen and backstage trivia. In addition, creator Dick Wolf offers readers a gripping foreword to the book.

**All-American TV Crime Drama** Sujata Moorti, Lisa Cuklanz, 2016-12-18 Law and Order Special Victims Unit (SVU) is more popular than any other American police procedural television series, but how does its unique focus on sex crimes reflect contemporary popular culture and feminist critique, whilst also recasting the classic crime narrative? All-American TV Crime Drama is the first dedicated study of SVU and its treatment of sexual violence, gender and criminality. The book uses detailed textual and visual analyses of episodes to illuminate the assumptions underpinning the programme. Although SVU engages with issues pertaining to feminism and gender it still relies upon traditional and misogynistic tropes such as false rape charges and the monstrous mother to undermine positive views of the feminine. The show, and its backdrop, New York City thus become a stage on which national concerns about women, gender roles, the family and race are carried out. Moorti and Cuklanz unpack how the show has become a crucible for examining current attitudes towards these issues and include an analysis of its reception by its many fans in over 30 countries.

*True Stories of Law & Order* Kevin Dwyer, Juré Fiorillo, 2006-11-07 True Stories of Law & Order reveals the fascinating and shocking facts behind 25 of the hit show's most popular episodes - from the incredible account of how a woman's repressed memory leads to the solving of a 30-year-old cold case to the high-profile investigation of tranvestite millionaire Robert Durst. And just like in Law & Order, the actual crime is just the beginning, as you follow these cases from the initial stages of the investigation through the trial and up to the often

controversial verdicts. Part of the reason millions of fans tune in to Law & Order is the gritty realism of its storytelling. The monumentally popular show has included many episodes inspired by actual cases ripped from the headlines - true crimes that are often stranger and more chilling than fiction.
